Square

square □ 4

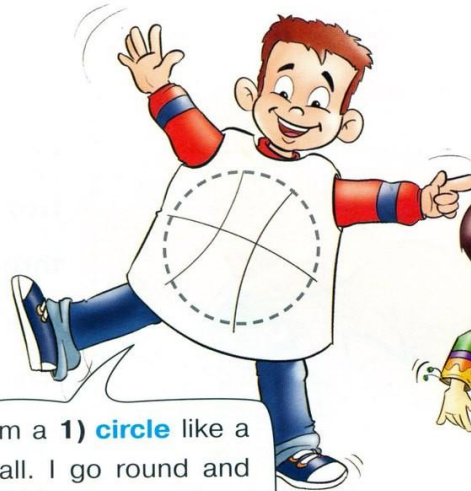

rectangle □ 10

circle □ 8

triangle □ 5

circle rectangle triangle square

I'm a **1**) **circle** like a ball. I go round and round.

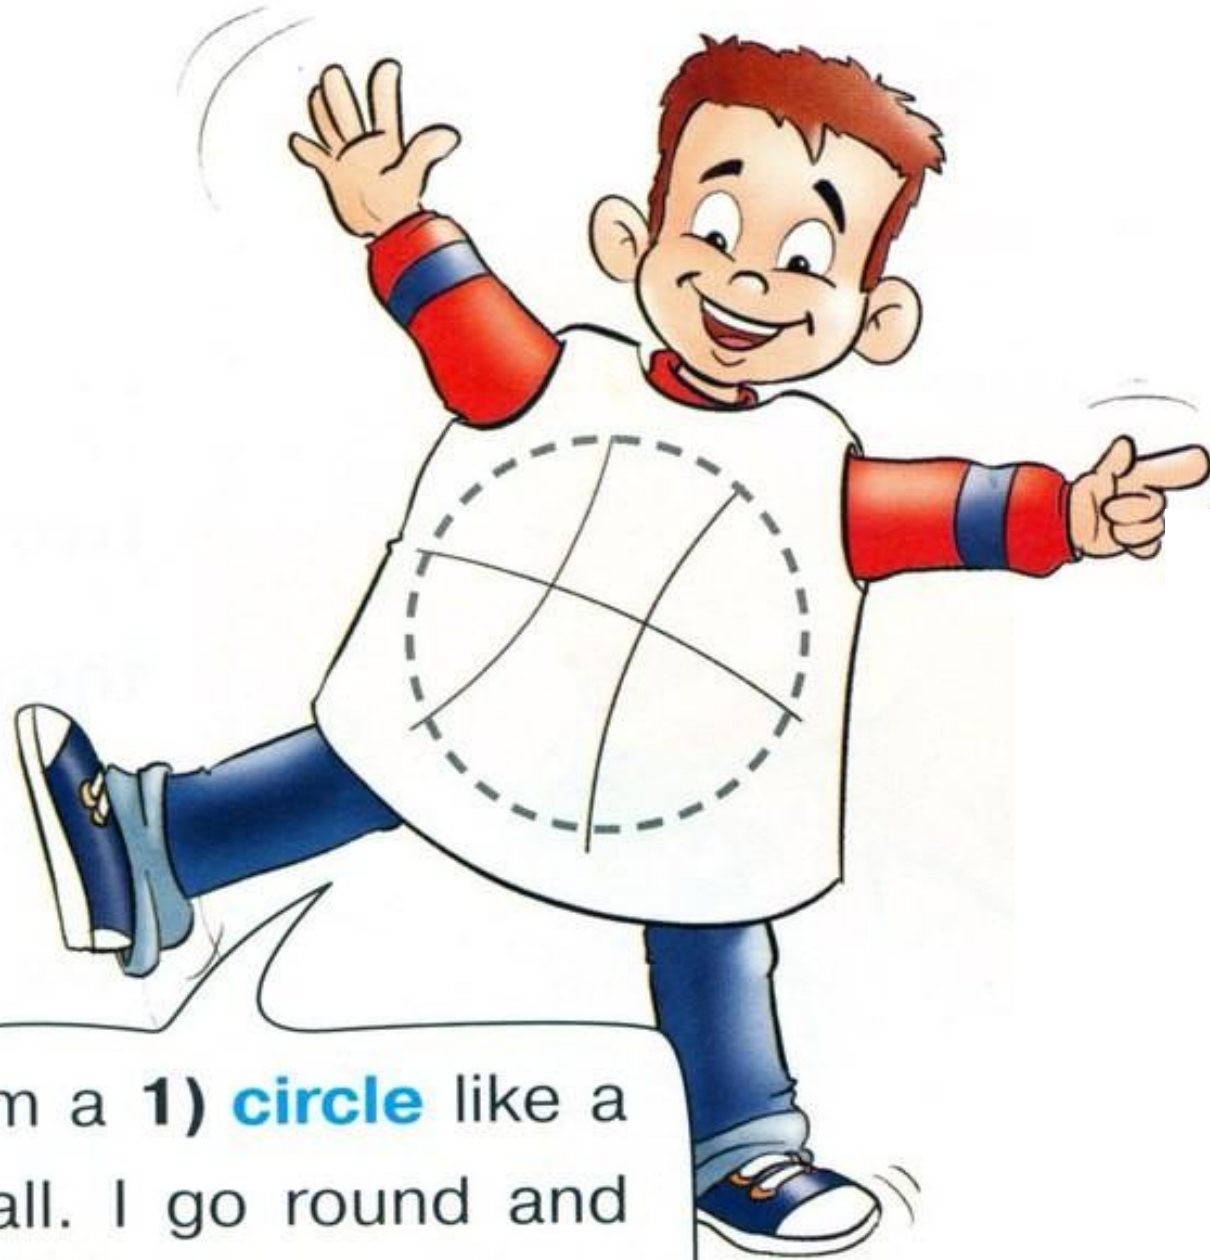

I'm a **2**) **square**
like a box. My sides are all the same.

I'm a **3**) **triangle**
like a roof. I have got three sides.

I'm a **4**) **rectangle**
like a door. My sides are long and short.

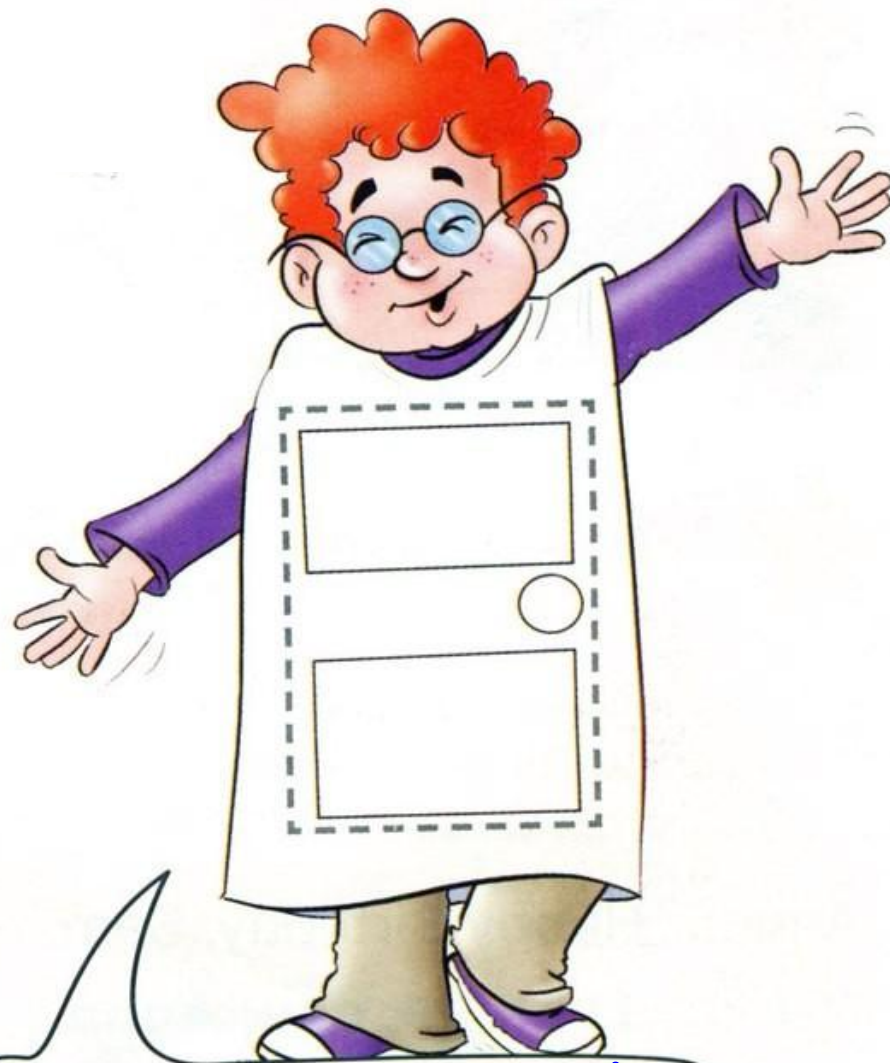

I'm a **1) circle** like a ball. I go round and round.

I'm a **2)** **square**
like a box. My sides are
all the same.

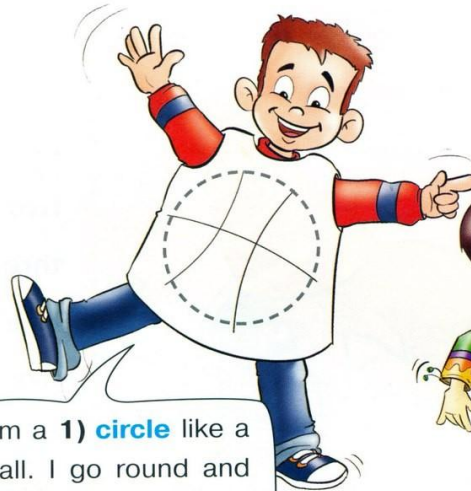

I'm a **3)** **triangle**
like a roof. I have got
three sides.

I'm a **4)** **rectangle**
like a door. My sides are
long and short.

3

Look! I'm seven today!

4

I'm seven today, too!

5

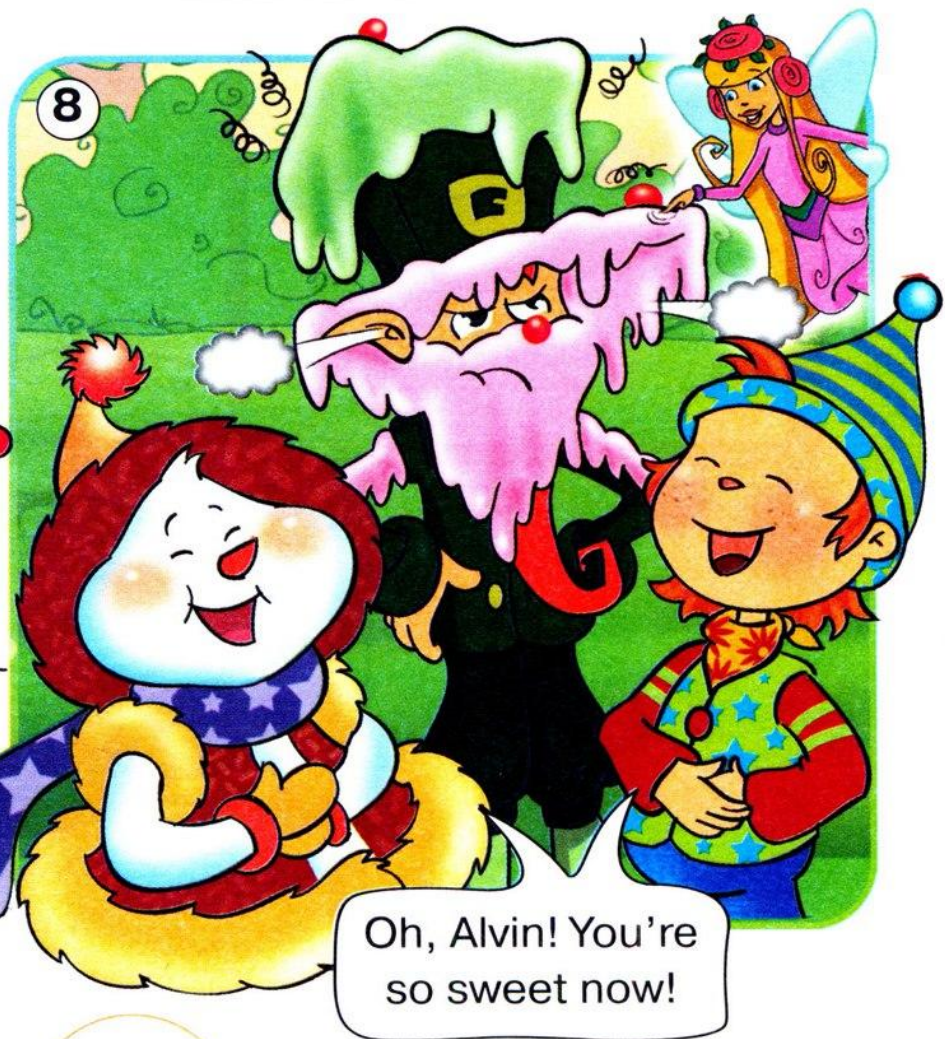

This clock is for you, Frosty!

Thank you!

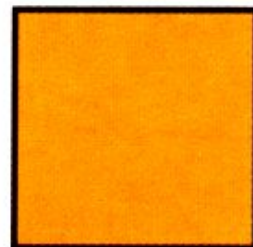

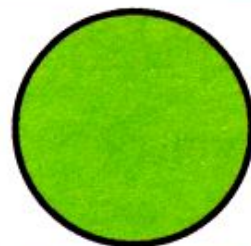

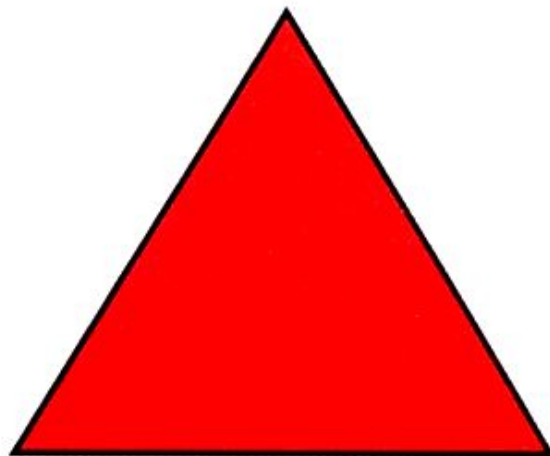

6

This robot is for you, Woody!

Thank you!
