# EVERYTHING BURNS

Different diaries, same sad stories  
Hear them calling, late in the night  
Devils haunt me, they all want me ...  
All I can do is let them inside  
Right from the flame, into the fire

RIGHT NOW it's raining but you're gonna learn  
Playing with fire you're bound to get hurt  
I won't get angry, I won't say a word  
I just won't stop until everything BURNS

Have a cigarette, back my coffee  
Say a prayer for you, just to kill time  
No I won't lose, I'm not confused  
I'm so consumed, I'm RAGING & VIOLENT

YOU'LL FEEL MY FLAME, YOU'LL FEEL MY FIRE!!

Oh this flame in my  you ignited this fire  
Let it Burn, let it Burn, And The Smoke Rises.

## Music in our life

People cannot live without music. They can listen to music everywhere even in the forest, when they walk and hear birds singing. Music can be classical and modern. Classical music is performed by symphonic orchestras in the great halls. There are a lot of famous composers whose music is played nowadays. Classical music is serious and requires good understanding or it may seem to be boring and dull. Most people prefer modern music. Modern music is performed by TV and radio. Modern music has different kinds: pop, rock, disco, rap, techno and others. Young people like techno and disco. Older people are fond of jazz, rock and pop.

There are a lot of singers or music bands who perform this or that kind of music. Everybody knows the founders of rock music. They are the “Beatles” and Elvis Presley. Now there are a lot of discs and records of different performers. The last achievement in music production is a clip. Musical clips are short films accompanied by the melody. It may be a short story what the song is about or simply a great number of different pictures. People like to watch clips because it’s not only listening to music but also watching interesting things. I’m fond of music and like to listen to it for it helps me to have good relaxation.

A close-up, profile shot of a young woman with long, wavy, reddish-brown hair. She is wearing large, black, over-ear headphones with silver-colored ear cups. She is looking out of a train window, her hands resting on the window ledge. The background outside the window is a blurred landscape of green fields and a cloudy sky, suggesting the train is in motion. The overall mood is contemplative and serene.
