

THE PROBLEM OF ORPHANS IN RUSSIA

The number of orphans

- With a broken society, they were facing abandonment, abuse and neglect, and as a result were placed in institutions

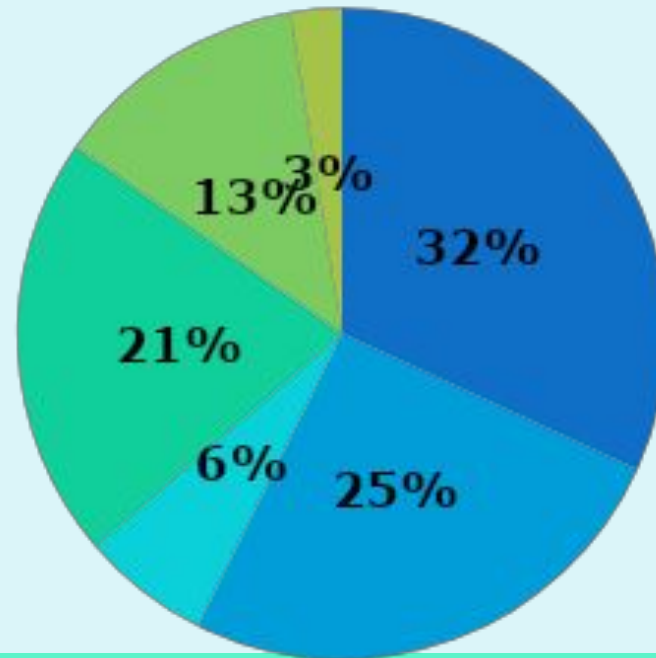

- The conditions in the orphanages are not providing proper mental and physical care

Conditions in orphanages

- Approximately 15,000 children leave orphanages at age of 16-17 each year
- Some institutions only provide the children with six grades worth of schooling

The graduates from orphanages

32 %-high risk category
25% - crime
21% - unemployed
13% - homeless
6% - commit suicide
3% - university

Transitions out of the institutions

- Social orphans make up 85 percent of all orphans in Russia
