Welcome to Nupedia.com!

We are building the world's largest international, peer-reviewed encyclopedia. It is free.

Nupedia is open content: the contents are not proprietary and are freely distributable under our [open content license](#). This is a revolutionary concept.

We have the time, money, personnel, and commitment. But we need your involvement, too, particularly if you are a scholar or scientist.

Technology wiki

- In the late 1980s started to develop the concept of the wiki.

In 1995 he opened the first website in the world working on this technology "the Portland store samples" of code.

January 15 2001 was opened on Wikipedia

Welcome to [Wikipedia!](#) We're writing a complete encyclopedia from scratch, collaboratively. We started work in January 2001. We've got over 3,000 pages already. We want to make over 100,000. So, let's get to work! Write a little (or a lot) about what you know! Read our welcome message here: [Welcome, newcomers!](#)

Some questions you might have are answered below, but why not first explore a few links?
