A sequence of four icons on a green background: a yellow play button, a grey robot head with a circular arrow, a grey robot head with a hand cursor, and a grey robot head with an hourglass. Below the hand cursor icon is a blue-bordered box containing the number 8. Below the hourglass icon is a blue-bordered box containing the number 2.

A sequence of two icons on a green background: a yellow play button and a grey robot head with a large white 'X' over it.

123

Row 1: A sequence of 8 icons. The first icon is a yellow square with a grey 'A' key. The remaining seven icons are green squares, each containing a grey computer mouse. The second mouse has a white arrow pointing down. The third mouse has a white circular arrow. The fourth mouse has a white hourglass. The fifth icon is a red square with a white musical note. The sixth mouse has a white circular arrow. The seventh mouse has a white hourglass. The eighth mouse has a white 'X'. Below the second mouse is a blue box with the number '1'. Below the fourth mouse is a blue box with the number '2'. Below the fifth icon is a blue box with the number '1'. Below the seventh mouse is a blue box with a white die showing 5, 3, and 2.

Row 2: A sequence of 8 icons. The first icon is a yellow square with a grey 'A' key. The remaining seven icons are green squares, each containing a grey computer mouse. The second mouse has a white arrow pointing down. The third mouse has a white circular arrow. The fourth mouse has a white hourglass. The fifth icon is a red square with a white musical note. The sixth mouse has a white circular arrow. The seventh mouse has a white hourglass. The eighth mouse has a white 'X'. Below the second mouse is a blue box with the number '1'. Below the fourth mouse is a blue box with the number '3'. Below the fifth icon is a blue box with the number '4'. Below the seventh mouse is a blue box with a white die showing 5, 3, and 2.

**Разбираем конструктор,
аккуратно укладываем
детали в ячейки, проверяем
все ли детали на месте.**

До новых встреч!
