The background is a detailed, colorful illustration of a medieval town. In the upper left, a large, ornate cathedral with multiple domes and spires sits atop a hill. Below it, a town with various wooden houses and stone buildings is visible. A hot air balloon with a colorful pattern is floating in the sky, leaving a trail of confetti. In the middle ground, there's a fairground with a Ferris wheel and a roller coaster. The scene is bright and cheerful, with green hills and a blue sky.
