Grammar in focus

Possibility, ability (*could, be able to*)

Выражение возможности, способности (*could, be able to*)

Когда мы говорим о том, что кто-то имеет возможность или способность что-либо делать, мы используем **could, be able to**.

Для выражения возможности что-либо делать в настоящем мы используем **could**:

We **could** go for a walk. Мы могли бы пойти на прогулку.

Когда мы говорим о каком-либо фактически совершившемся действии в прошлом или о том, что нам удалось сделать, мы используем **was/were able to**:

I **was able to** get a visa. Мне удалось получить визу.

Если действие в прошлом не смогло осуществиться по каким-либо причинам или у нас не было возможности что-либо сделать, мы используем **could** (couldn't) или **was/were not able to**:

I **couldn't** visit the Tower. Я не смог посетить Тауэр.

I **wasn't able to** visit Tower. Мне не удалось посетить Тауэр.

Когда мы говорим о возможности что-либо делать в будущем, мы используем **will ('ll) be able to, could**:

I **'ll be able to** go to London next year. У меня будет возможность (я смогу) поехать в Лондон в следующем году.

You **could** go sightseeing when you come to London next year. Вы смогли бы посмотреть достопримечательности, когда приедете в Лондон в следующем году.

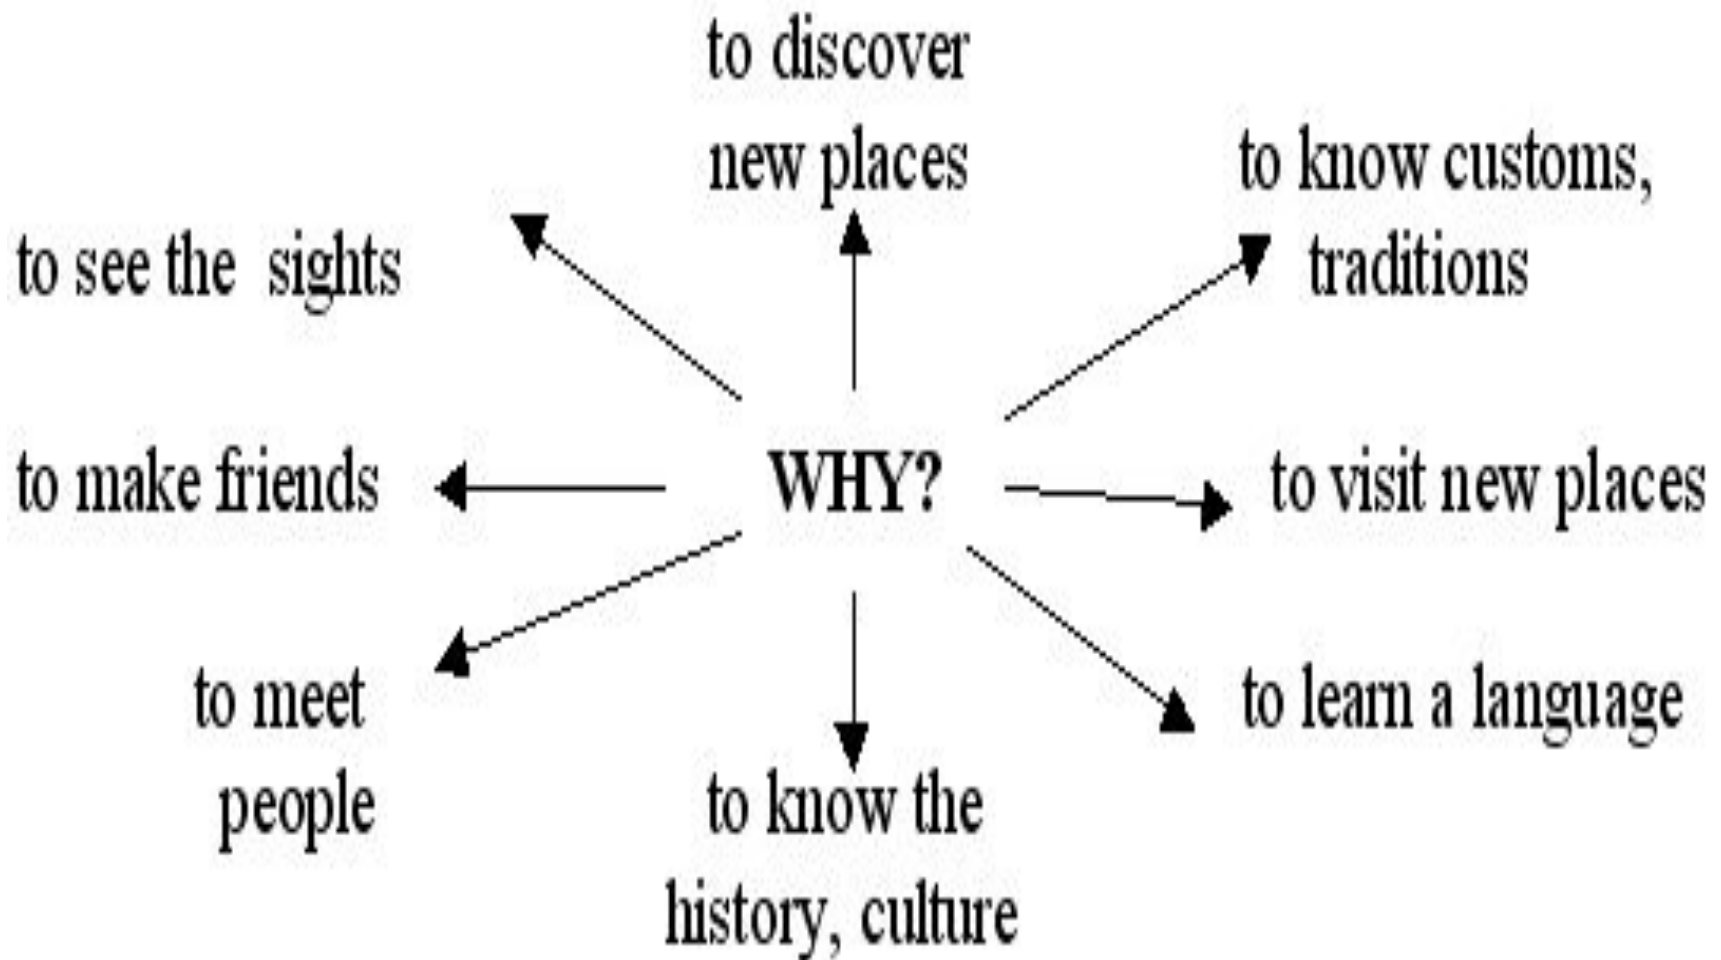

There is a saying about travelling. Let's read and translate it.

Do you share this opinion?

Adventure is necessary for us all.

*It keeps people from growing stale and old;
it develops our imagination,
it gives us movement and change which are
necessary to our life.*
