Столица-Сеул

Ночной Сеул (наше время)

A nighttime photograph of a modern cityscape. In the foreground, a large, curved fountain with multiple tiers of water is illuminated with blue and white lights. The water flows down the tiers, creating a shimmering effect. The fountain is surrounded by a paved walkway and low stone walls. In the background, several tall, modern buildings with glass facades are lit up, reflecting the city lights. The sky is dark, and the overall atmosphere is vibrant and urban.
