

I would like to tell you about my planned trip to the United Arab Emirates

Yusipova Idel 10 A

Well, I will go on a trip for only 3 days, but my route of attractions will be very diverse

The United Arab Emirates itself is a small country, but I decided to stay in the capital city of Abu Dhabi

Abu Dhabi has a huge number of hotels for different budgets

I will take a night flight and my plane will land at the largest airport in the city to take a taxi to the hotel I will need 2 thousand rubles or 98 dirhams local currency

I chose the hotel Al Raha Beach Hotel 5. The hotel for 3 nights cost me 21 thousand rubles or 1 million dirhams in local currency. For Abu Dhabi this is a fairly low amount to rent a hotel with a gorgeous view of the Persian Gulf the hotel has its own beach and Breakfast is included in the price

To begin with, we will go by metro, where by the way there are different cars for men and women to the world-famous market of spices and fruits, where the most fragrant spices and the freshest fruits are sold -entrance is free

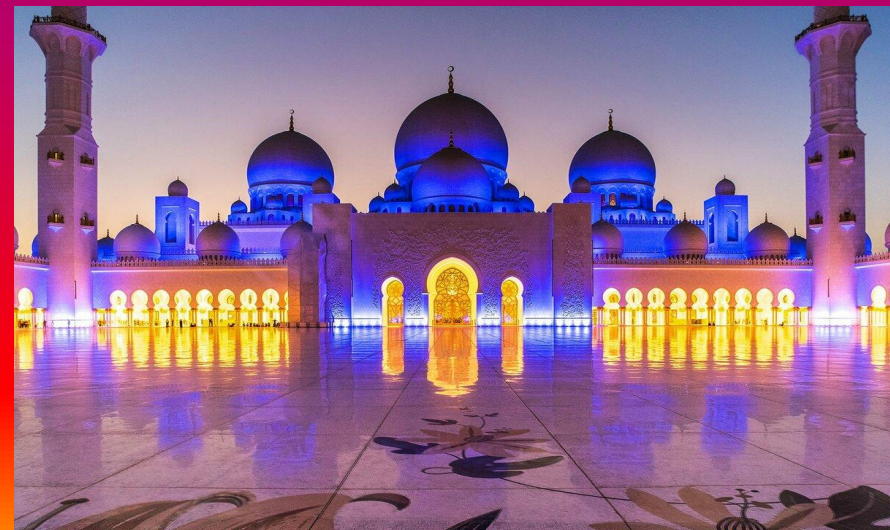

When it gets dark I will go to what I think is the most beautiful place in the Emirates-the Sheikh Zayed mosque-the largest mosque in the world

The entrance to the mosque cost about 4 thousand rubles

The mosque was officially opened in the month of Ramadan in 2007

This mosque is one of the largest in the world

The next morning I will go to another city of Dubai. This is probably the most famous tourist city in the country- expensive hotels, exclusive brands and sports cars

First of all I will go to see the singing fountains

this is an unforgettable sight

it is especially beautiful to look at them in the evening

Burj Khalifa

I also decided in this evening to visit the highest building in the world

the height of the tower is 828 meters

the ticket price starts from 4 thousand rubles

but this price is not without reason offers a stunning view of the entire city

On day 3 I will go to the biggest Mall in the world

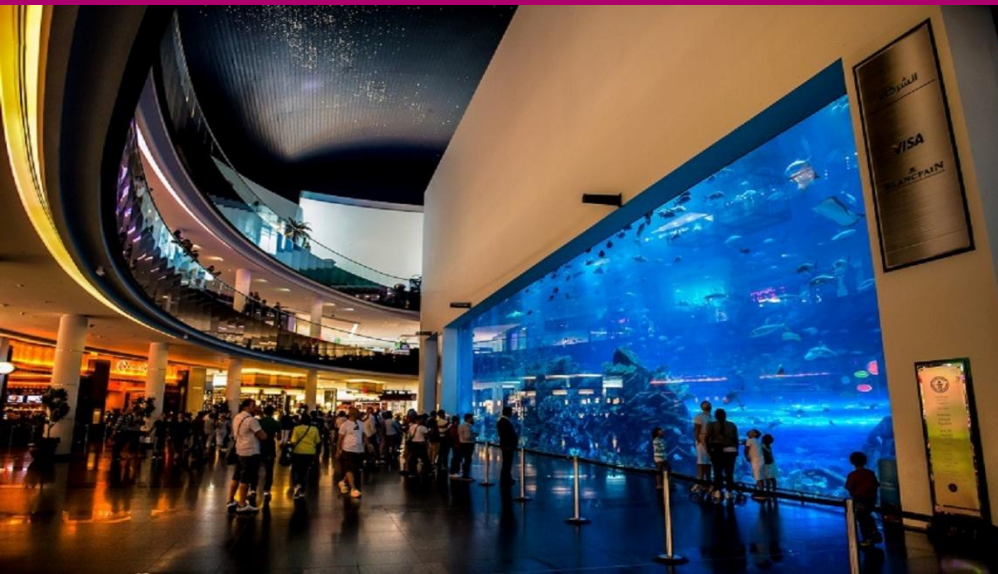

The Dubai Mall

you need to spend a month to see all the shops of this Mall

every girl's dream is to see so many stores in one building, I think

it is also worth noting that right in the Mall there is a huge aquarium where various types of fish and sharks swim and this entertainment costs absolutely nothing

on my last day I think I'll want to stay in the hotel and relax on the beach, chill out a little bit

a big plus is that there is something to see in the Emirates without spending a large amount of money!

for all paid entertainment, including taxi and metro, I will give about 32 thousand rubles, but what emotions you will get for this money!

Thanks for your attention!

Thank you very much. Thank you!
