

Rabbit

Rabbit

Mammal  
group

Rabbits live  
in the forest

Or they can live  
in people's houses

1. Rabbits have fur all over their bodies

2. Fur helps  
to keep  
their bodies  
warm

3. Rabbits have  
long ears

4. Ears help them  
hear very well

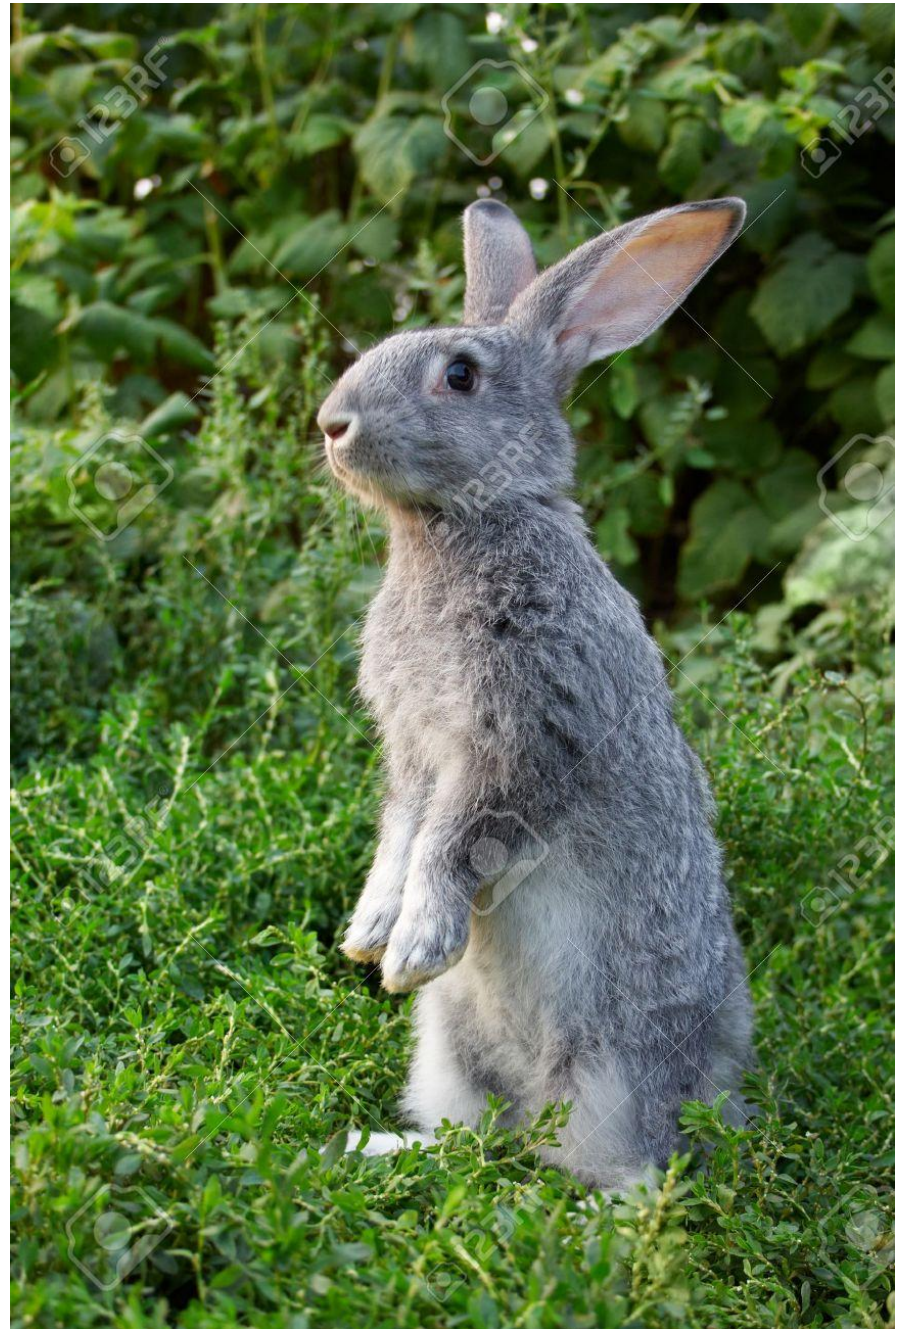

Rabbits eat leaves and grass

Rabbits can hop

They have  
strong legs

Baby rabbits drink  
milk from their mothers

Rabbits are  
very gentle
