1. \_\_\_\_\_ is very **relaxing**, I think. You just sit at home, do **monotonous** things, and in the end, you've got socks! Isn't it awesome?
2. I really want to take up \_\_\_\_\_ to shoot arrows as cool as Legolas.
3. \_\_\_\_\_ is quite **expensive**, some stamps cost a lot of money!
4. \_\_\_\_\_ is really **absorbing** – with all these threads and needles you don't notice the time pass
5. Learning \_\_\_\_\_ can be very **time-consuming**, but still it's **thrilling** to be able to do all the kicks.
6. What I think about \_\_\_\_\_ is that it's incredibly **exhausting**. Who would go to some stupid mountains on their own free will?
7. \_\_\_\_\_ is **tiring** and **stressful** at times. You need to be very strong to make all these tables or chairs
8. \_\_\_\_\_ is unbelievably **challenging**, but you've got a chance on a Knight's tournament though.

# Task 8

## 8. Read the text

People have enjoyed sports for thousands of years. Children, men and women play sports both for pleasure and for challenge. Every sport involves physical skill. Every sport has a set of rules that the players of the sport follow. In some sports one person competes against other individuals. Examples of these sports include boxing, tennis and so on. In many games one team competes against the other team.

People can go in for winter and summer sports. Summer sports are typical for warmer countries. Those who live in regions that experience cold winters have long enjoyed ice skating, skiing, and sledding. These activities have grown immensely in popularity over the years. Today thousands of resorts cater to the winter tourist trade, and millions of people each year take winter sports vacations.
