# Письмо Джона John's Letter

1.

Dear Kate,

Thanks for your letter! It was great to hear from you again! Sorry I haven't answered earlier but I had to do a lot of homework. Hope you finished your school project!

As for me, I'm planning my summer holidays at the moment and I'm tired because it's very difficult. I'm going to visit my grandma in the countryside at the beginning of July. I love the countryside, but I will be very bored there. Luckily, in the middle of July we're going to travel around Europe, we have already bought the airline tickets. It's amazing! But I still don't know what to do in August. Probably, I will spend some time in a summer camp with my friends.

What are you going to do in June? Where are you going to stay in July? Are you going to travel in August?

Actually, I have to go now, my sister asked me to help her with the homework. Take care and write back soon!

Best wishes,

John
