РАБОТА В ТЕТРАДИ

Упражнение 21
страница 10

ФИЗКУЛЬТМИНУТКА

Информатику мы учим
Много знаний мы получим
Думай, думай голова
Изучаем множества
Руки вверх и раз, два, три
А теперь наклоны вниз
Ну-ка рыбка, покажись
Повороты вправо, влево
Сели и взялись за дело
