🎯 - Drugs

⦿ **Signs of drug addiction include:**

- ⦿ Increased use of the drug (any amount greater than prescribed)
- ⦿ Using the drug regularly, either daily or even several times a day
- ⦿ Not being able to stop taking the drug
- ⦿ Spending your money on the drug, even if you can't afford it
- ⦿ Feeling like you need the drug to deal with everyday problems
- ⦿ Focusing large amounts of your time and energy on getting and using the drug

🎯 - Alhocol

Statistics

- Approximately 6.6 million children under the age of 18 live in a household where one or both of their parents are alcoholics.
- As many as 7.7 million children in Europe have at least one parent who is a problem drinker.
- By the time a teen has reached the 12th grade, there is an 80% chance he or she has used alcohol. As far as being drunk 62% of teens experience this before the end of high school.
- Children who have started drinking alcohol by the time they are in the 7th grade are more likely to have substance abuse problems, academic problems, and delinquent behavior while in both high school and middle school.

- *Psychologists say that almost every young person has an experience of conflicts during this period of his life, because teenagers are changing rapidly. The process of physical development begins and the minds of young people get completely prepared for future serious life. We also face the problem how to spend our free time. We can do it in different ways. Some of teen-ages spend their free time in different nightclubs. Other young people spend their free time in the streets.*

How do you solve your problems?

- Parents say that its difficult to discipline children. But experts state that parents will get the best results if they try to prevent or stop misbehavior in natural, logical & when possible fun ways. Here are some pieces of advice to help them keep their kids in line.
- So, as you see, it is very difficult to be young nowadays, as, need, it always was. But you only can be young once, & some wonderful things can happen only when you're young. So, it is be to enjoy youth while it lasts.
