

MY DREAM HOME

MARKIN ROMAN

VORONEZH STATE UNIVERSITY

FACULTY OF APPLIED MATHEMATICS AND MECHANICS

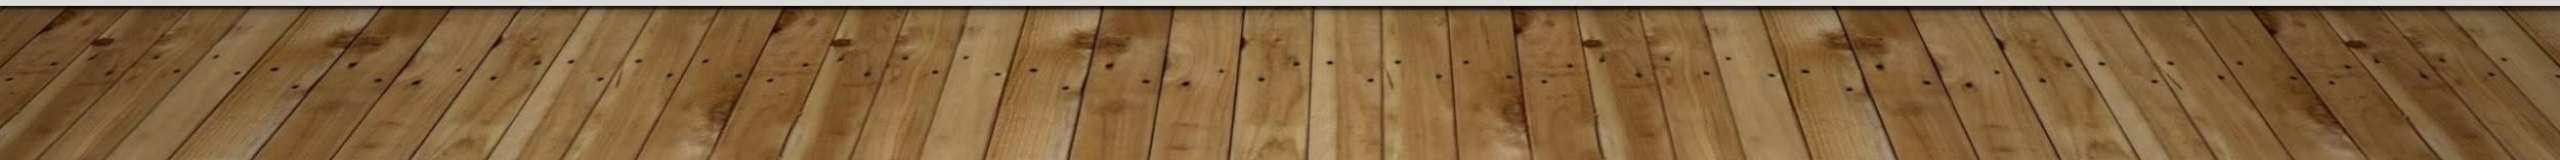

THE HOUSE OF MY DREAMS IS A PRIVATE TWO-STOREY HOUSE, WITH A COURTYARD SURROUNDED BY A FENCE AND A SMALL GARDEN. THERE SHOULD ALSO BE A GARAGE.

THE HOUSE SHOULD HAVE A KITCHEN, BATHROOM, LIVING ROOM, HALLWAY, BEDROOM AND STUDY

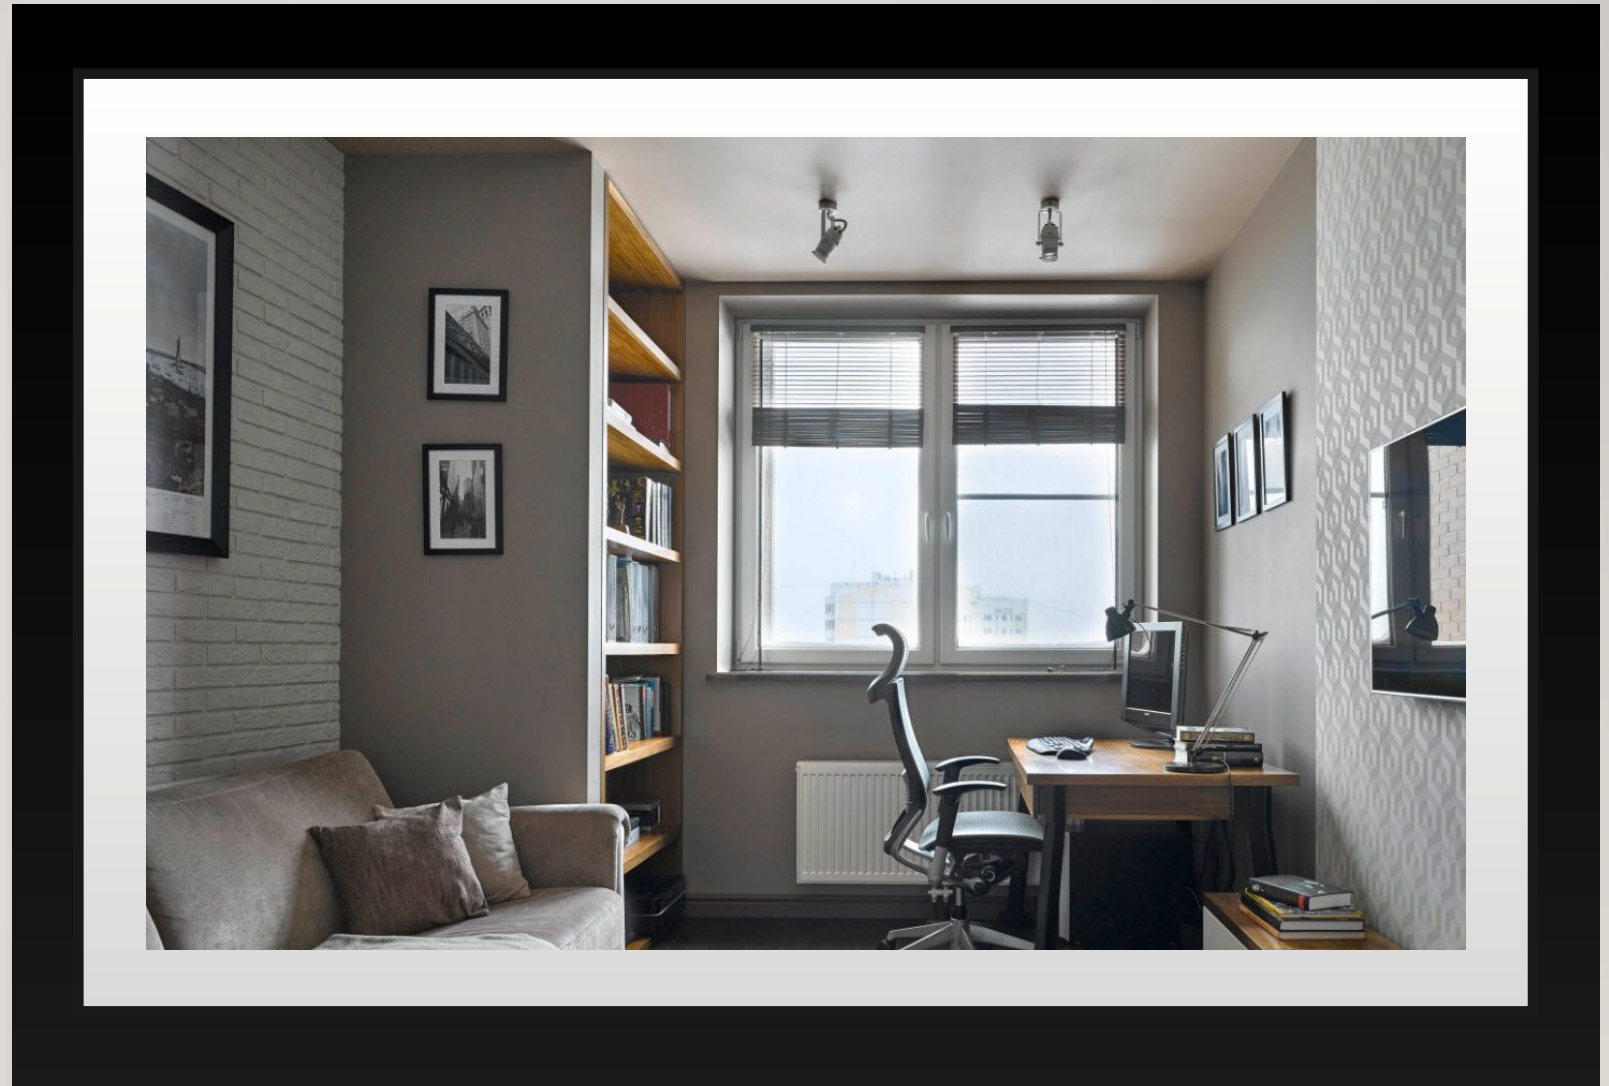

THE LIVING ROOM SHOULD HAVE FOUR ARMCHAIRS, A SOFA, A TV, AND A STEREO SYSTEM. ALSO IN THE LIVING ROOM SHOULD BE A FIREPLACE.

THE KITCHEN SHOULD HAVE ALL THE NECESSARY EQUIPMENT: GAS STOVE, REFRIGERATOR, SINK, ETC.

THE STUDY SHOULD BE LOCATED ON THE SECOND FLOOR. IN MY STUDY I WOULD LIKE TO HAVE A DESK WITH LOTS OF DRAWERS AND A COMFORTABLE CHAIR. ON THE WALLS THERE WILL BE SHELVES FOR BOOKS AND SOUVENIRS. THERE SHOULD ALSO BE A SMALL SOFA AND TV SO I CAN RELAX AND PLAY VIDEO GAMES.

THANKS FOR YOUR ATTENTION
