Nessie / Kraken / Bigfoot

Many stories depict the Kraken as a type of octopus. The Kraken is a mythological sea monster from Norway who features in legends from other Scandinavian countries as well.

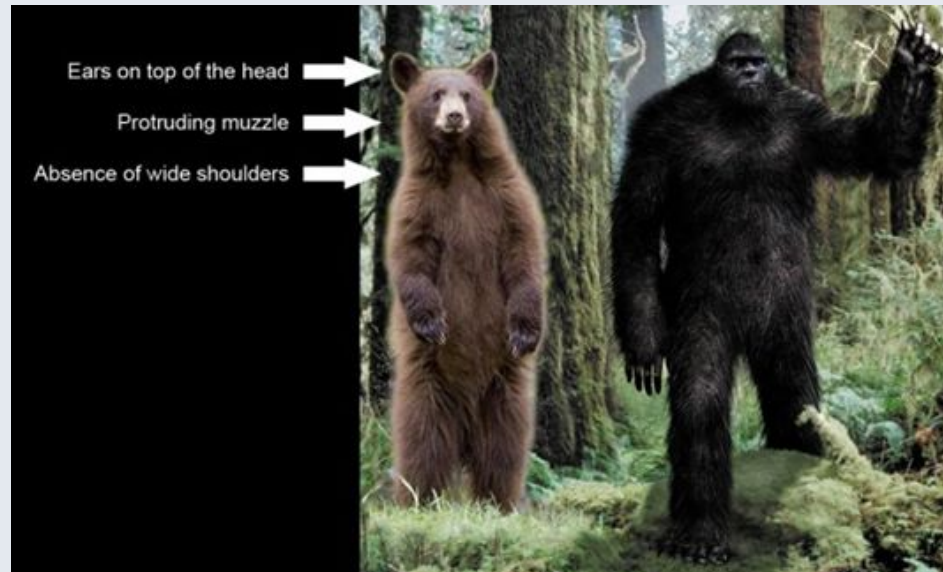

The term Nessie is used to describe a large aquatic Creature that resembles a serpent. This creature is mostly found in Scotland and it is also known as Loch Ness monster.

Bigfoot is a popular myth who likes to eat human flesh and is said to be descended from a little boy who stayed in the woods and became a monster. However there are different Bigfoots. The Alaskan Bigfoot is called the yeti and hides in the Alaskan mountains. The Latin Bigfoot is called Acupacabra and eats other animals. a myth related to Bigfoot is called Sasquatch.
