***“To all who come to this happy place!
Welcome. Disneyland is your land.”***

Walt Disney said these words on July 17, 1955 at the opening ceremony of his park.

Disneyland is a place where people find both happiness and knowledge.

Walt Disney used to tell a story about how, on Saturdays, he would take his two daughters to parks and playgrounds. It was Walt Disney who created such a park. His “magical little park” twenty years later became the Magic Kingdom. He turned 160 acres of dusty orange groves into the happiest place on the earth.
