SPECIFICS OF RUSSIAN LOGISTIC

Logistics Solution for Global e-Commerce

There are 2 main challenges for global e-commerce players:

CUSTOMS and **LAST MILE**.

CDEK provides comprehensive solutions for **both**.

Global logistics network

- ✓ Established gateways in all key world markets
- ✓ Unified technological and IT standards for all points of entry
- ✓ Unified and convenient operational activities for entering Russian market
- ✓ Standardized solution for buyer-seller documents and import customs clearance

CDEK has a fully operating global logistics network for worldwide sellers to Russia

Customs clearance: Scope

✓ Unlimited Capacities:

- Customs clearance in all three MOW airports (SVO, VKO, DME)
- Unified procedures – all parcels are transferred to the CC hub and cleared under one simplified procedure

✓ Unique Know-Hows:

- Unique customs clearance solution for duty-free parcels ($> 1 < 1000$ euro)

✓ Simplified Requirements:

- Duty-free parcels: data file, national ID number, terms&conditions acceptance, proforma-invoice, and MAWB/CMR

✓ Fact sheet: monthly limits

- Duty-free – from 1 to 1000 euro and below 31 kg – no duties and taxes
- Above 1000 euro and/ or 31 kg – duties and taxes will be applied
