Three cartoon rabbits are running along a dirt path in a lush green field. They are all wearing white shirts, blue shorts, and black headbands. The rabbit in the foreground is the largest, followed by a medium-sized one in the middle, and a smaller one in the background. They are all smiling and appear to be in motion. The path is surrounded by tall green grass and dense green bushes. In the background, there are rolling green hills under a bright blue sky with scattered white clouds. A decorative banner with green leaves and yellow catkins hangs across the top of the scene.

The image features three cartoon rabbits, resembling the character Fyodor from the Russian children's show 'Korol i shuvaly', standing on a dirt path in a lush green field. The rabbits are brown with white bellies and long ears. In the background, there are green bushes, a blue sky with clouds, and a distant mountain. A decorative banner with green leaves and yellow catkins is positioned at the top, containing the text 'Покачиваемся.' in green. The logo 'firsova' is in the bottom right corner.
