

Международное  
Сотрудничество  
2018

# International Conference on Neurology and Brain Disorders

March 19-21, 2018 Valencia, Spain

→ Neurology

→ Neuropathology

→ Neuropharmacology

→ Neuroimmunology

→ Neurogenetics

→ Neurotoxicology

→ Neuropharmacetics

→ Neuro Imaging

→ Neurophysiology

→ Neuropsychiatry

→ Clinical Neurology

→ Brain

→ Neuro-Oncology

→ Neurorehabilitation

→ Neurological Disorders

→ Neurosurgery

→ Neurobiology

→ Molecular Neurology

→ Central Nervous System

→ Neurotechnology

→ Sleep Medicine and Disorders

# Young Researchers Forum

Science Access / Young Researchers Forum

**Last Round of abstract submission : February 15, 2018 | Welcome Message**

- Ученые до 33 лет
- 10 минут на устный доклад
- 5 минут вопросы аудитории
- лучшие доклады будут опубликованы в журналах Science Access Group

# XII INDIAN NATIONAL STROKE CONFERENCE

16<sup>th</sup> - 18<sup>th</sup> March 2018, Hyatt Regency, New Delhi

1. Imaging in Stroke
2. Endovascular management of stroke
3. Thrombolysis
4. Newer therapies
5. Critical care in stroke
6. Cerebral venous thrombosis
7. Subarachnoid hemorrhage / Intracranial hemorrhage
8. TIA
9. Neurosurgery in Stroke
10. Newer diagnostic and investigating tools
11. Paediatric Stroke
12. Stroke & Cardiac issues
13. Emerging risk factors
14. Stroke Clinical trials
15. Public awareness modules
16. Vascular Dementia
17. Neurosonology
18. Neuroprotection
19. Rehabilitation
20. Genetics and translation research
21. Preventive Strategies

# - Дедлайн подачи тезисов: 10 февраля 2018

## - постерный или устный доклад

1. Imaging in Stroke
2. Endovascular management of stroke
3. Thrombolysis
4. Newer therapies
5. Critical care in stroke
6. Cerebral venous thrombosis
7. Subarachnoid hemorrhage / Intracranial hemorrhage
8. TIA
9. Neurosurgery in Stroke
10. Newer diagnostic and investigating tools
11. Paediatric Stroke
12. Stroke & Cardiac issues
13. Emerging risk factors
14. Stroke Clinical trials
15. Public awareness modules
16. Vascular Dementia
17. Neurosonology
18. Neuroprotection
19. Rehabilitation
20. Genetics and translation research
21. Preventive Strategies

18<sup>th</sup> Global

# Neuroscience Conference

*Theme:*

*“Ameliorations in Technologies and Treatments”*

**September  
19-20, 2018  
Tokyo, Japan**

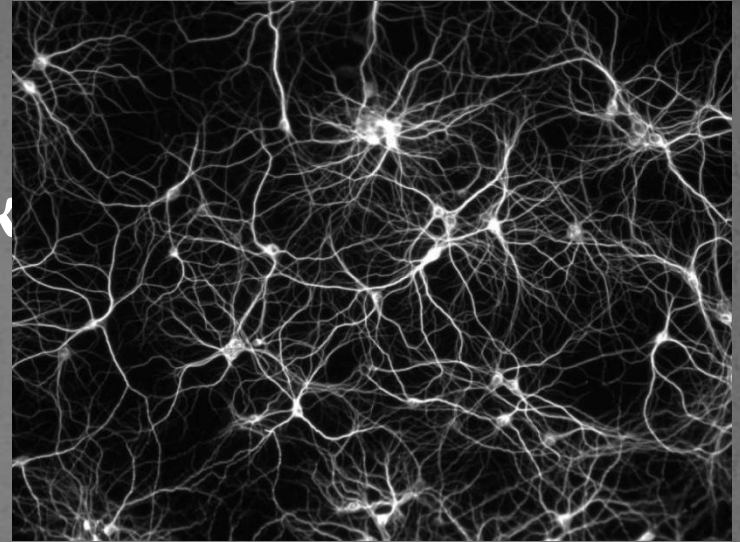

- Neurons
- Neurological disorders
- Central Nervous System
- Spine and Spinal Disorders
- Neuro-Degenerative Disorders
- Pediatric Neurology
- Neuro Epigenetics
- Neuro Oncology
- Clinical Neurology
- Dementia

- Parkinson's Disease
- Spinal Bulber Muscular Atrophy (SBMA)
- Neuronal Development and Regeneration
- Molecular and cellular Neurobiology
- Neurogenomics
- Neuropsychiatry and Behavioral Science
- Diagnosis and Imaging Techniques
- Clinical Trails & Case Reports

# ФОРУМ МОЛОДЫХ УЧЕНЫХ

- 10 минут на устный доклад
- 5 минут вопросы  
аудитории

## 18<sup>TH</sup> GLOBAL NEUROSCIENCE CONFERENCE

September 19-20, 2018 Tokyo, Japan

18th International Conference on

# Neurology and Neurological Disorders

July 12-14, 2018 Paris, France

*Theme: "Scientific Quest to Enhance the Fascinating & Mystified Neurons"*

# ФОРУМ МОЛОДЫХ УЧЕНЫХ

-10 минут на устный доклад

-постерная сессия

- 30 мая 2018
