WONDER WHEELS

TWO
GREAT NEW
LOOMS
FOR GREAT
NEW
PROJECTS

These circular looms make it easier than ever to create beautiful crafts—and we've made it super easy for you to get started because they're right here ready to use! How do they work? It's simple—just wrap your material back and forth across the loom in figure eights to form lovely flower-like circles. Then you use these circles to make everything from the gorgeous **sweater** here to simple dress-ups for plain towels. Design possibilities are unlimited—you can work with anything from gold braid to chenille. Plus, we give you two loom sizes to work with. Turn the page for more fabulous ways with our wonder wheels. Then see our easy-to-follow how-to's, page 128. By LILIAN KYRKOS

In the Baroque Hotel for Women, where many models live, she didn't have energy to do anything but (middle picture) have a look.

And while the pretty young girl did their leading man's Gilda picture, Rita leaned on wall, and she had had strong
