

Welcome to my town

Kanev

Kanev - a city of regional submission, the regional center Kanev district of Cherkasy region. The city is located on the right bank of the Dnieper River.

Interesting places in Kanev

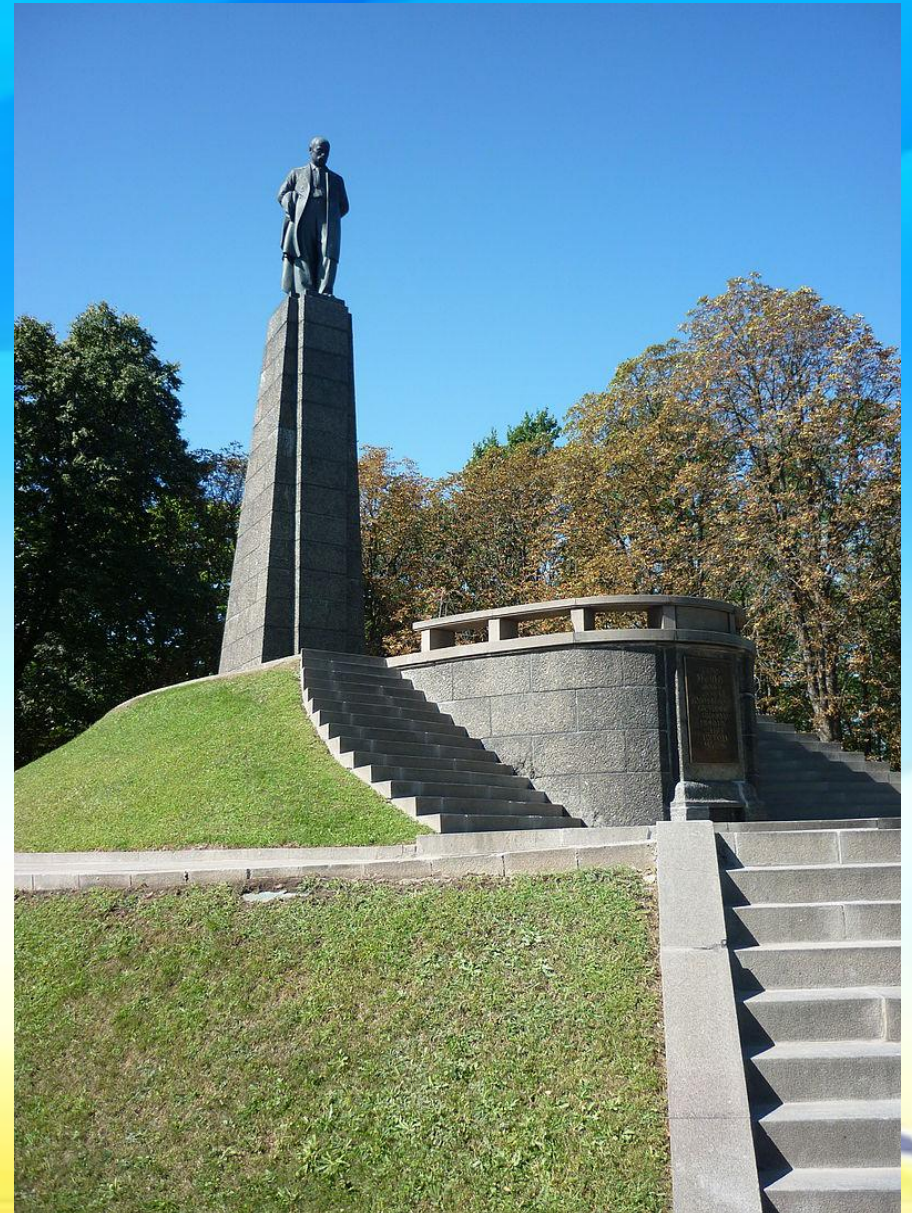

Kanev Museum of Decorative Folk Art

The museum features three things of central regions Ukraine: Cherkasy, Kyiv and Poltava. Funds comprises about 5,000 exhibits. The most valuable exhibits: clothes, carpets, towels, textiles, folk painting, art glass.

Chernecha Hill

Tarasova mountain or Chernecha Hill - the mountain in Kanev, part of the Shevchenko National Reserve "Tarasova Gora", the burial place of Ukrainian poet Taras Shevchenko. On the mountain is perfectly visible mighty Dnieper.

Motofestyval

Since 2003, in Kanev passes International motofestyval "Tarasova Gora".

Apart Ukrainian, in Kanev came bikers from Belarus, Moldova,

Russia, Lithuania, Latvia, Germany, Poland, Slovakia,

Kazakhstan, Switzerland, Norway and the United Arab Emirates

Shevchenko Museum

Museum of the territory Shevchenko National Reserve, built in 1939.

Museum collection includes more than 20,000 unique attractions, including etchings Shevchenko, rare editions of his works, attractions, including etchings Shevchenko, rare editions of his works, highly artistic works of Ukrainian and foreign artists, masterpieces of folk art, valuable archival documents, photographs and film footage.

Uspensky cathedral - cathedral in the Kanev, built in 1144 by Prince Vsevolod II.

Cathedral relatively well preserved all the features of the old architecture.

just great pictures of the
city...

Thank you for watching!
