

THE IRAQ WAR

The presentation was made by Alexander Borozdin

THE LOCATION OF IRAQ ON A MAP

The Iraq War began 20.03.2003

A group of Iraqi soldiers in desert camouflage uniforms and helmets are marching across a dusty, open landscape. They are carrying several large Iraqi national flags (red, white, and black horizontal stripes with green Arabic calligraphy). The soldiers are moving from left to right, and the ground is kicking up dust behind them. The sky is clear and bright.

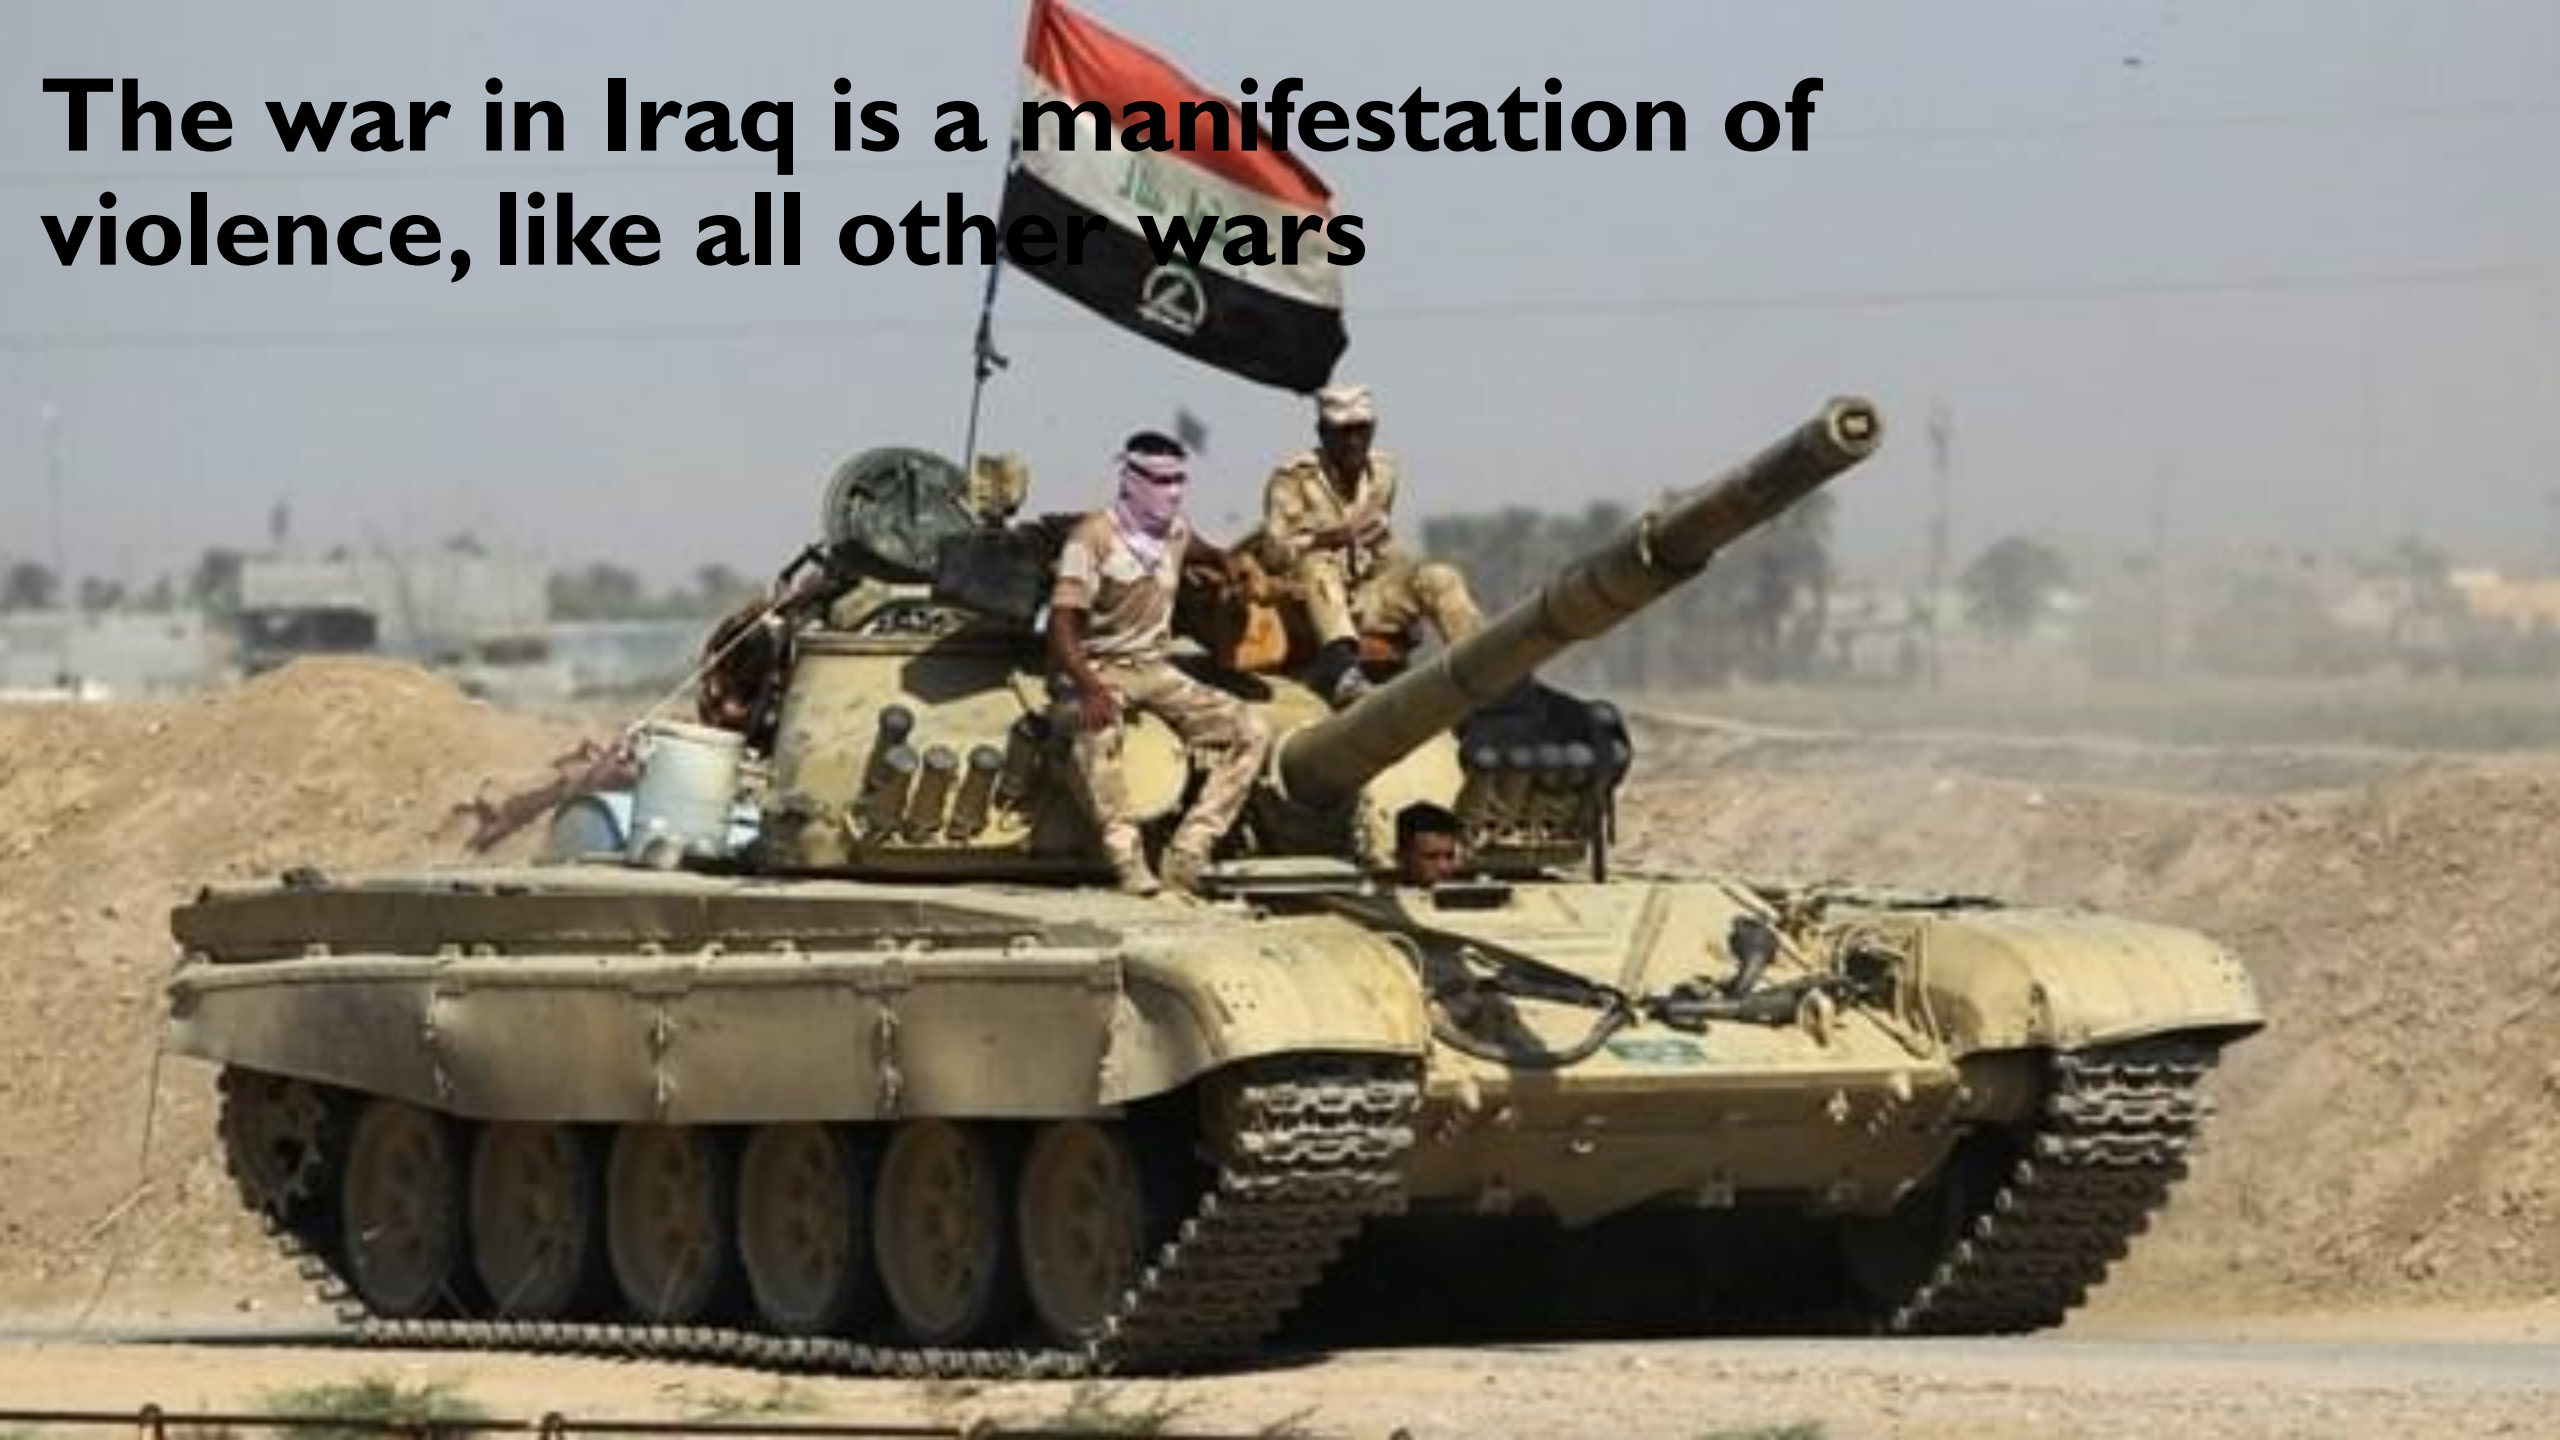

- THE FIRST MILITARY OPERATION IN IRAQ BEGAN ON THE MORNING OF 20 MARCH 2003

The war in Iraq ended on December 18, 2011

War of slag 8 years

The war in Iraq is a manifestation of violence, like all other wars

The type of conflict in the Iraq war , mixed

- It includes types of conflicts such as:
 1. Political conflict.
 2. Economic conflict

You can prevent any conflict.

• YOU JUST NEED TO FIND A COMPROMISE.

Any conflict can be resolved peacefully.

- YOU CAN APPLY ONE OF THESE METHODS:

- To respect human rights, to give people freedom.
- To ask the UN to discuss the problem.
- To organize meetings in support of the people.

Thanks for watching
