

The image shows a two-story school building with a prominent entrance. The entrance is covered by a wide, flat roof supported by several columns. A set of wide concrete steps leads up to the entrance. The building has several windows with light-colored frames. In the foreground, there is a tree with green leaves and clusters of bright red berries. The sky is blue with some light clouds. In the background, there are more trees and a multi-story apartment building. A few people are visible walking on the sidewalk to the right.
