Politics of the United Kingdom

The UK is a **parliamentary** democracy with a **constitutional Monarch** as Head

Gordon Brown was appointed Prime Minister in June 2007

The Prime Minister of the UK is the political leader of the United Kingdom and the Head of **Her Majesty's Government.**

Elizabeth II

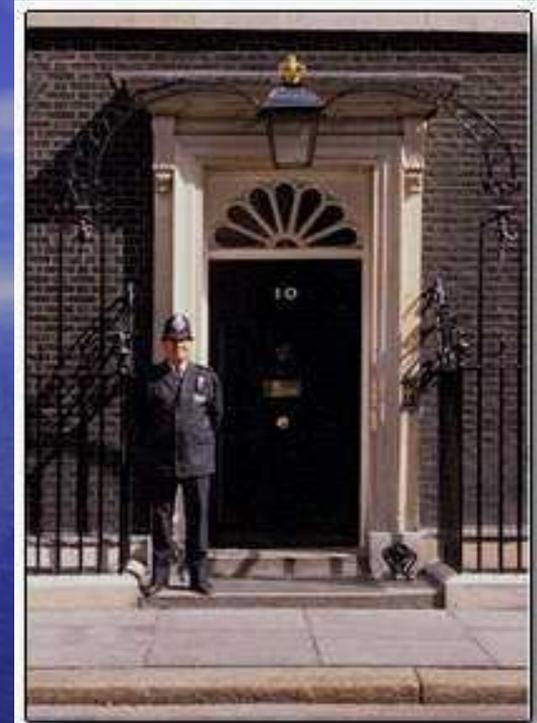

The Government is like the management of the country.

The job of the Government is to run the country. It is made up of about 100 members of the political party which wins the most seats at a general election.

The Cabinet Room

Number 10 Downing Street is the residence and office of the Prime Minister of the United Kingdom. The headquarters of Her Majesty's Government.

The British Parliament

While the job of Government is to run the

country, the job of Parliament is to check

Government is carrying out its role properly and effectively. To do this, Parliament has

powers to limit the Government and prevent it from becoming too powerful.

The Parliament works in Westminster Palace

The Parliament consists of two chambers known as **the House of Lords** and **the House of Commons**.

The House of Commons

House of Commons
Chamber: Speaker's
chair

646 elected
Members of
Parliament
or MPs.

The Speaker in the
House

England's Flag

Why doesn't the Welsh dragon appear on the Union Flag?

The Welsh dragon does not appear on the flag because when the first Union Flag was created in 1606, Wales was already united with England from the 13th century.

The Union Jack is the only *official* flag of Northern Ireland. The well known red hand flag of Northern Ireland. The well known red hand flag has not been used officially since 1973.

Dean McGee, 27 January 2002
