- ▶ Germany is a country of magnificent castles. They are a great many, and many of them are among the most beautiful in the world.

A photograph of a narrow, cobblestone street in a historic town during winter. The street is covered in snow. On the left, there are several multi-story buildings, some with half-timbered facades. In the center, a tall, white tower with a clock face stands prominently. To the right, more half-timbered houses are visible, some with decorative window displays. The sky is a pale, overcast blue. The overall atmosphere is quiet and picturesque.
