Текст к презентации

Today I want to tell about myself. My name is Danil. I'm 18. I'm from Ulyanovks. That town is beautiful. When I was in school, I started to learn how to solve Rubik's Cube. Today this is my hobby. Another interesting is music. From an early age I wanted to go to Kazan Aviation Institute. My main objective is successfully to graduate from the Institute and to become a good specialist. That's all what I want to tell about myself.
