Whatever the weather is today
Will tell me what to wear if I go out to play
The temperature outside could be _____ or cold
Foggy, smoggy, freezy, breezy, _____ with a
storm

Do I need a coat?
Do I need some boots?
Do I need some _____ or a bathing suit?
I've got shorts and sweaters, earmuffs too
Goggles, _____, lots of hats,

Even have my Grandpa's spats

Spring

- Snow melts, nature awakens from its winter sleep, and the first flowers appear.
- As the weather is often changeable in this season, we offer you to mix different kinds of clothes.
- If it's a sunny but a bit chilly day, you can wear a light jacket or a trench coat, shoes, jeans and a shirt or a blouse.
- Long, colourful skirts are the most popular ones in the first warm days.
- The colours, we are sure to be in fashion, are bright green and blue.
- Follow our tips and you'll be an up-to-date person.

Summer

- School finishes, holidays start, days get longer.
- We can go on holidays, go to the beach, sunbathe, swim and eat ice-cream.
- Designers are so kind with us to make shorts very popular in this time of the year.
- Sometimes it's boiling hot and we can't think of anything but going to the sea.
- Multicoloured tops, mini-skirts and light dresses are must haves.
- But when men go to work they put on a suit, a shirt and a tie. Women put on a skirt and a blouse.

Autumn

- It gets colder, days get shorter.
- Indian summer comes, leaves have beautiful colours, and trees shed their leaves.
- It rains a lot, and school starts.
- To be fashionable wear a black coat and a woolen hat.
- Grey raincoats are this season's biggest trends, because the weather is rainy.
- Don't forget about a transparent umbrella to enjoy the rainy sky.

Winter

- The first frosts come.
- The roads are icy and slippery.
- Sometimes it's windy and freezing cold.
- But it's possible to be up-to-weather and fashionable at the same time.
- One thing that every girl needs in her wardrobe is a dark red or purple scarf.
- Put on high boots and a fur coat and you'll look as a magazine model.

Fashion Tips

Wear brightly coloured clothes this autumn. In a red hat, red scarf and orange boots you'll always be in a good mood. When the weather is rainy you can wear a dark blue raincoat and take a large umbrella with you. You'll look smart in a striped cardigan and nice jeans, too.

**We'll weather the weather,
Whatever the weather,
Whether we like it or not**

***Thank you for your
attention!***
