England is a country and administrative division of the United Kingdom of Great Britain and Northern Ireland. It is located on the territory of the island of Great Britain, occupying its southern and central part. England has land borders with Scotland (to the North) and Wales (to the West). The country also has maritime borders with Ireland (island and state) and France. England (unlike other administrative and political parts of the United Kingdom) does not have its own Parliament and government, subject to the relevant legislative and executive bodies of Great Britain.

Castles in England

England is one of the most visited countries in the world, which has a great history, beautiful cities and rich cultural traditions. This part of Britain is famous for its many excellent historical sites, from ancient megaliths and ancient Roman structures to medieval villages and ancient castles. England is a beautiful natural landscape and an exciting sea coast, an atmospheric province and a dynamic life of megacities. This stunning country has a very authentic atmosphere and way of life.

Queen Elizabeth II of England

- Elizabeth II is the reigning Queen of Great Britain from the Windsor dynasty. On the throne from February 1952 to the present. In addition, she holds the position of head of the Anglican Church and Supreme Commander of the Armed Forces of the country.

Elizabeth II as a young woman

No one taught her to be a Queen. Her father left very early and suddenly, so Elizabeth had to learn the basics of government herself, and do it quickly, so as not to look ridiculous in the eyes of her compatriots. The young Queen had to grow up to the status that she was now given. The English throne was her destiny, which she simply had to accept without murmuring or objecting. Elizabeth got a job for life, and for almost seven decades she has ruled the country, breaking all imaginable and unimaginable records. Elizabeth II has become the longest-serving monarch in power, and is also the oldest monarch in the United Kingdom and the oldest reigning monarch in the world. She is confidently approaching her centenary, but at the same time manages to keep her finger on the pulse not only in her country and family, but also in world politics. Despite such a venerable age, the Queen is still excellent in the saddle and loves to ride
