

Международное Сотрудничество

2018

International Conference on Neurology and Brain Disorders

March 19-21, 2018 Valencia, Spain

- Neurology
- Neuropathology
- Neuropharmacology
- Neuroimmunology
- Neurogenetics
- Neurotoxicology
- Neuropharmacetics
- Neuro Imaging
- Neurophysiology
- Neuropsychiatry
- Clinical Neurology
- Brain
- Neuro-Oncology
- Neurorehabilitation
- Neurological Disorders
- Neurosurgery
- Neurobiology
- Molecular Neurology
- Central Nervous System
- Neurotechnology
- Sleep Medicine and Disorders

Young Researchers Forum

Science Access / Young Researchers Forum

Last Round of abstract submission : February 15, 2018 | Welcome Message

- Ученые до 33 лет
- 10 минут на устный доклад
- 5 минут вопросы аудитории
- лучшие доклады будут опубликованы в журналах Science Access Group

XII INDIAN NATIONAL STROKE CONFERENCE

16th - 18th March 2018, Hyatt Regency, New Delhi

- | | |
|---|---------------------------------------|
| 1. Imaging in Stroke | 12. Stroke & Cardiac issues |
| 2. Endovascular management of stroke | 13. Emerging risk factors |
| 3. Thrombolysis | 14. Stroke Clinical trials |
| 4. Newer therapies | 15. Public awareness modules |
| 5. Critical care in stroke | 16. Vascular Dementia |
| 6. Cerebral venous thrombosis | 17. Neurosonology |
| 7. Subarachnoid hemorrhage /
Intracranial hemorrhage | 18. Neuroprotection |
| 8. TIA | 19. Rehabilitation |
| 9. Neurosurgery in Stroke | 20. Genetics and translation research |
| 10. Newer diagnostic and investigating
tools | 21. Preventive Strategies |
| 11. Paediatric Stroke | |

-Дедлайн подачи тезисов: 10 февраля 2018
- постерный или устный доклад

- | | |
|---|---------------------------------------|
| 1. Imaging in Stroke | 12. Stroke & Cardiac issues |
| 2. Endovascular management of stroke | 13. Emerging risk factors |
| 3. Thrombolysis | 14. Stroke Clinical trials |
| 4. Newer therapies | 15. Public awareness modules |
| 5. Critical care in stroke | 16. Vascular Dementia |
| 6. Cerebral venous thrombosis | 17. Neurosonology |
| 7. Subarachnoid hemorrhage /
Intracranial hemorrhage | 18. Neuroprotection |
| 8. TIA | 19. Rehabilitation |
| 9. Neurosurgery in Stroke | 20. Genetics and translation research |
| 10. Newer diagnostic and investigating
tools | 21. Preventive Strategies |
| 11. Paediatric Stroke | |

18th Global

Neuroscience Conference

Theme:

“Ameliorations in Technologies and Treatments”

**September
19-20, 2018
Tokyo, Japan**

- Neurons
- Neurological disorders
- Central Nervous System
- Spine and Spinal Disorders
- Neuro-Degenerative Disorders
- Pediatric Neurology
- Neuro Epigenetics
- Neuro Oncology
- Clinical Neurology
- Dementia

- Parkinson's Disease
 - Spinal Bulber Muscular Atrophy (SBMA)
 - Neuronal Development and Regeneration
 - Molecular and cellular Neurobiology
 - Neurogenomics
 - Neuropsychiatry and Behavioral Science
 - Diagnosis and Imaging Techniques
 - Clinical Trials & Case Reports

ФОРУМ МОЛОДЫХ УЧЕНЫХ

- 10 минут на устный доктор
- 5 минут вопросы аудитории

**18TH GLOBAL
NEUROSCIENCE CONFERENCE**

September 19-20, 2018 Tokyo, Japan

18th International Conference on

Neurology and Neurological Disorders

July 12-14, 2018 Paris, France

Theme: "Scientific Quest to Enhance the Fascinating & Mystified Neurons"

ФОРУМ МОЛОДЫХ УЧЕНЫХ

-10 минут на устный доклад

-постерная сессия

- 30 мая 2018
