## NO SIMILAR PROJECTS IN KAZAKHSTAN!

### Delivery aggregators operating in Russia

<u>eDost.ru</u> is an old search system of low prices for courier services. Without the possibility of making order and payment. Just cost information and delivery terms.

catapulto.ru - closest counterpart, project launched in Moscow (Russia). The service is aimed at servicing legal entities and online stores. Prices on shipments without discount.

**sendit.ru** - a project with similar positioning to catapulto.ru. Works in parallel with a competitor and shows stable market growth.
