# "I'm looking for a raincoat"

- Miss, I'm looking for a raincoat
- Not too short, not too long
- And not too expensive,
- Under 50 dollars.
- -Here is one, try it on.
- -How much is this coat I'm wearing?
- -49.99.
- -How much is the raincoat in the central window?
- -89.99.
- -Now I'm looking for a sweater
- Made of wool and dark green.
- How much is the sweater in the central window?
- -It's on sale for 18.
- -Well, I'd like to buy this raincoat
- And that green sweater too.
- Havens, where's my wallet?
- It was in my pocket!
- Just my luck!
- Now I'm stuck.
- -Now I'm looking for my wallet.
- It was small and dark brown.
- I can't find my wallet.
- It was in my pocket.
- Oh, my god, who is this thief?
