

# Спллав по реке Шаква

21 – 22 сентября 2019

г.

Начало маршрута: дер.

Карнаухово

Конец маршрута: дер.

Комарово

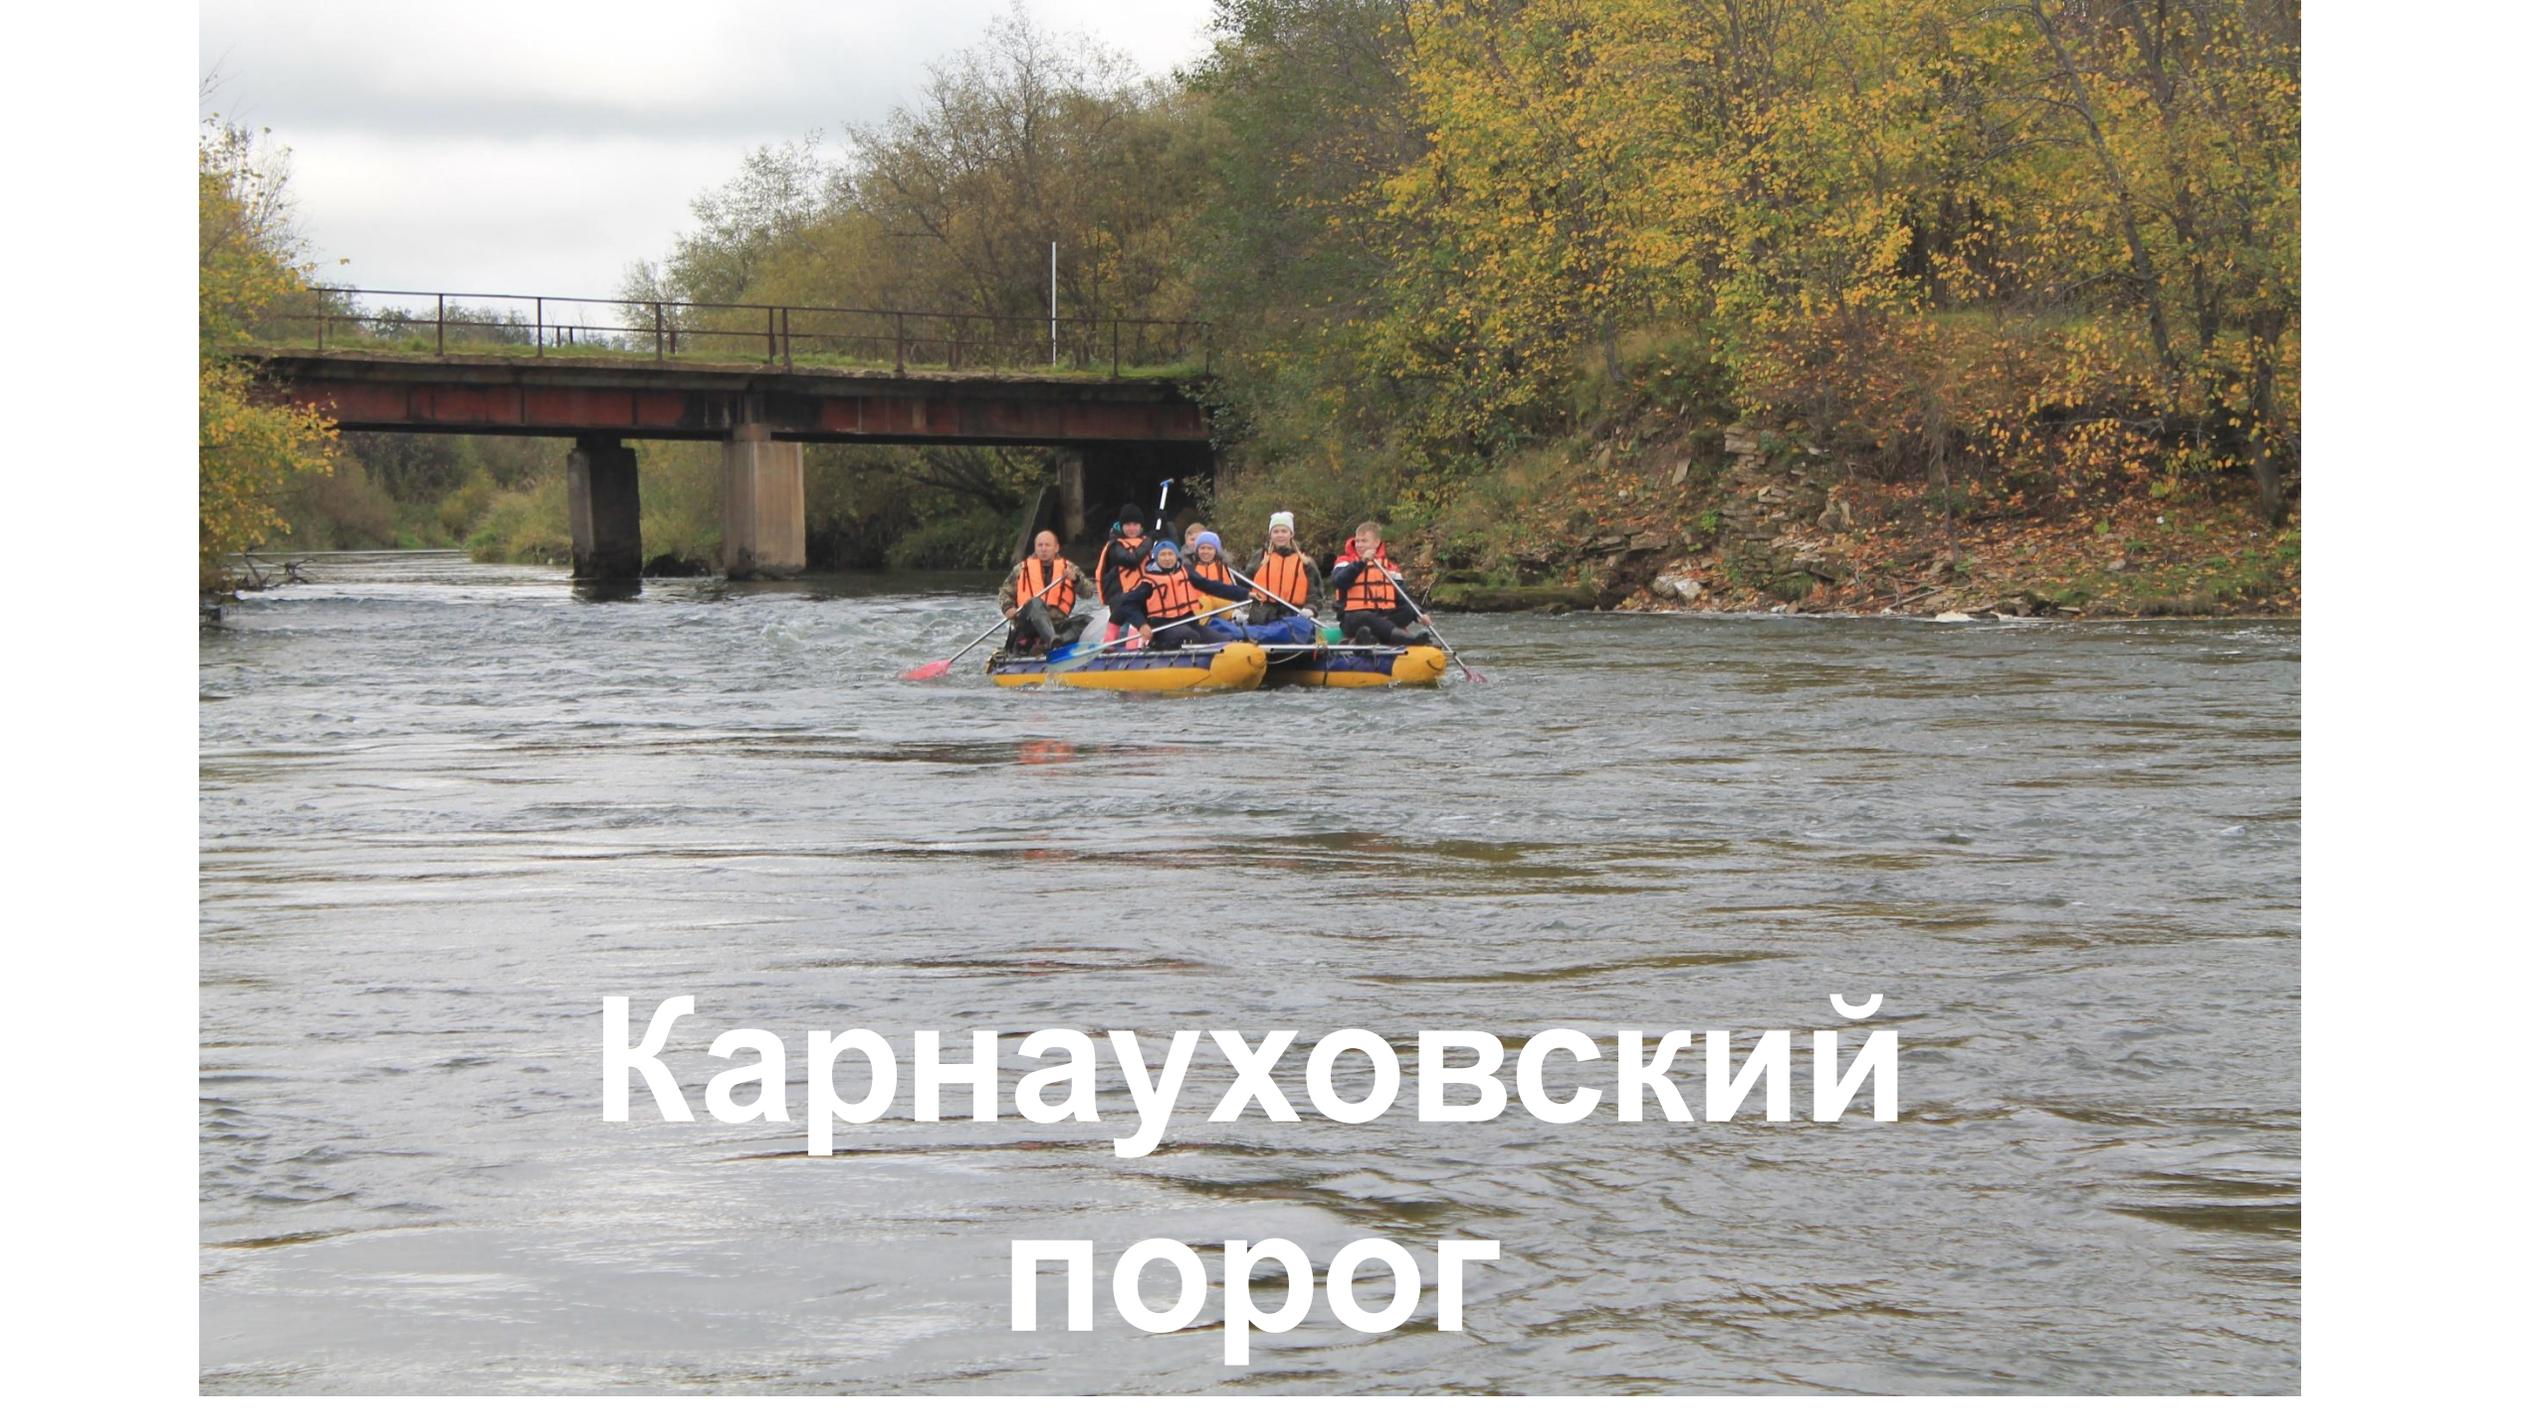

Протяженность 13

Цель: выполнение

геологического

задания

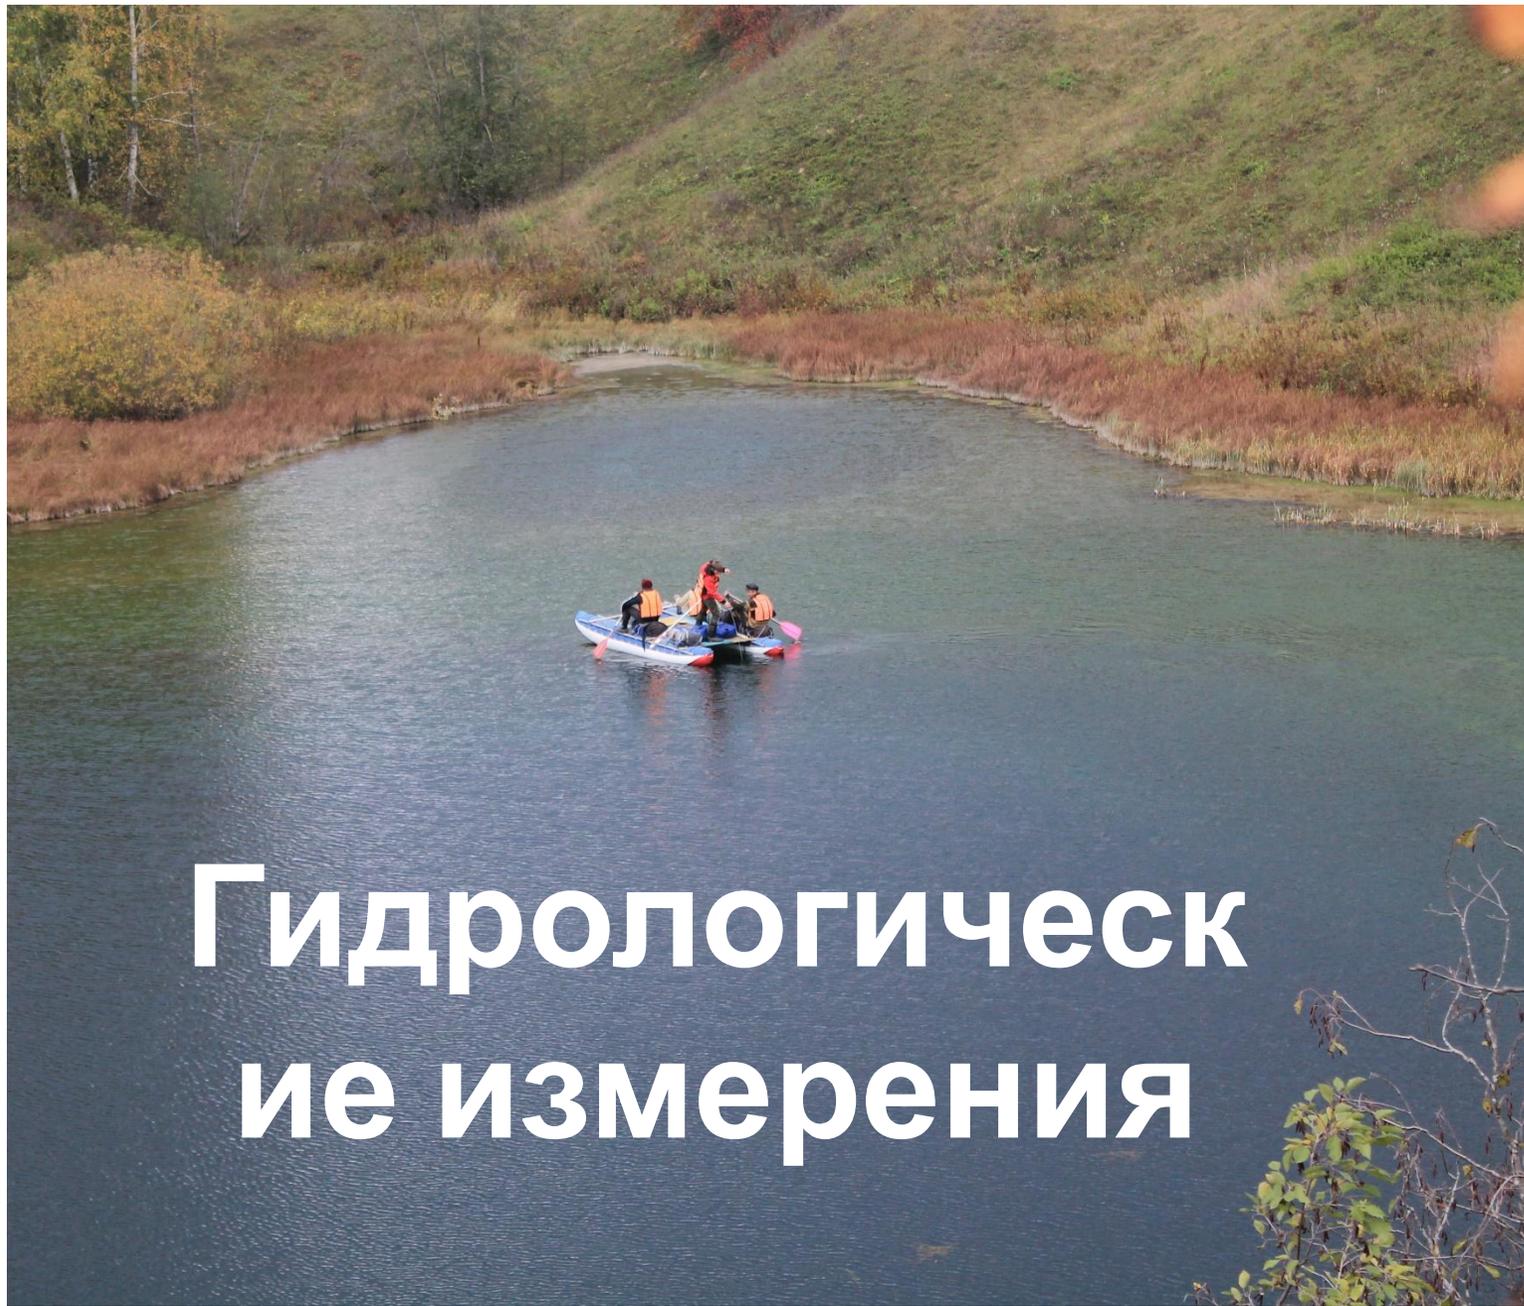

A group of seven people are in a yellow inflatable raft on a river, navigating a rapids section. They are wearing orange life jackets and are positioned under a concrete bridge with a metal railing. The river is turbulent with white water. The surrounding area is lush with trees showing autumn foliage in shades of yellow and green. The sky is overcast.

# Описание геологическо го объекта

A scenic landscape featuring a calm river in the foreground, reflecting the sky and surrounding vegetation. The river is bordered by lush green grasses and reeds. In the background, rolling hills are covered with trees in vibrant autumn colors, including yellows, oranges, and reds. The sky is a clear, deep blue. The overall atmosphere is peaceful and serene.
