

# ***My favorite subjects***

***Part 1***

# *First about my school*

*My school is on the Street of Kirov 18A*

*I very love my new school!*

*Maybe my class is not the most  
friendly but I don't pay attention to  
it!*

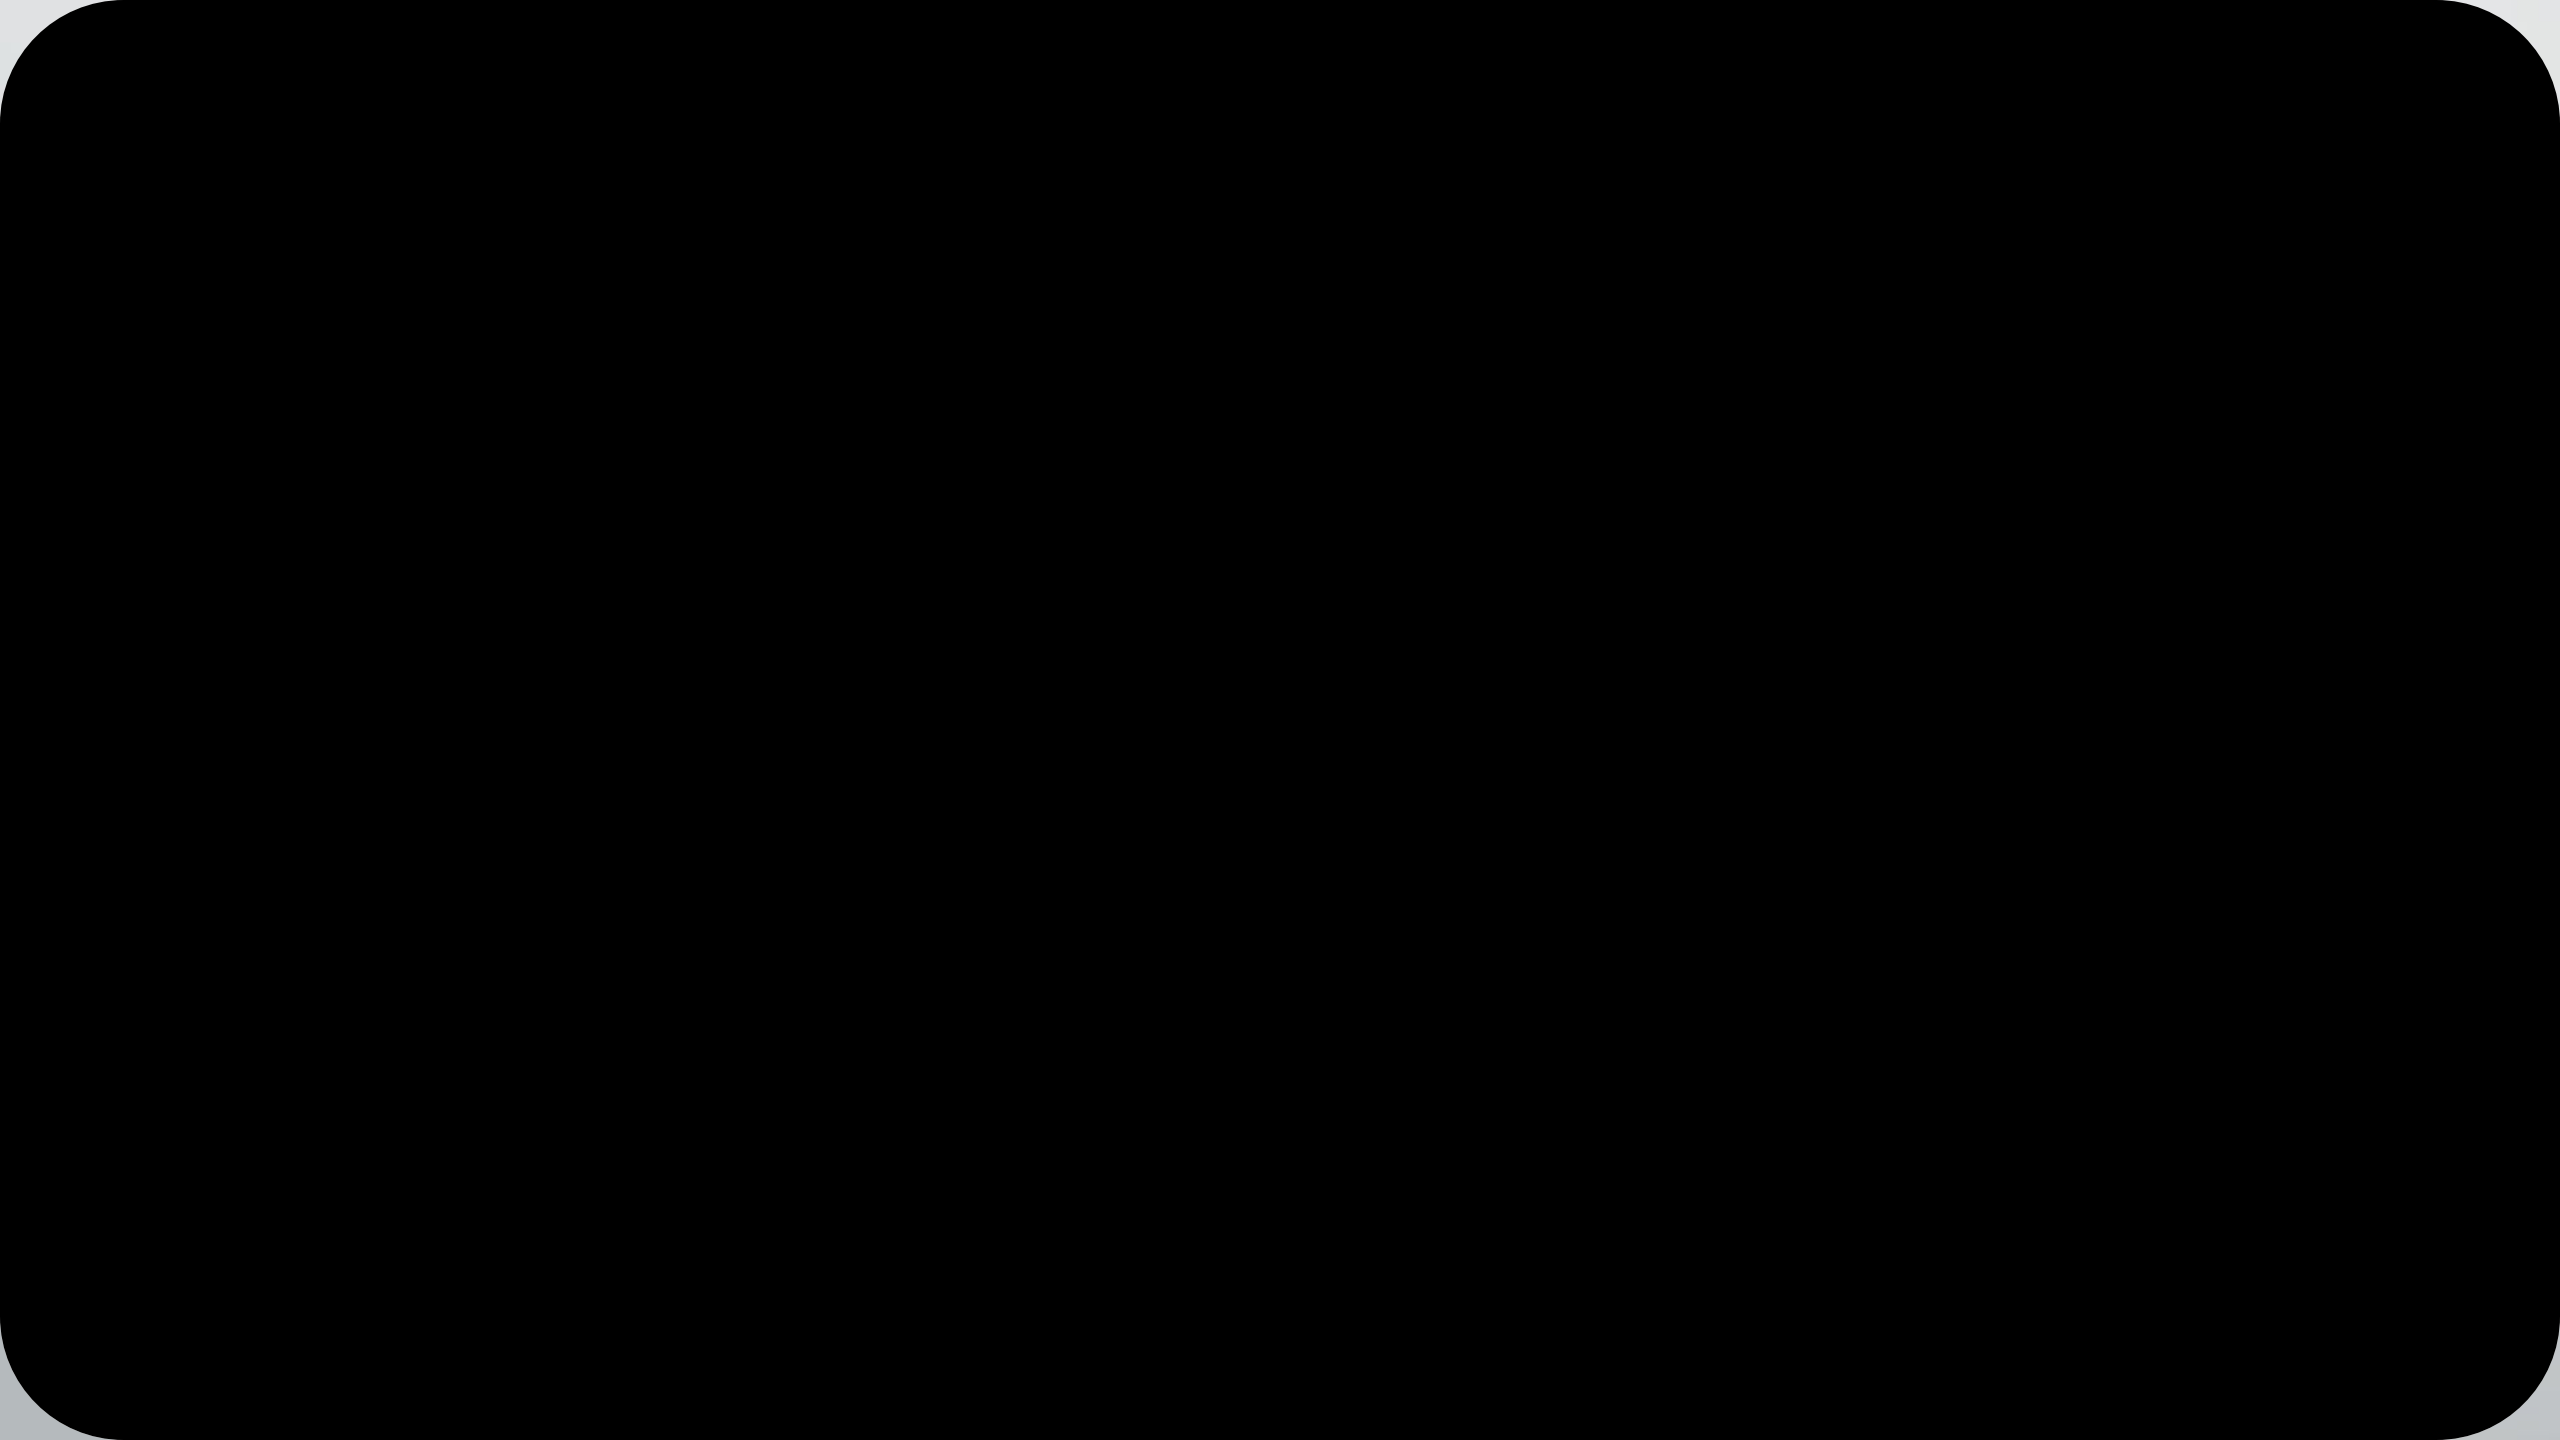

# ***My native class!***

***What can tell the word the Fifth B?!***

***For some nothing, but for me a lot!***

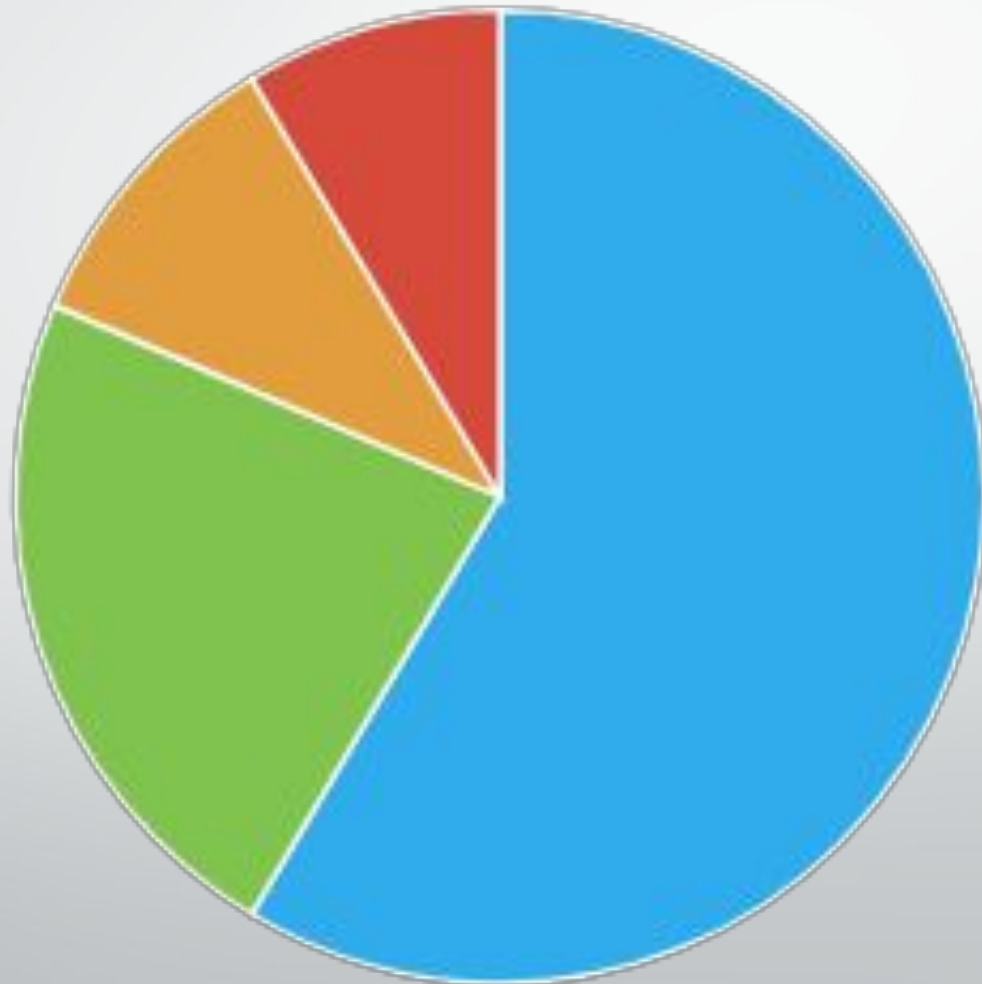

**Something went wrong!..**

Now many will ask: what is this presentation without photos and videos???!!!!

# How to pass our days in school!

The percent of the day

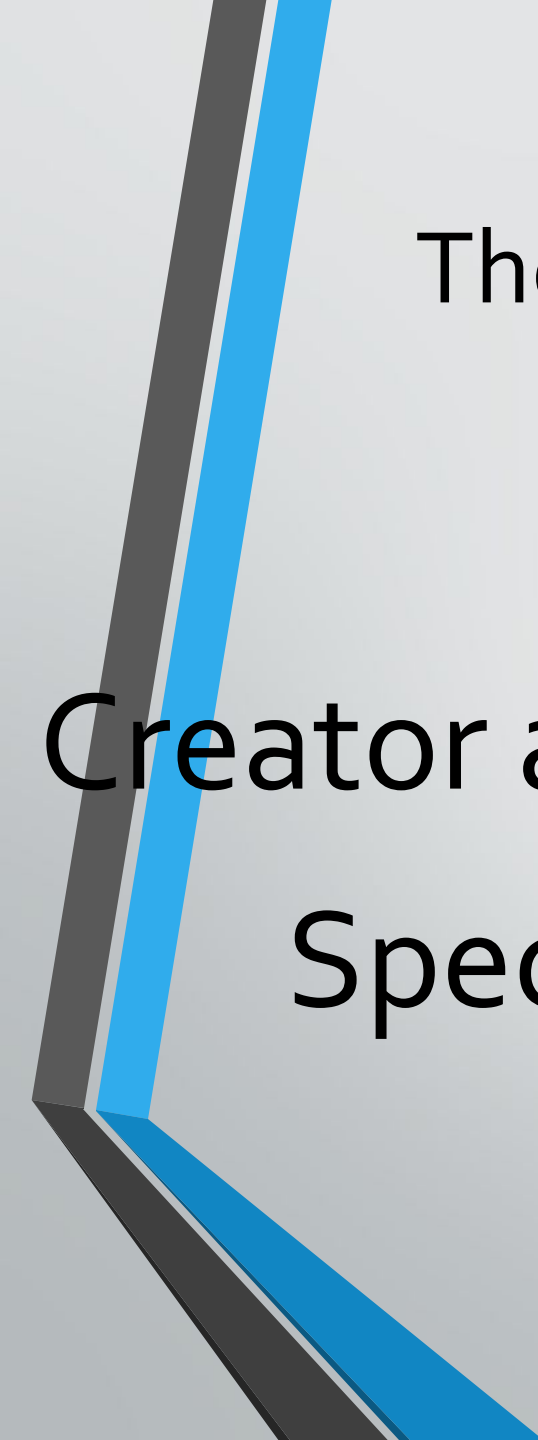

■ Training sessions ■ Our exciting changes! ■ Small and large problems ■ The rest...

# Physical Education

## *Sport-it is life!*

*Sport is one of the most important facets of life. That's why they say "No sports, no life"!*

*Of course... I guess many will say "My favorite subject Physical culture!" What lesson can still be a good move?!*

The presentation was prepared PowerPoint  
2016
