

WHY DO WE NEED TO KNOW ENGLISH?

BORIS PONOMAREV

OUTLINE

Today English is the only one lingua franca in the world.

Knowing English become more and more common requirement for your potential employer.

INTRODUCTION

Why English?

Is it really so easy?

What are the benefits?

WHY ENGLISH?

So, what is the reason, why English become the only one lingua franca in the world? Actually, there is no some special reason. That's all because of influence of British Empire and there colonies in XVIII-XIX.

IS IT EASY?

Now, English should be very easy,
right? English spelling and
pronunciation make you think another
way

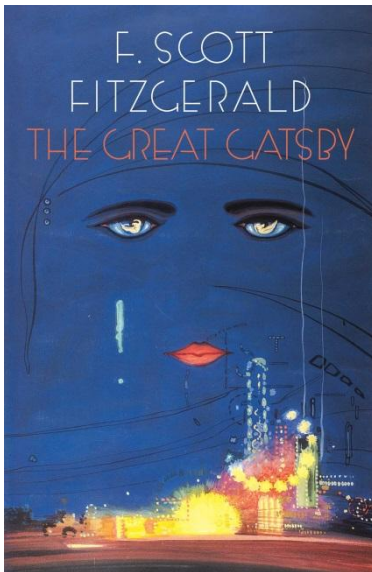

WHAT ARE THE BENEFITS?

It's still worldwide language.

Huge plus in your CV.

No problem with understanding anything in English.

NETFLIX

CONCLUSION

**English is a worldwide language and it's hard to arguing with.
More and more employers demand English from there
employee.**

Thanks for watching!
