# CHARITY?WHAT DOES IT MEAN?

Wikipedia says: «The practice of **charity** means the voluntary giving of help to those in need, as a humanitarian act.

In our opinion charity is some help and kindness.

In world have many charity organization, at the head of them good, honest and caring people. For example: Ingvar Kamprad (Stiching INGKA Foundation), Bill Gates (Bill & Melinda Gates foundation), Luis Antonio Ubinyas (Ford Fondation).

**We want tell you about For

- ▣ Charitable Foundation "Dearheart" was created in 2008 to provide assistance to orphans, orphanages and boarding schools from all regions of Russia. Over the years, the fund gradually expand the scope of its activities: we have to help low-income families to support children's hospitals and rehabilitation centers.
- ▣ In 2010, we came to understand the problems of childhood disability and learned about the terrible statistics of the incidence of cerebral palsy (CP) in our country.

- ▣ Thus arose the direction of "Help for children with cerebral palsy," which a few months turned into a full program and confirmed its appropriateness and relevance. Since 2011, the "Help for children with cerebral palsy" is the main focus of the fund, in which we pay for the treatment, rehabilitation, acquire specialized rehabilitation equipment, and we pay great attention to the socialization of children with cerebral palsy. The fund combines the efforts of the doctors, parents and the media to draw public attention to the problems of children with disabilities.

▣ In our opinion charity is very important in our life!!!
