

A warm and inviting Christmas scene. On the left, a tall Christmas tree is densely decorated with multi-colored lights and ornaments. In the center, a white fireplace mantel is adorned with a garland of lights, stockings, and stars. Below the mantel, a row of lit red and yellow candles sits on a white fur rug. To the right, a patterned blanket is draped over a chair. The background features light-colored curtains and a round clock with a floral wreath hanging above the mantel.
