

The background of the slide is a composite image of a storm and a sunset. On the left side, there is a dark, stormy sky with a bright, jagged lightning bolt striking downwards. On the right side, the sky is a vibrant orange and red, indicating a sunset or sunrise, with the sun partially visible near the horizon. The bottom of the image shows dark silhouettes of trees and a hillside.

# Passive Voice

Lesson 3 – Level 4

# Passive Voice

## *Why use the Passive?*

- **To emphasize the object or party receiving the action**
  - Rebekah was selected for a free gift.
- **To emphasize the action instead of the actor**
  - Our car was repaired by our neighbor.
- **When the agent (doer) is unknown**
  - Her house was broken into last night.
- **When the agent (doer) is unimportant**
  - Gas prices were raised again last week.
- **To be discreet or tactful by not naming the agent**
  - The keys were misplaced again!

# Passive Voice

## Structure

- There are two main rules to all Passive Voice forms
  1. Add the verb “**Be**” in the same tense as the sentence in its active voice form
  2. Use the **Past Participle** form of the main verb
- There are two additional rules for the Passive Voice
  1. In Continuous/Progressive tense sentences add the continuous form of “Be” which is “**being**”
    - *Ex: More homes are **being** built this year.*
  2. In all Perfect tenses and Perfect Modals use the Past Participle form of “Be” which is “**been**”
    - *Ex: Gifts **have been** given out already.*
    - *Ex: My sister **should have been** told about the party.*

# Passive Voice

## *Simple Present*

### Active

- I **walk** the dogs everyday.

# Recent News

Rewrite the news story using the passive voice or active voice where appropriate

# Apple Fights Back Against Virus

Think your Apple computer is immune? Think different.

A nasty malware called Flashback has infected approximately 600,000 Macintosh computers worldwide. It used a Java security flaw. Apple is hard at work on a fix, the company said Tuesday.

The company said that Apple is developing software that will detect and remove the Flashback malware.

Software that will detect and remove the Flashback malware **is being developed by** Apple.

# North Korea Fuels Rocket

North Korea fueled up a rocket Wednesday in preparation for an imminent launch.

North Korea named Kim Jong Un the Worker's Party top official and gave his late father the title of "Eternal General Secretary."

Chief of Command, Paek Chang Ho, said the rocket is ready for liftoff as soon as he gives the green light to the engineers. The rocket launch has raised tensions internationally.

# Tornado Rips Through Oklahoma – Kills 5 people

A tornado ripped through a northwestern Oklahoma town Saturday. The tornado killed at least 5 people. The tornado killed a man and his two daughters: ages 5 & 7. The tornado destroyed the trailer park where they lived.

The other victims were another man and his 10 year-old daughter who lived in a town about 2 miles away. And a helicopter flew another man to a nearby hospital in Texas.
