Who are we?

International Union «InterKent»

We have formed in 2016, based on existing foreign association in Spain, Tenerife.

We are same minded group of people, with the same goals and interests.

We want peace and confidence around us.

We refuse to depend on economical crisis, financial debt, abuse of employer, unstable job market, government sanctions.

We want to travel and develop business skills. Make an impact on peoples life to make it better. Develop culture, sports, and medicine, and for that we need same-minded people and resources.

All valid domains belonging to «InterKent» union, found in **CONTACTS**.

Our motto«InterKent» - **for everyone!**

For who and why?

Active person communication and development, support and exchange of experience.

By joining forces, resources, capabilities and experience.

We are going to create something new. To Influence different processes development. Change the time of our lives and the community for the better.

We really aiming to be a socially useful.

We are going to implement a model of mutual benefit and support today using available resources - money, time, online, potential, talent and ambition

So only together - we minimize the impact of the crisis, the negative political, social and other conditions for each person that entered into our community.

What we are interested in

Science

Creation

Charity

Internet

New technologies

Ecology

Travel

Financial freedom

Creation, investment and attention to these processes will realize our goal of community.
