

day in, day out

*Mr. Quill, you work
like a dog day in, day
out*

fall into a trap

We must not fall into the trap of responding to terrorist attacks.

get smth off your chest

I had spent two months worrying about it and I was glad to get it off my chest.

get your priorities right

People don't have money problems, they have priority problems. When you get your priorities right your money will get right.

hold your tongue

In the future, if you have anything to say to me, you will hold your tongue and speak to me privately.

land a job

There was no chance for me to land a job locally, having no college education to speak of.

make fun of

Do you think it's nice to make fun of a person's illness?

spring in your step

There's been a definite spring in his step ever since he met Joanna.

take a leap into the unknown

You must be a very brave girl to take the leap into unknown and change your life completely.

the bare essentials

Cut spending to only the bare essentials - water and bread.

work around the clock

He works around the clock to feed a family during this difficult period in our country.
