

Система заданий по развитию познавательных способностей детей в период подготовки к школе

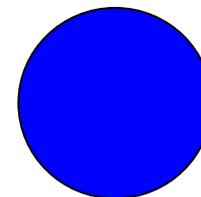

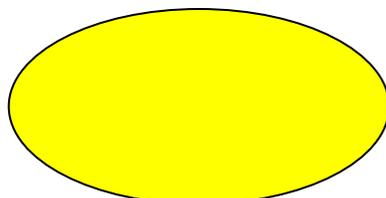

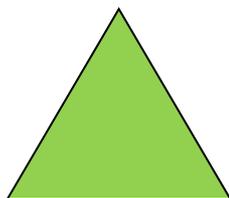

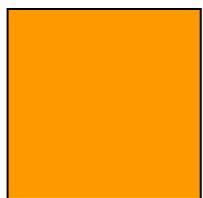

Работа выполнена
учителем ГБОУ СОШ №570
г.Санкт-Петербурга
Короваевой М.Н.

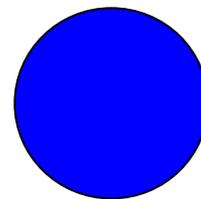

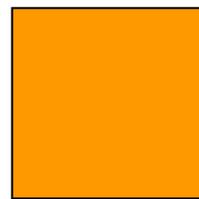

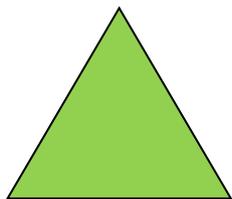

Запомни расположение фигур

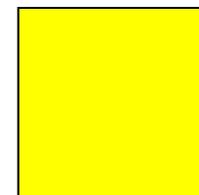

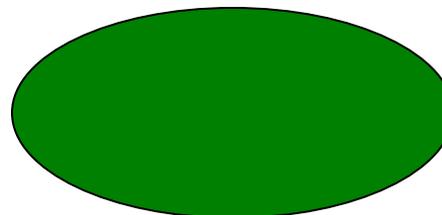

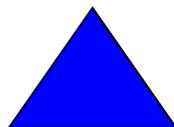

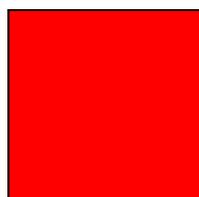

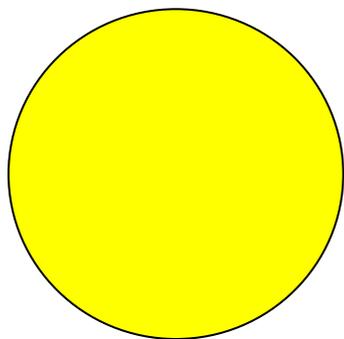

**Назови фигуры, которые находятся
слева и справа от овала**

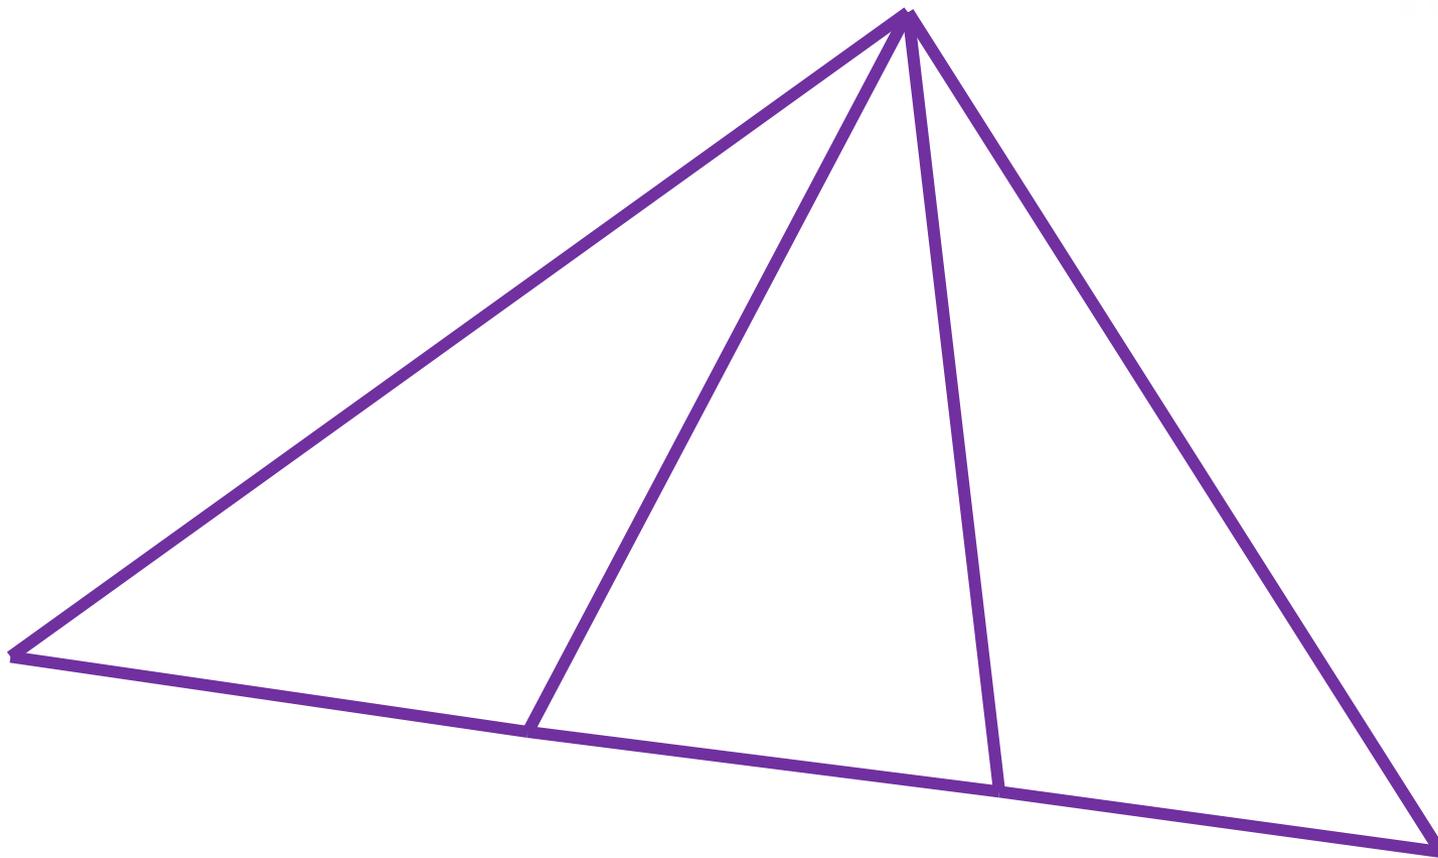

Расположи фигуры

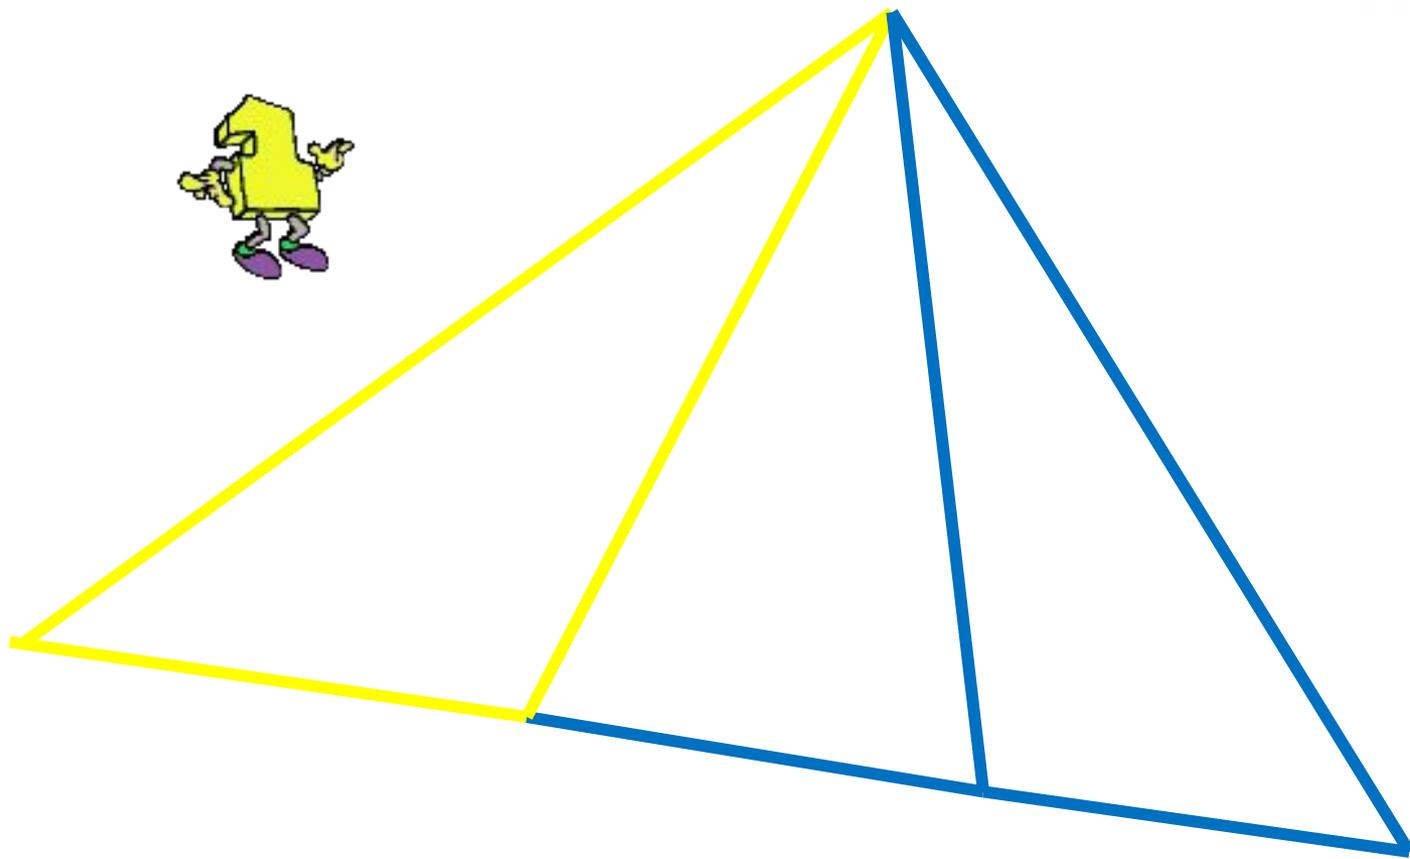

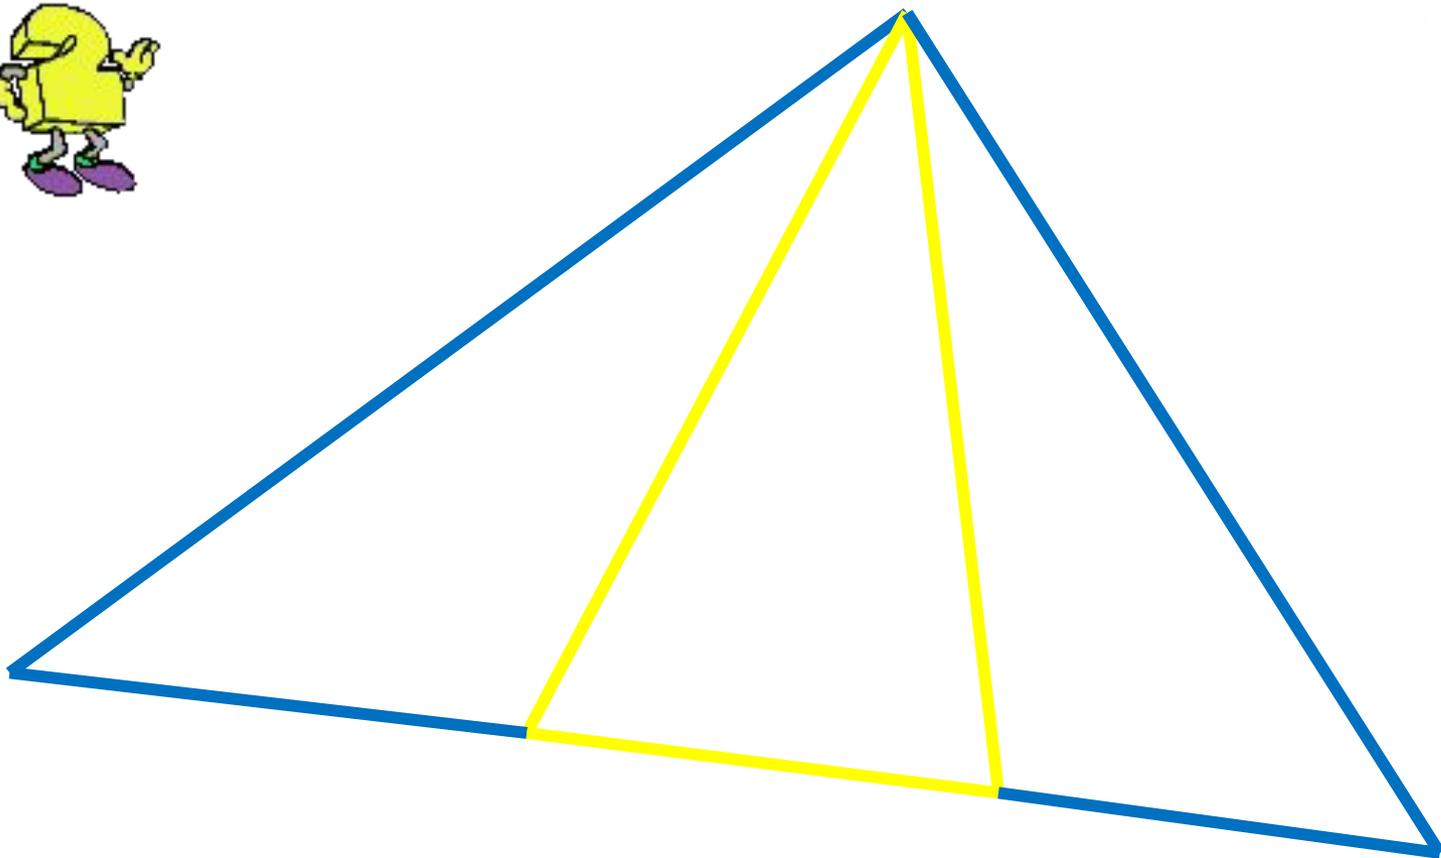

Выбери фигуры, которые отличаются по трём признакам

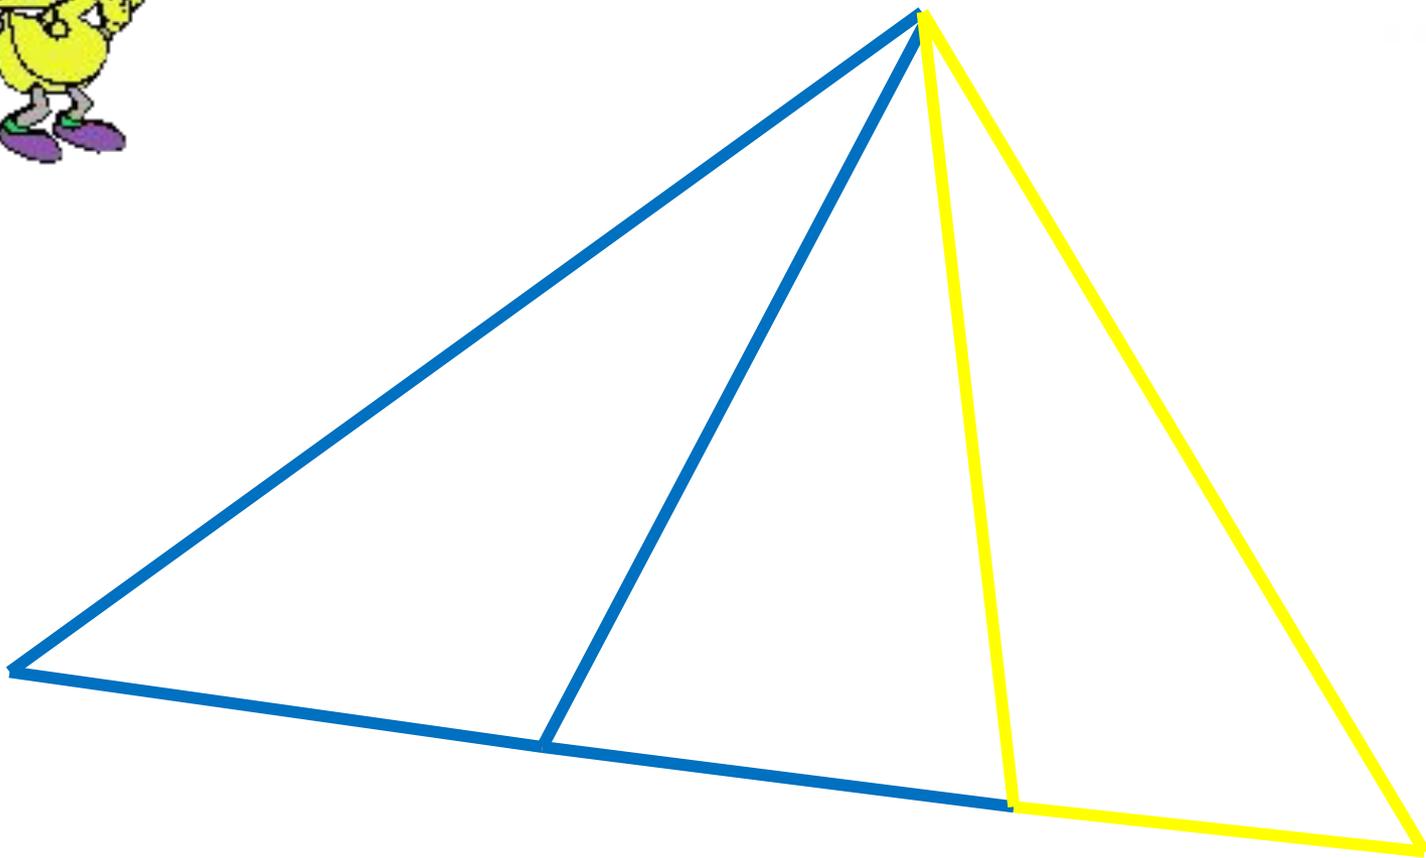

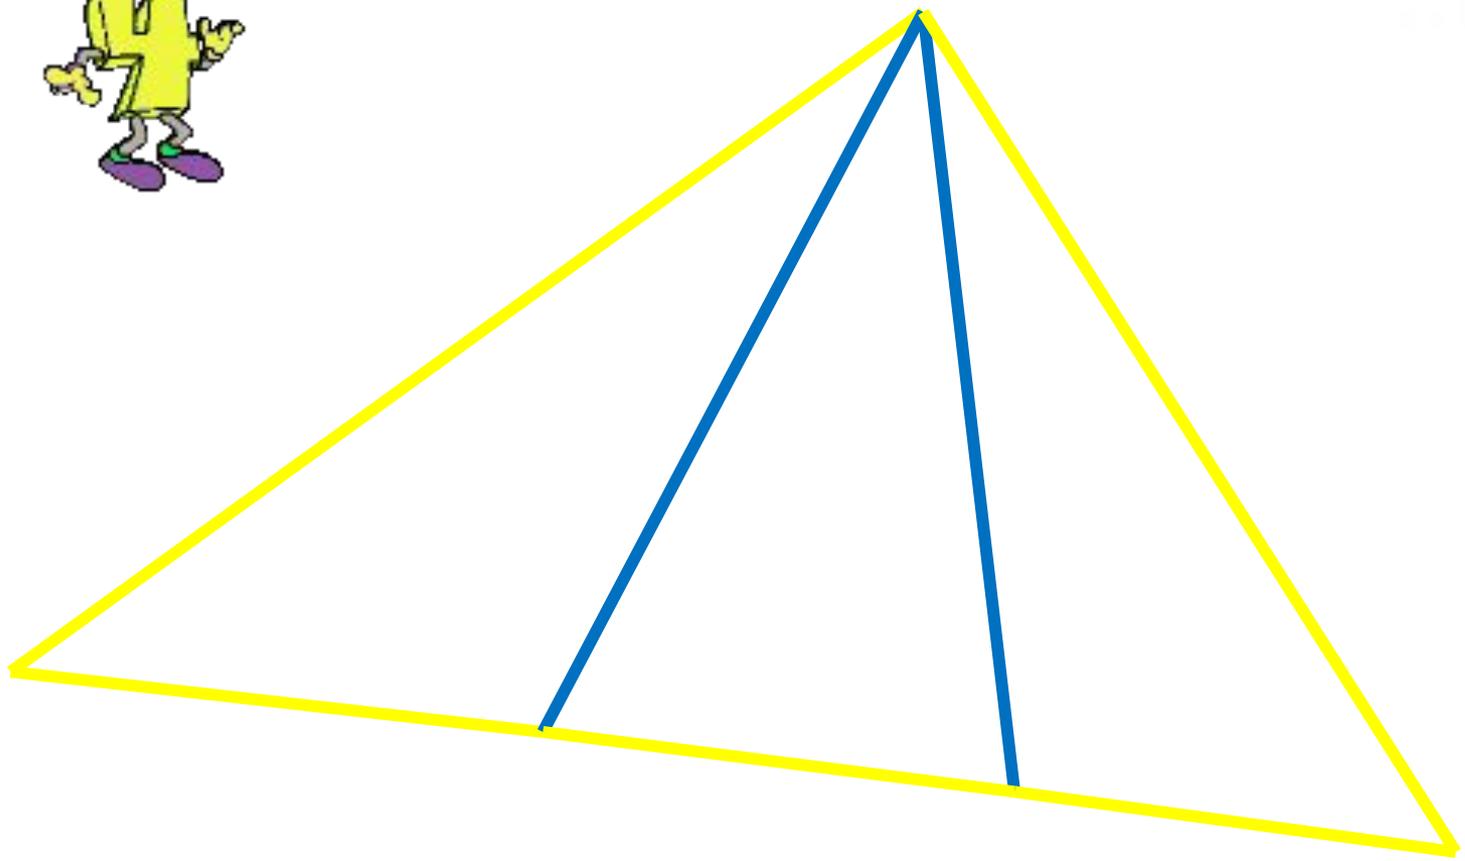

Сколько треугольников?

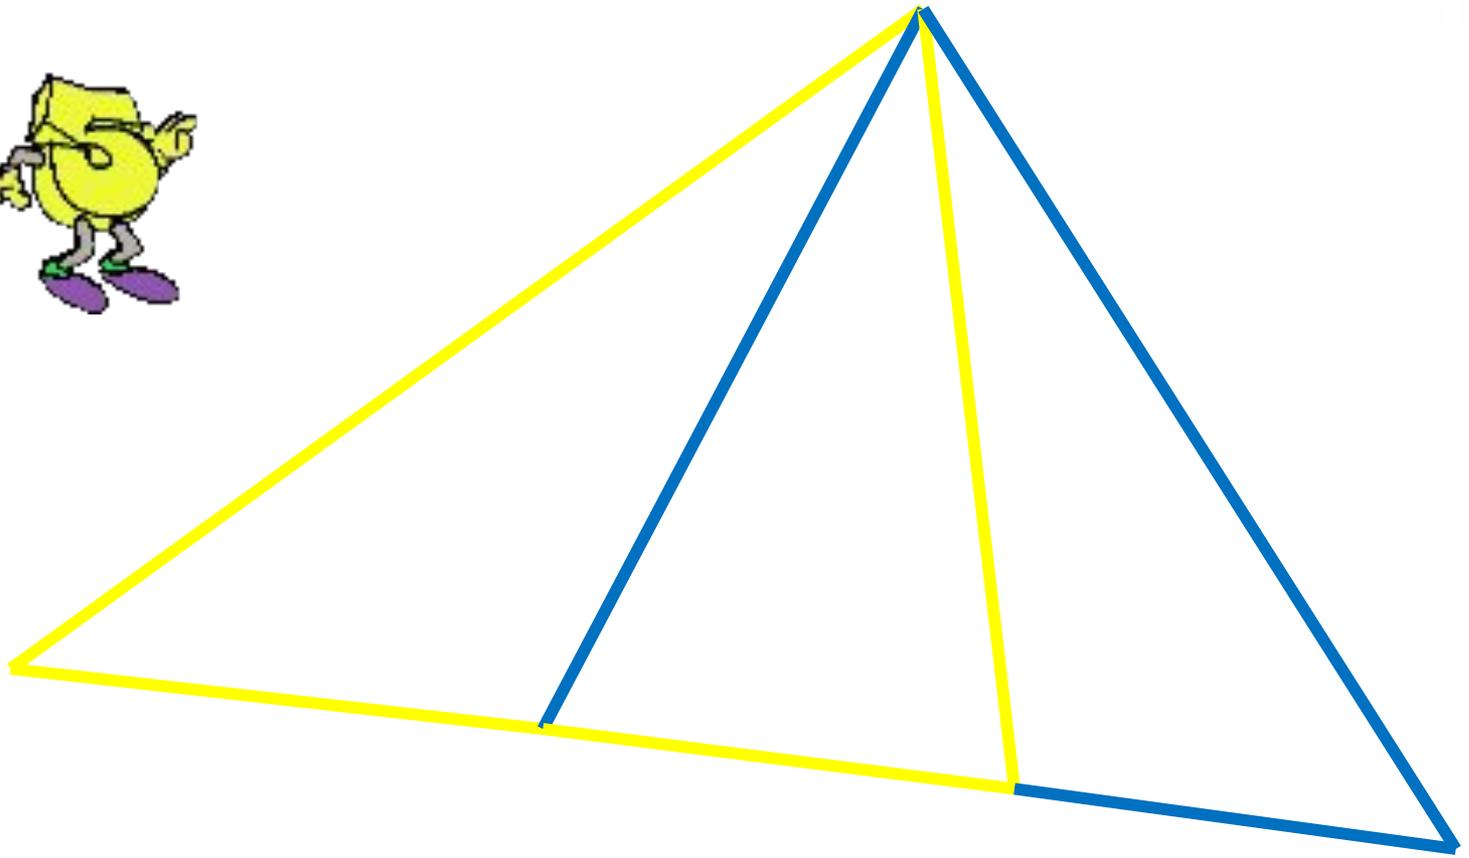

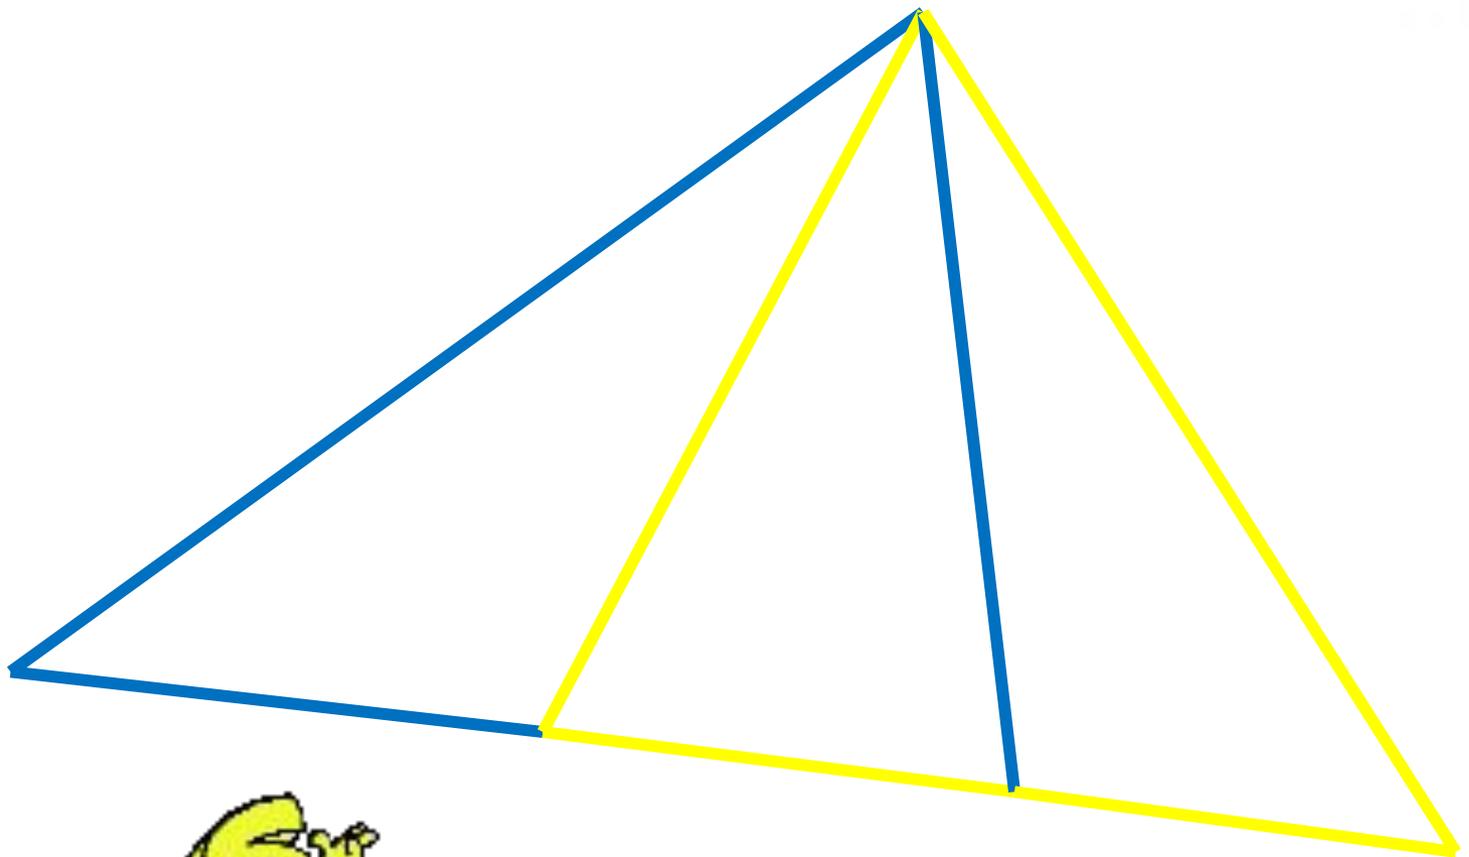

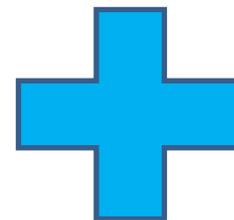

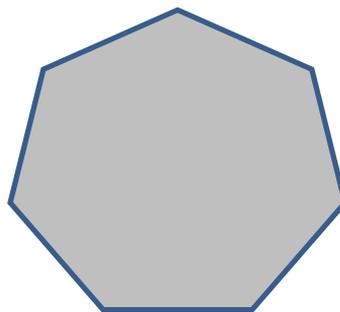

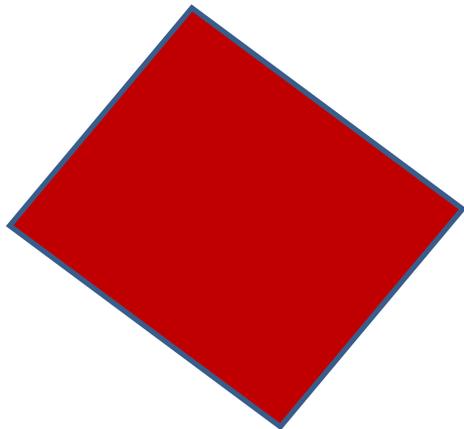

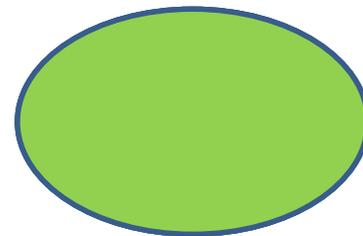

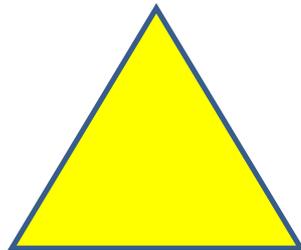

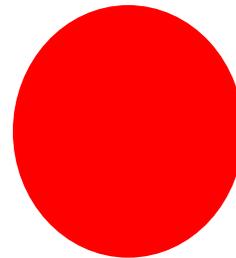

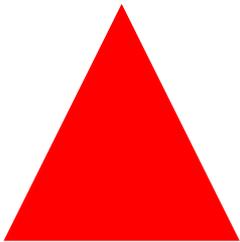

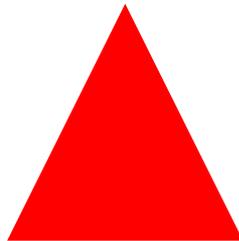

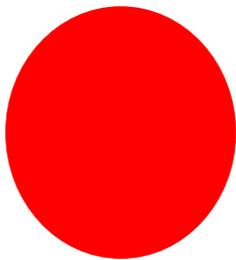

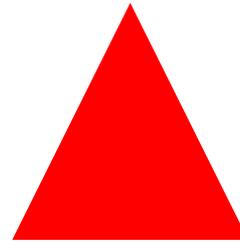

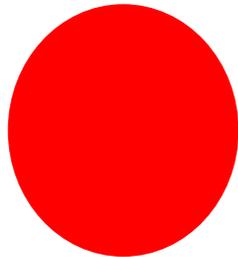

Какая фигура лишняя?

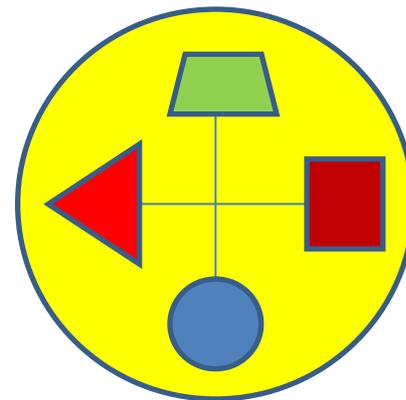

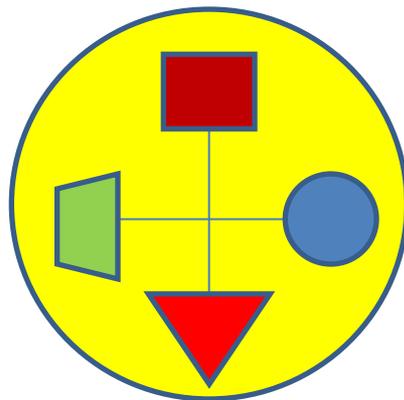

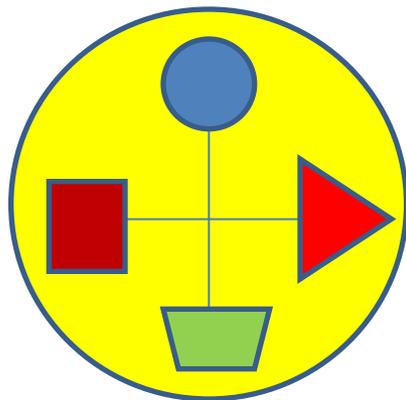

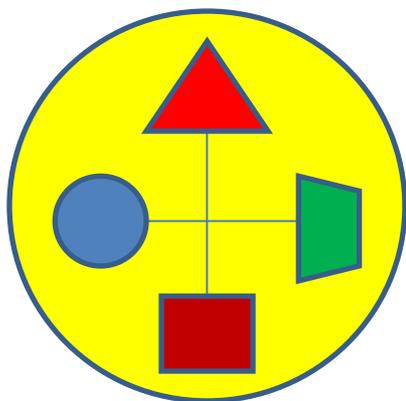

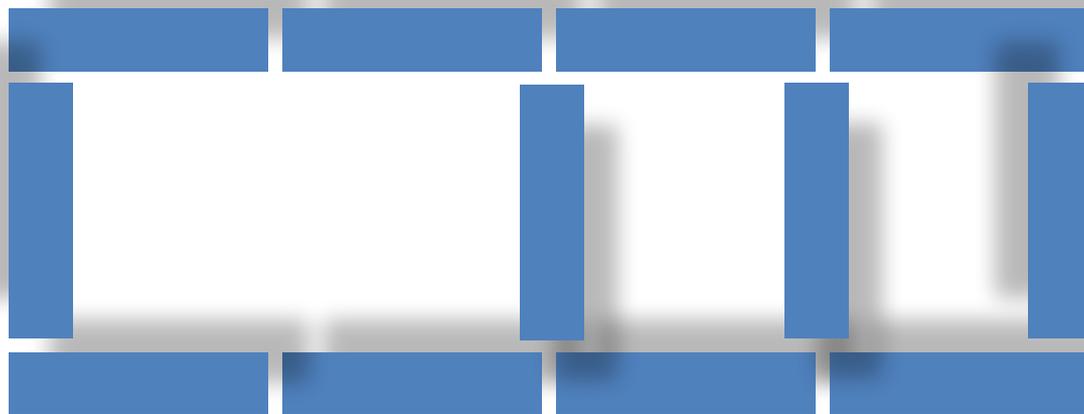

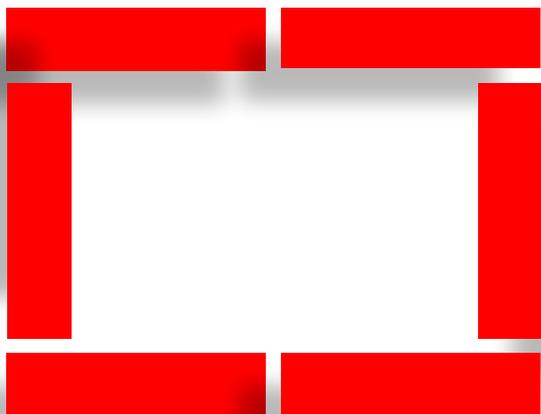

Какой фигуры не хватает?

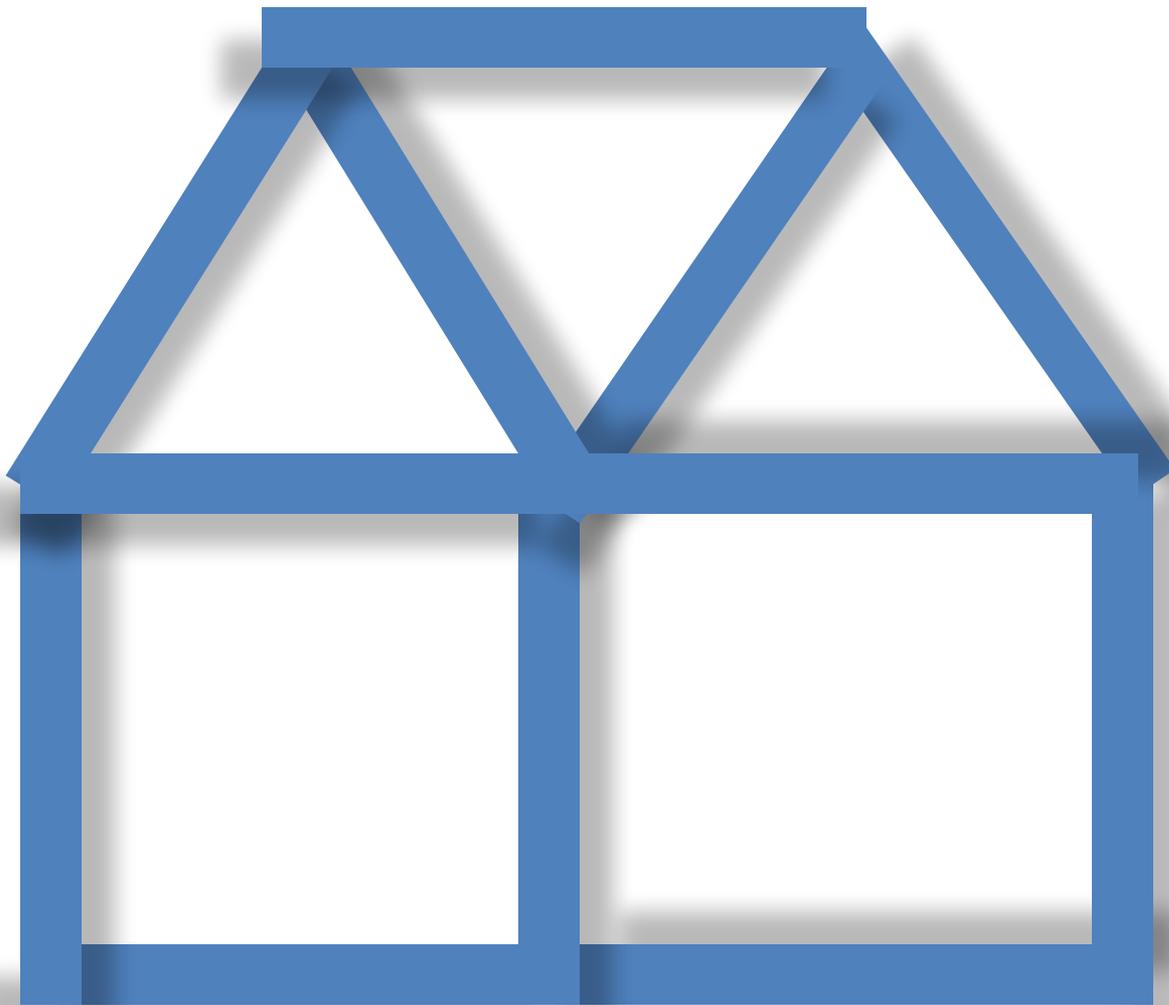

Установи закономерность расположения фигур в кругах и заполни четвёртый круг.

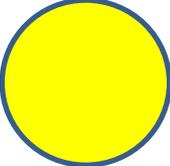

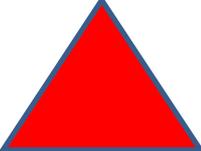

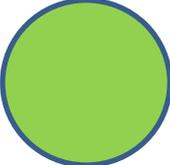

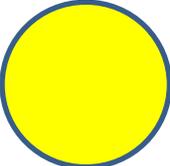

Работа со счётными палочками, преобразование фигур

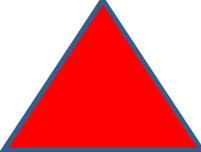

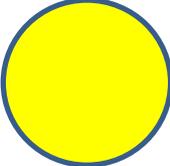

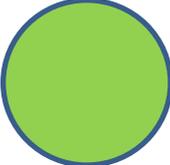

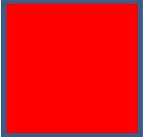

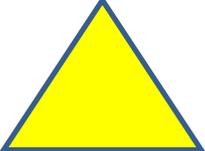

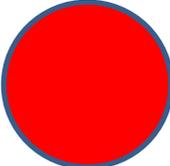

Работа со счётными палочками, преобразование фигур

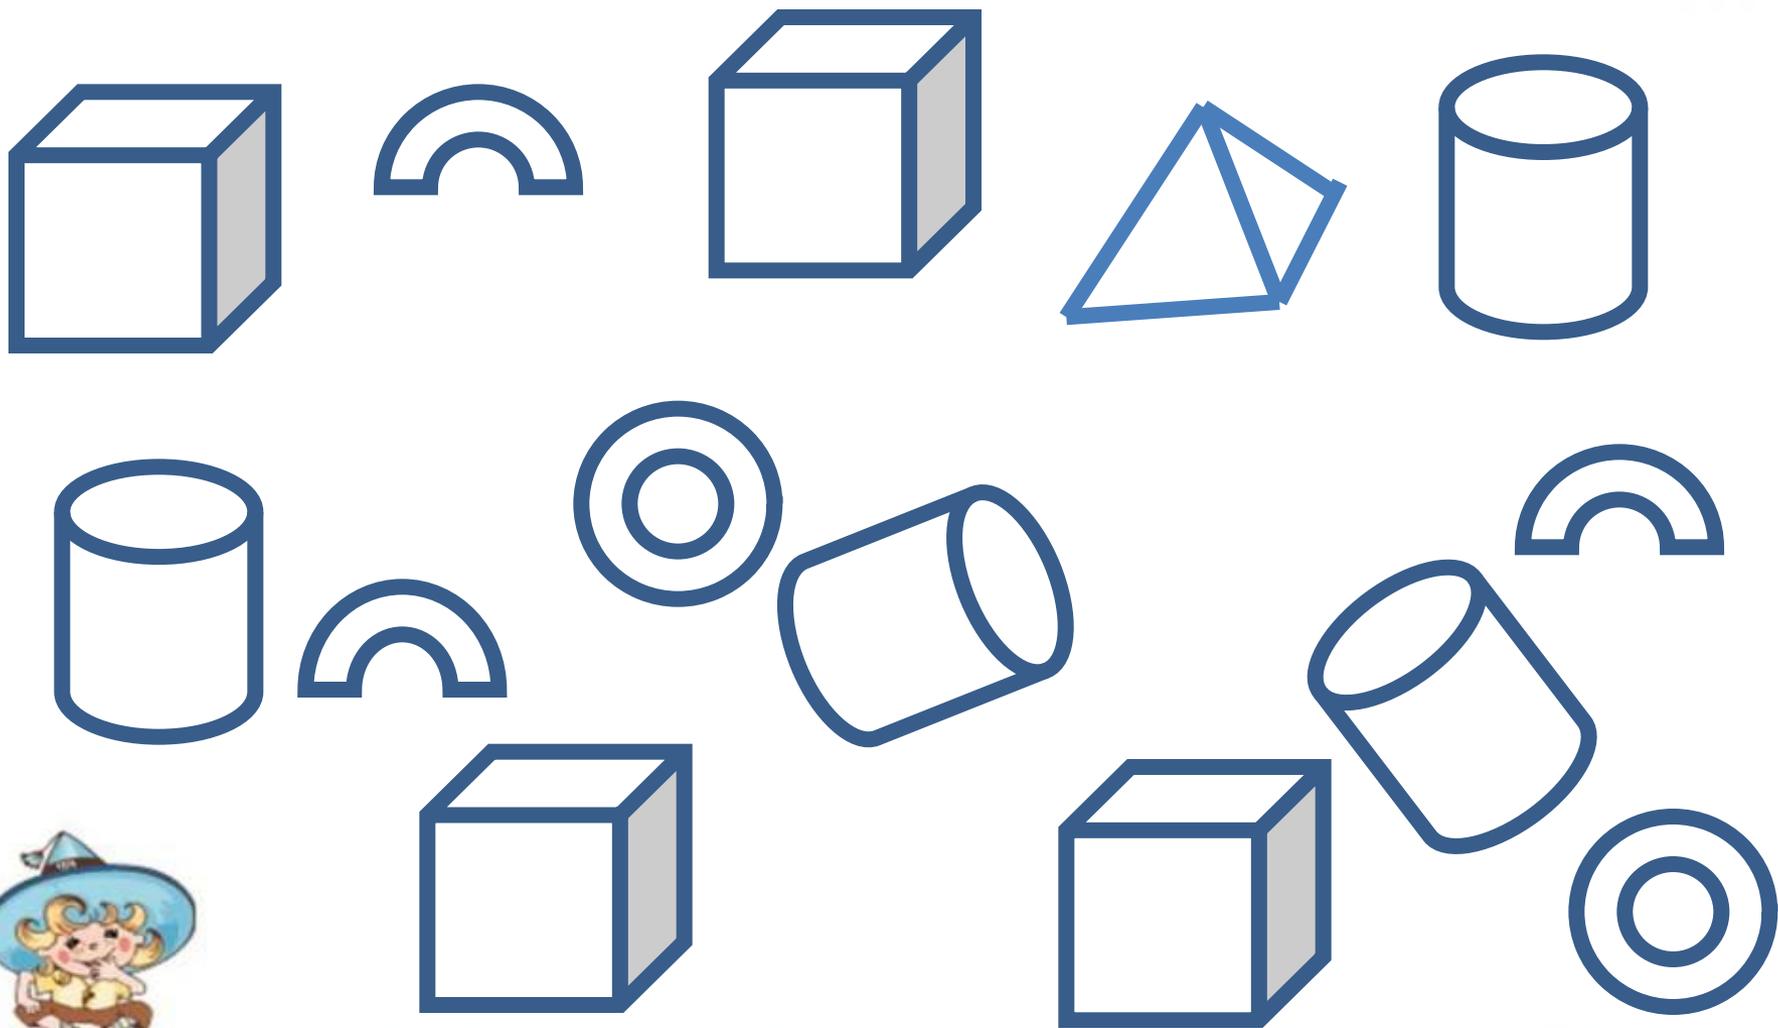

Нарисуй в свободной клетке нужную фигуру

		
		
		

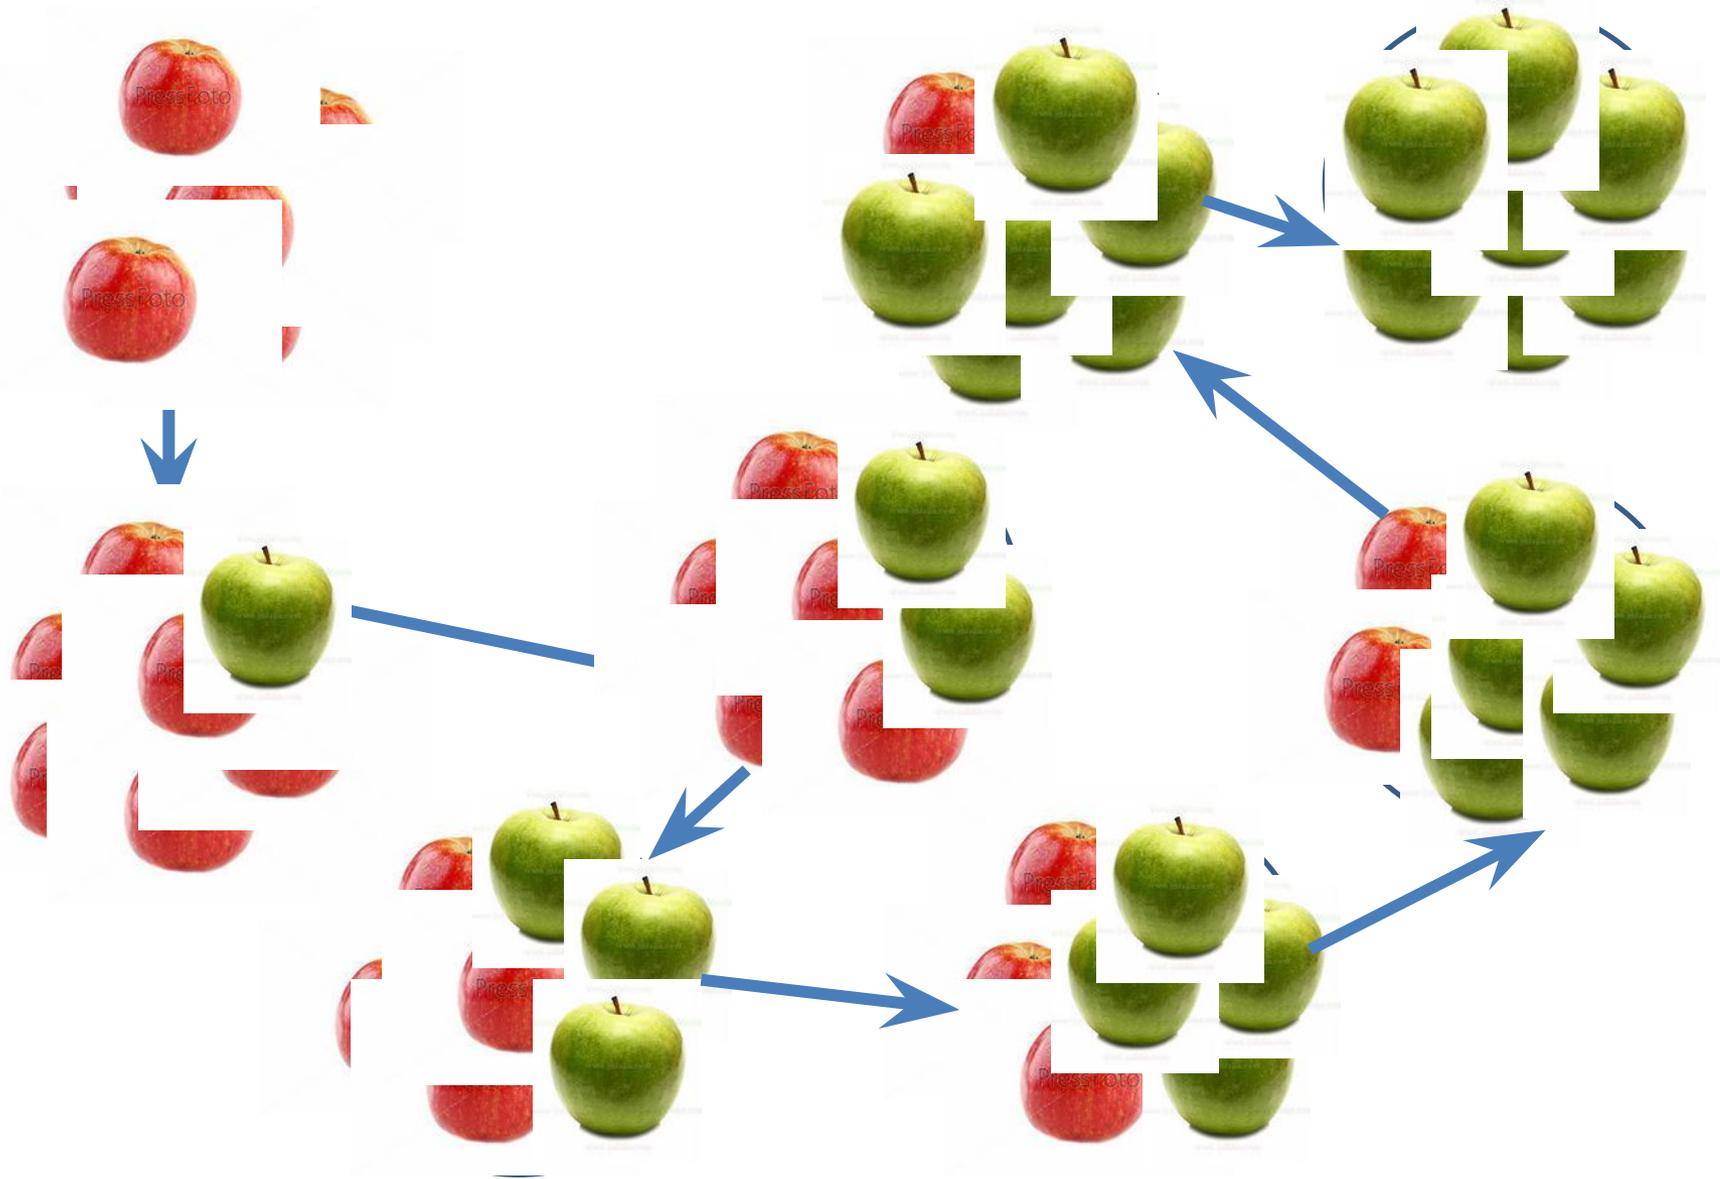

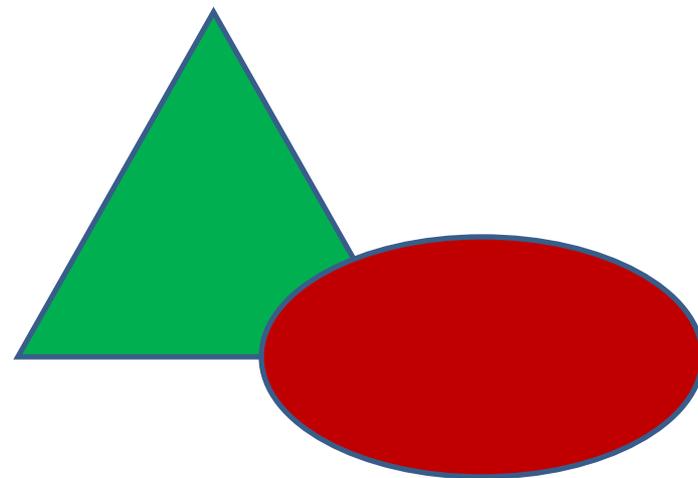

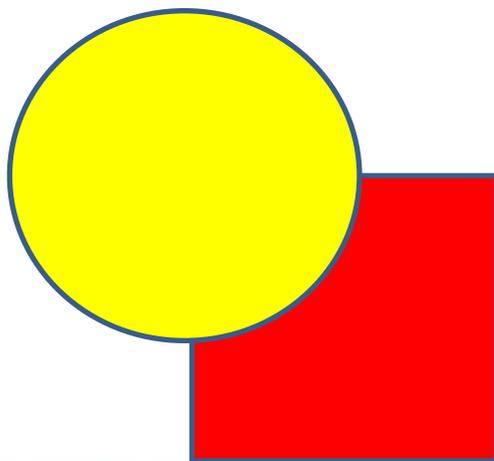

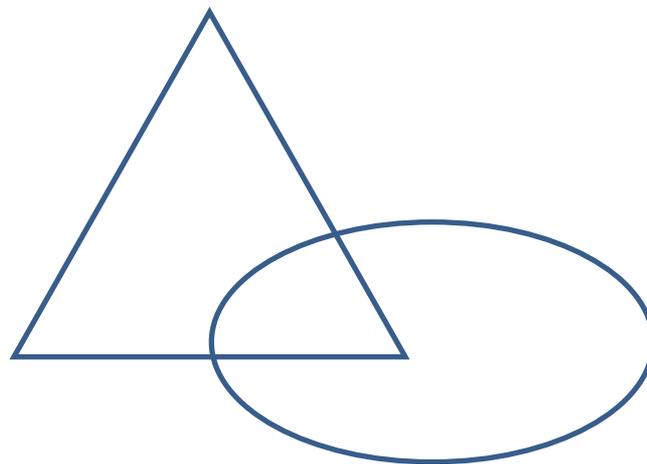

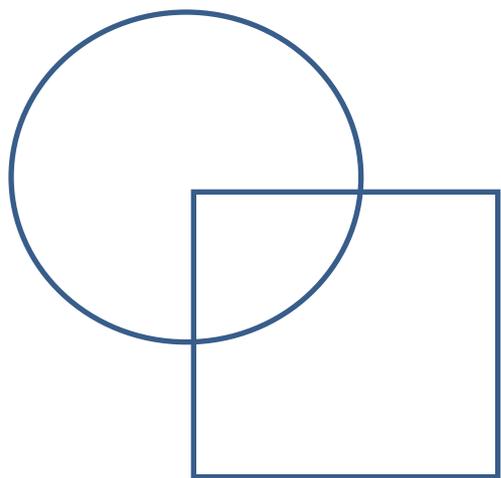

Раскрась одним и тем цветом те фигуры, которые
нарисованы четыре раза

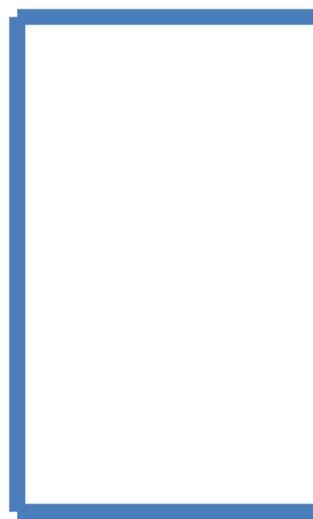

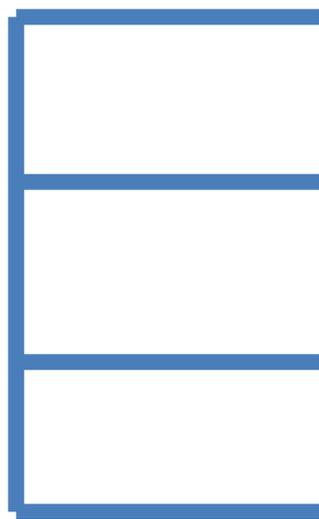

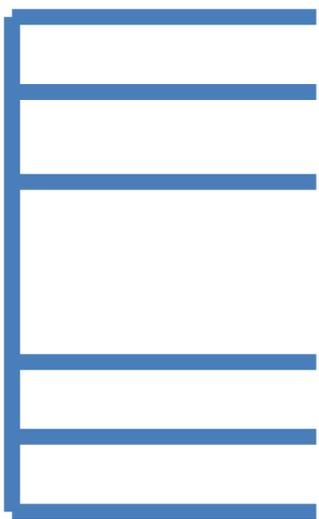

Продолжи путь по заданному правилу

Раскрась фигуры

Какая фигура будет последней?
