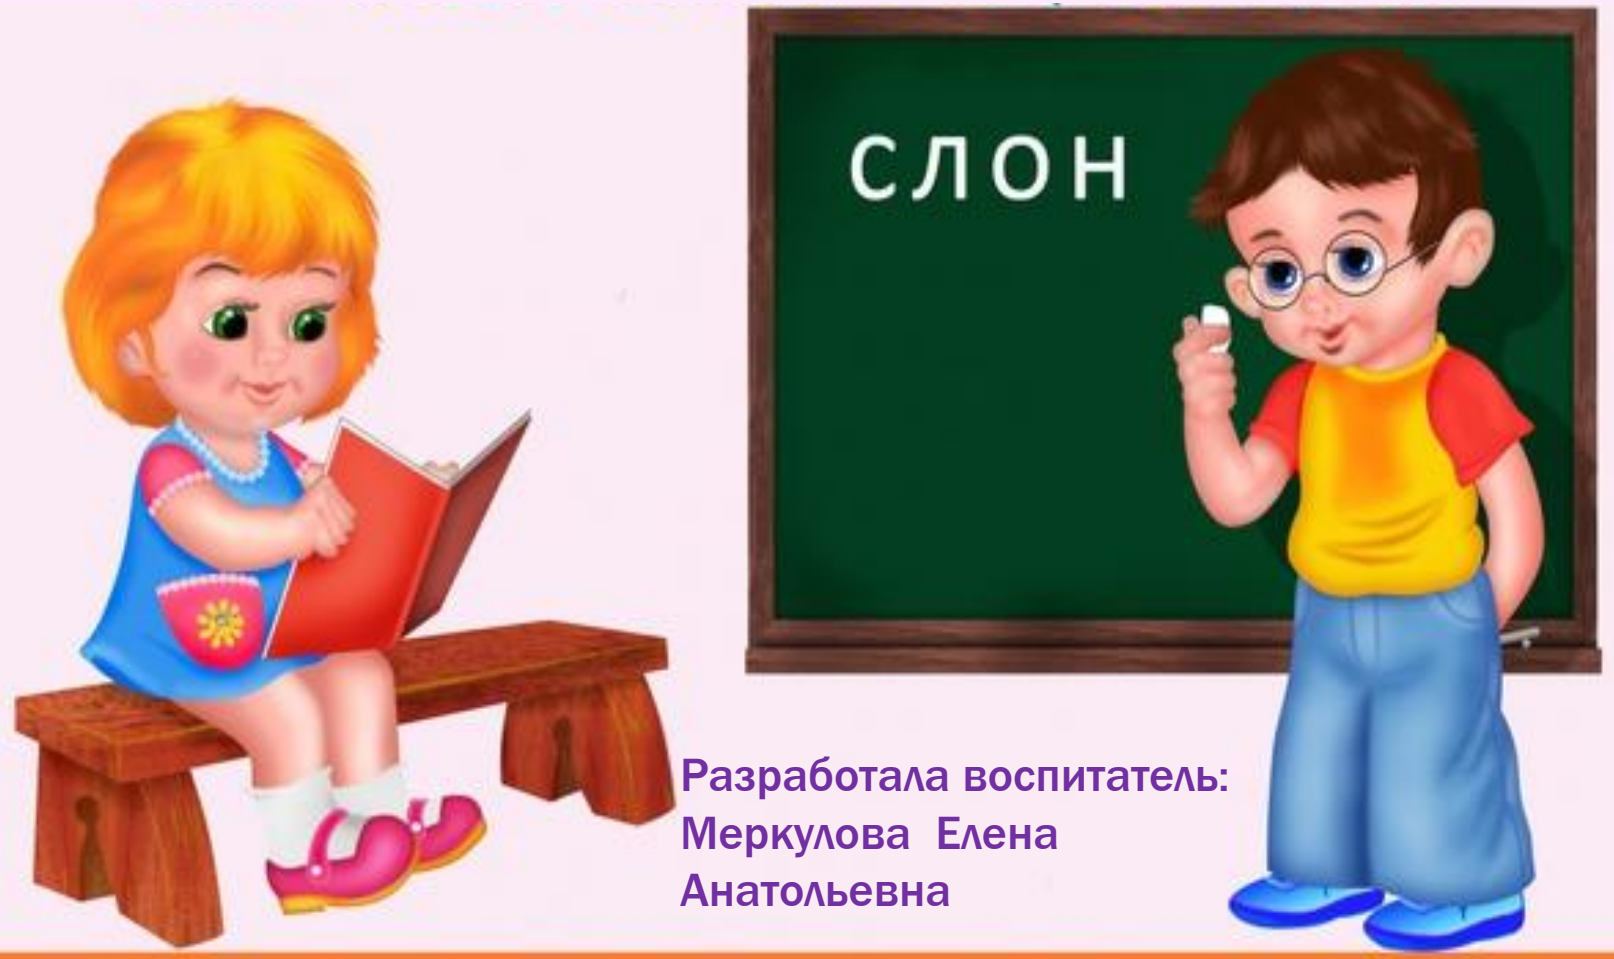
Развивающая игра

«ИГРАЕМ СО СЛОВАМИ»



Разработала воспитатель:
Меркулова Елена
Анатольевна

Цель игры: закрепление фонематического слуха, навыков чтения и звукобуквенного анализа слова.

Задачи: совершенствовать навык слогового анализа слова с опорой на гласные, слогового синтеза; закреплять навыки чтения и звукобуквенного анализа; развивать внимание, память и логическое мышление.

Правила игры: Предложить детям прочитать слово по первым буквам картинок, разделить его на слоги, определить ударный слог и провести звукобуквенный анализ слова.
