**1**

I want to see the full circle, so please make it also visible on the white/grey background!

**2**

Use out black for the text here

**1**

When the dropdown opens upwards the blue line still appears (that happens when you click on a dropdown that is at the edge of your screen)  
Get rid of it. The dropdown that opens upwards should look the same way as when opening it downwards!

Papers 130g matte

2

When highlighting the different quantity Options with mouseover – use our green and white font then (like the other dropdowns)

For Dima

## 2 Choose Your Delivery Time

1

Should look like this:

Don't worry if you don't have your artwork ready yet. You can also upload it later on our confirmation page.

2

Remove this text! We have it already at the bottom next to the upload button

**Delivery**

- 24-hour Production +35%
- 48-hour Production +25%
- Express Production +15%
- Normal Production

**Payment**  
Please pay before:  
12:00\* TUESDAY

**Arrival**  
Delivery will arrive latest:  
12 TUESDAY July

Delivery date: 18.07.2016  
Deadline: 15.07.2016

3

Remove the 24- hour production and also 48-hour production! We don't offer that in the beginning! (So just Express and Standard!

4

Call it: Express Delivery and Standard Delivery (not production)

[Continue shopping](#) [Buy now](#)

Is your artwork ready? Upload it. If not - Don't worry – you can also do it after ordering.

5

Use the font you used above! This font does not fit!

**Delivery**

- 24-hourd Production +35%
- 48-hourd Production +25%
- Express Production +15%
- Normal Production

**Payment**  
Please pay before:

12:00\* TUESDAY

Delivery date 18.07.2016

**Arrival**  
Delivery will arrive latest

12 TUESDAY July

Deadline 15.07.2016

**6** Switch the Dates: Delivery date belongs below Arrival date, Deadline date belongs below payment date

**Delivery**

- Express Delivery +15%
- Standard Delivery

**Payment**  
Please pay before:

12:00\* TUESDAY

**Arrival**  
Delivery to arrive

12 July TUESDAY

Buy now

**7** The dates should be shown (linked to) the respective boxes

Optimal scenario Payment: the deadline date for payment is displayed in the box in form of exact TIME and WEEKDAY (14:00 not 12:00)

Optimal scenario Arrival: the arrival date is also shown in the respective box underneath Arrival in form of DAY/MONTH + WEEKDAY

For Dima

Delivery Payment Arrival

Please pay before: Delivery to arrive latest:

Express Production +15% 12:00\* TUESDAY 12 July TUESDAY

Normal Production

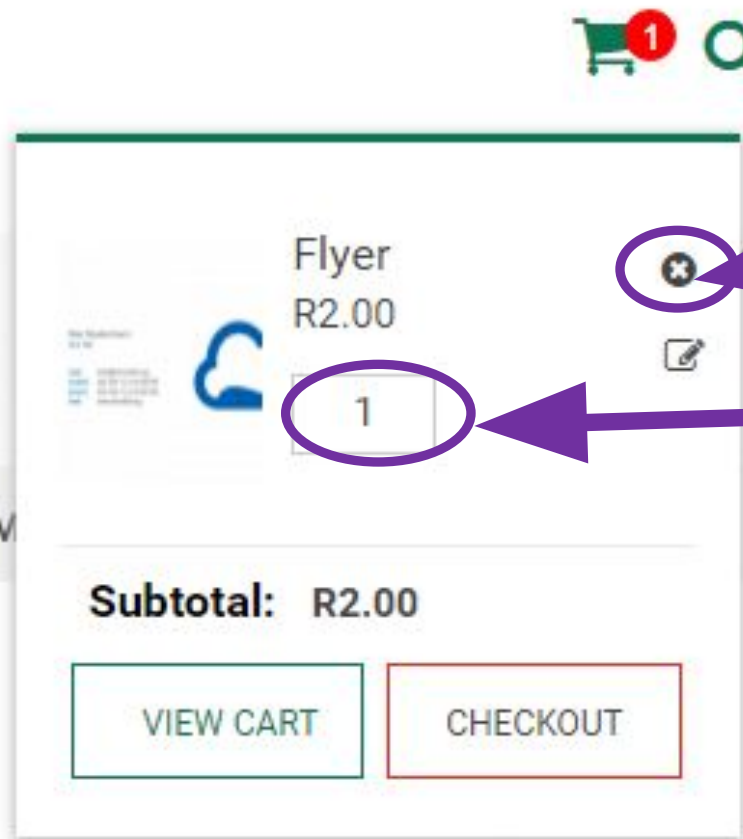

Continue shopping Buy now

8 Distribute evenly in between all 3 Payment, Arrival)

Should fit in one line only! (like here)

Align boxes and text lines aligned! So it looks "clean"

9 Remove them in the responsive

**1** Button does not work – error page

**2** Get rid of input field – not possible to change quantity there

Make it next to each other

e.g.:

1000 Flyers, R27

500 Business Cards, R3

...
