- Studying in the UK

A student at King's School tells us what she likes about her English course.

My name's Carmen Garcia and I am a student at King's School, which is a language school in Glasgow. I'm Spanish, from Madrid, but my mother is French. She's a teacher in Madrid. The students at King's School are from many different countries. I'm in a class which has students from Japan, Mexico, Germany, and Italy.

It's really interesting to meet so many different people. The director of the school is British, but my teacher is American. She's from New York and her name's Helen. She's very nice and she's an excellent teacher. Her classes are always great fun. Jose and Karl are probably my best friends in the class. Jose is from Mexico and Karl is from Berlin, in Germany. We always speak English together because that's the best way to learn.

- **. How people live**
- As part of our weekly series, we asked Jane Hancock and Tim Greenwood to tell us about their lives.
- Jane Hancock is a hard-working teacher in Sheffield. She gets up at half past six every morning and has breakfast. Then she makes her sandwiches and gets ready for work. Jane usually walks to work because she thinks it's important to take exercise every day. She sometimes walks home again in the evening, but more often gets the bus. Jane has dinner at seven o'clock and goes to bed early. She doesn't go out during the week, but she often goes out with friends at the weekend. Jane makes sure that she eats five portions of fruit and vegetables every day and fish twice a week. She hardly ever eats meat and she doesn't smoke. For more exercise, Jane goes to the gym three times a week. She's very healthy and is hardly ever ill.
- Tim lives by the sea in Cardiff. He's a journalist for a local newspaper. He usually gets up at eight o'clock, has a quick shower and then drives to work. Tim doesn't have time for breakfast, but sometimes has a sandwich in the middle of the morning. At lunchtime, he usually has a burger. He buys it from the fast food restaurant across the road and then eats at his desk. Tim works long hours and often stays late in the evening.
- On those days, he goes to a restaurant with people from work. They usually have quite a lot of wine with their meal and they all smoke. Tim doesn't eat fruit and he doesn't like many vegetables. He plays football once a month, but he isn't very healthy.

She likes acting in films, but she can also sing and dance brilliantly and she currently has a leading part in a French musical. She can also play the piano very well. In her spare time, Sally likes to relax at home by watching romantic films. She has no plans to return to Britain.
- Tom Hammond is from Glasgow, but he lives in New York. He's 18 and he's a music student. Tom can play the piano and the guitar very well. He also writes songs with his friend John. Tom writes the music and John writes the lyrics. When they're happy with a new song, they usually perform it to students at the college. They love to have an audience and would really like to be in a band. When he isn't composing, Tom downloads his favorite music from the Internet.
- Hannah Brown is a writer. She's from Manchester, but she lives in Italy. Hannah is 25 and likes writing romantic novels. TEXT 5

- **Saturday 18 July**
- We left home early in the morning, but our flight was delayed and we didn't arrive at Heathrow until late in the afternoon. We were really tired, but we took a bus to our hotel because taxis in London are very expensive. When we got to the hotel, we had a rest and then went out to explore the city. We had a quick sandwich in a small cafe and then headed for Oxford Street. I bought a jacket and some T-shirts. I wanted to buy a bag as well, but I couldn't find one that I liked. In the evening, we ate in an Italian restaurant and went to a typical English pub in Covent Garden. We met some really nice English people and had so much fun that we didn't get back to the hotel until very late!
- **Sunday 19 July.**
- We got up late and had breakfast in a cafe. I had a full English breakfast, and then I had some fruit. Anna just had toast. After breakfast, we went for a walk around the city. We saw Nelson's Column in Trafalgar Square, Buckingham Palace, and St Paul's Cathedral. In the afternoon, we had a pizza and then took a bus to the train station. Travelling by bus in London is a great way to see the sights. We caught an evening train to Stratford-upon-Avon and arrived at about nine o'clock. We went to our hotel and had an early night. We wanted to get up early the next day and explore Shakespeare's birthplace.
