

**MOTHER'S DAY**

# THE NAME OF MY ANGEL

When is Mother's Day?

Mother's Day is celebrated by Americans on the second Sunday in May. Mothering Sunday in the UK is celebrated on the 4th Sunday of Lent.

M - O - T - H - E - R

"M" is for the million things she gave me,

"O" means only that she's growing old,

"T" is for the tears she shed to save me,

"H" is for her heart of purest gold;

"E" is for her eyes, with love-light shining,

"R" means right, and right she'll always be,

Put them all together, they spell

"MOTHER,"

A word that means the world to me.

People in the family try to help her.

On that day they visit their mothers and give them presents and "A Mother's Day Card"
