

# THE MONA LISA

Работу выполнила Артемова Екатерина

Группа ПП-19

The Mona Lisa is a half-length portrait painted by Italian artist Leonardo da Vinci. Now it is on permanent display at the Louvre.

The painting was one of the first portraits to depict the sitter in front of an imaginary landscape. She appears alive to an unusual extent, which Leonardo achieved by his method of not drawing outlines.

The Mona Lisa is an unsurpassed masterpiece distinguished by a marvellous sense of colour and composition.
