# Blue train

Slowly the minutes go far away,  
And you won't meet them any more.

---

Though "the past was better", one can often say  
Better life is future, not before

Faster a long the way  
Goes a blue train ahead  
Up to horizon spreads  
Railway like a cloth/  
We know for sure a day  
Will be happy again  
Soon it will come of course,  
Fast goes our train.

You may have offended someone nothing for,  
Calendar will hide that awful sheet.  
Wonderful adventures are for us on store,  
Dear driver, let's pick up the speed!
