A winter festival float featuring two brown teepees on a patterned rug. The background is a blue sky with snow-covered evergreen trees. Clusters of red, white, and blue balloons are placed around the float. A person in a blue hooded costume stands near the right teepee. A banner at the bottom reads "Деревни, С Днем Олене" in red Cyrillic letters. A person in a brown jacket and blue pants stands in the snow in the foreground. A pink and yellow inflatable object is visible in the top right corner.
