The background consists of three horizontal, wavy bands of different shades of blue. The top band is a light sky blue, the middle band is a medium cerulean blue, and the bottom band is a slightly darker blue. Three glossy, 3D-rendered spheres are scattered across the scene. One large sphere is on the left side, partially overlapping the middle and bottom bands. Two smaller spheres are on the right side, one overlapping the top and middle bands, and the other overlapping the middle and bottom bands. All spheres have a bright white highlight on their upper-left surface, giving them a shiny, reflective appearance.
