# England

**It is a small country. It is the biggest part of the UK.**

**Its capital is London.**

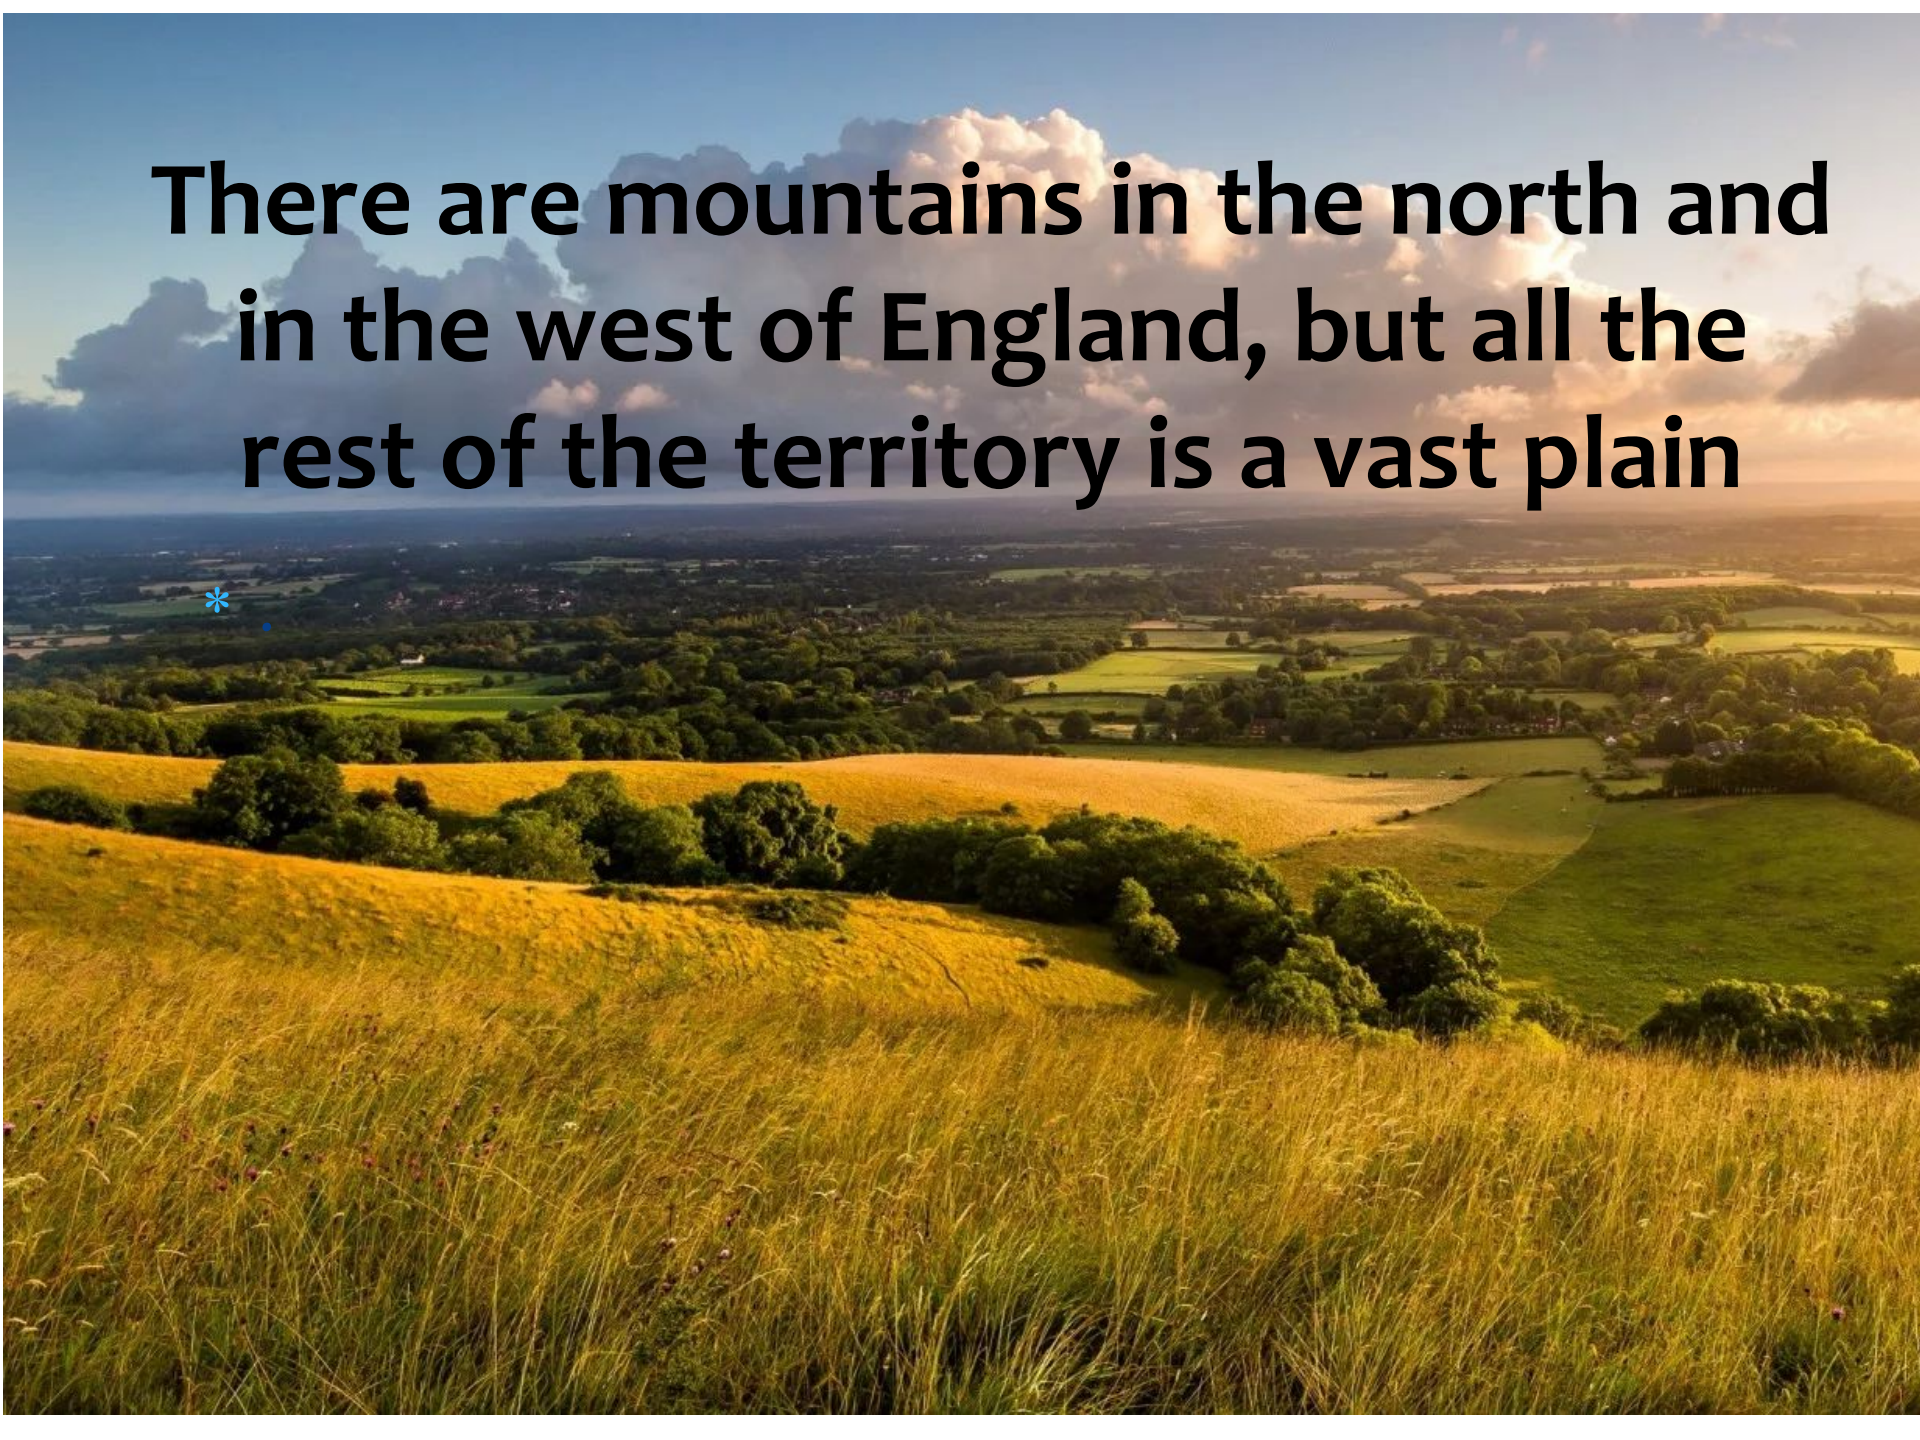

**England is in the southern and central part of Great Britain. England is the richest and most populated part in the UK. In the northwestern part of England there are many beautiful lakes. This part of the country is called Lake District.**

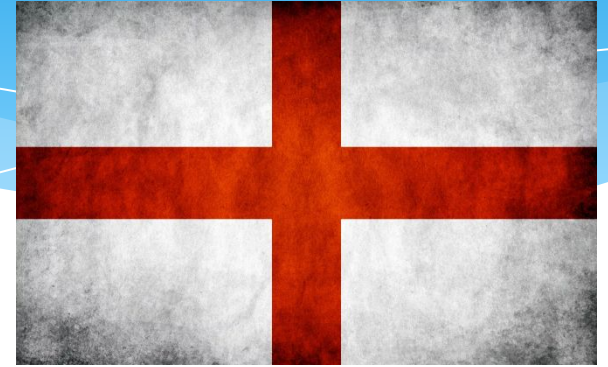

**There are mountains in the north and in the west of England, but all the rest of the territory is a vast plain**

# Flag and Emblem

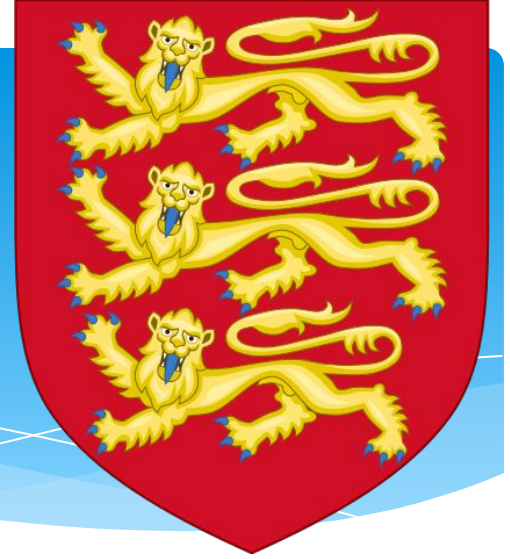

**England**

The flag of England is a white rectangle with a red cross separating it into four equal parts. The meanings of the colors on the flag of England are: white for peace, and red for bravery and hardiness.

The English rose is a traditional emblem of England and it takes its name and origins from the Tudor dynasty. It is often called the Tudor rose and was adopted as a national emblem of England around the time of the Wars of the Roses.

# Flag and Emblem

- \* The English Coat of Arms (Three Lions)
- \* The arms of England are gules, three lions passant guardant or.
- \* England - Three LionsThe earliest surviving record of their use was by Richard I (Richard the Lionheart) in the late twelfth century.
- \* Since union with Scotland and Northern Ireland, the arms of England are no longer used on their own.
- \* Instead they form a part of the conjoined Royal coat of arms of the United Kingdom.

# London

It is one of the most popular and famous city of the country. London is the capital of Great Britain. It is an ancient city, it grew up around the first point where Roman invaders found the Thames narrow enough to build a bridge. Nowadays it is the cradle of British traditions and culture.

Over 8 million people live in London. It is one of the most famous capital cities of the world, and every year it attracts crowds of visitors from home and abroad. They come to explore its historic buildings, to see its museums and galleries, its streets and parks, and its people.

Look at the map of London.

- \* London consists of three parts: the rich West End, the poor East End and the City – its financial centre. The biggest department stores, offices and banks can be found there. The City and the West End are the heart of the capital. London is full of parks and green spaces. Hyde Park is the largest park in London, which is famous for its Speaker's Corner. I'd like to tell you about films and books in this wonderful city.

# Books and films

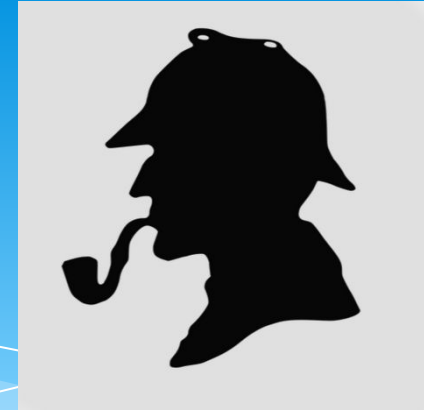

There are many books and films, that were made in London or about this magnificent city.

Harry Potter was there, Sherlock Homes «lives» in that wonderful city.

# Sherlock Homes

I think that books and films about Sherlock Holmes are the best and the most interesting.

Arthur Conan Doyle created one of the world's most famous characters, Sherlock Holmes.

The character of Sherlock Holmes first appeared in a story, "A Study in Scarlet."

# The famous films

The character of Sherlock Holmes, of course, lives on, and appears in films right down to the present day.

Sherlock Holmes is one of the most popular fictional characters in history: movies, TV series and animated films shoot about this hero almost every year around the world.

Sherlock (TV series)

A still from a film showing a man in a dark suit and white shirt sitting in a green upholstered chair. He is holding a pipe in his right hand and looking thoughtfully to the right. The background is dark and appears to be an interior setting with a window.

They say 3 films are the best.

Between 1979 and 1986, Russia's Lenfilm Studios produced a series of television films based on the adventures of Sherlock Holmes. Directed by Igor Maslennikov, it was the most popular series in the history of Soviet television, and starred Vasily Livanov. Many consider Livanov's Holmes to be one of the finest interpretations of Conan Doyle's eccentric hero.

# Sherlock Holmes (English Version)

Sherlock is a crime drama television series based on Sir Arthur Conan Doyle's Sherlock Holmes detective stories.

It stars Benedict Cumberbatch as Sherlock Holmes and Martin Freeman as Doctor John Watson.

The film is a good fun. It leaves a deep impression.

It is a real hit with a public. It is new and modern.

A TIME FOR FRIENDS, FAMILY  
AND THOSE YOU MISS THE MOST

# Sherlock (TV series)

A promotional photograph for the TV series 'Sherlock'. It features the two main characters, Sherlock Holmes and John Watson, standing in front of a dark green door with the number '221B' in gold. Sherlock is on the right, wearing a dark blue textured coat and a blue scarf. John is on the left, wearing a dark blue jacket over a checkered shirt. The background shows a stone wall and a black metal fence.

The series is primarily filmed in Cardiff with North Gower Street in London used for exterior shots of Holmes and Watson's 221B Baker Street residence. Thirteen episodes have been produced from 2010 to 2017.

# American Version of Sherlock

Sherlock is a British-American period action mystery film directed by Guy Ritchie. It was commercially successful.

Sherlock is young and very active. It was based on the stories about Sherlock. Its actors are Robert Downey and Jude Law.

ROBERT DOWNEY JR.

JUDE LAW

**SHERLOCK HOLMES**

A GAME OF SHADOWS
